INFORMATION REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained in this prospectus (including information incorporated by reference) are “forward-looking statements” and are intended to be covered by the safe harbor provided for under Section 27A of the Securities Act of 1933 (the “Securities Act”) and Section 21E of the Securities Exchange Act of 1934 (the “Exchange Act”). Our forward-looking statements include our current expectations and projections about future production, results, performance, prospects and opportunities, including reserves, resources and other mineralization. We have tried to identify these forward-looking statements by using words such as “may,” “might,” “will,” “expect,” “anticipate,” “believe,” “could,” “intend,” “plan,” “estimate” and similar expressions. These forward-looking statements are based on information currently available to us and are expressed in good faith and believed to have a reasonable basis. However, our forward-looking statements are subject to a number of risks, uncertainties and other factors that could cause our actual production, results, performance, prospects or opportunities, including reserves, resources and other mineralization, to differ materially from those expressed in, or implied by, these forward-looking statements.

These risks, uncertainties and other factors include, but are not limited to, those set forth in our Annual Report on Form 10-K for the year ended December 31, 2017, and in other SEC reports and in this document, including the following:

- a substantial or extended decline in metals prices would have a material adverse effect on us;
- we have had losses that could reoccur in the future;
- an extended decline in metals prices, an increase in operating or capital costs, mine accidents or closures, increasing environmental obligations, or our inability to convert exploration potential to reserves may cause us to record write-downs, which could negatively impact our results of operations;
- global financial events or developments impacting major industrial or developing countries may have an impact on our business and financial condition in ways that we currently cannot predict;
- commodity and currency risk management activities could prevent us from realizing possible revenues or lower costs, or expose us to losses;
- our profitability could be affected by the prices of other commodities;
- our accounting and other estimates may be imprecise;
- our ability to recognize the benefits of deferred tax assets is dependent on future cash flows and taxable income;
- returns for investments in pension plans and pension plan funding requirements are uncertain;
- mining accidents or other adverse events at an operation could decrease our anticipated production;
- our operations may be adversely affected by risks and hazards associated with the mining industry that may not be fully covered by insurance;
- our costs of development of new orebodies and other capital costs may be higher and provide less return than we estimated;
- our ore reserve estimates may be imprecise;
- efforts to expand the finite lives of our mines may not be successful or could result in significant demands on our liquidity, which could hinder our growth;
- our ability to market our metals production may be affected by disruptions or closures of smelters and/or refining facilities
- our business depends on availability of skilled miners and good relations with employees;
- our information technology systems may be vulnerable to disruption which could place our systems at risk from data loss, operational failure, or compromise of confidential information;

Table of Contents

- our foreign activities are subject to additional inherent risks;
- our operations and properties in Canada expose us to additional political risks;
- we may be subject to a number of unanticipated risks related to inadequate infrastructure;
- competition from other mining companies may harm our business;
- we face inherent risks in acquisitions of other mining companies or properties that may adversely impact our growth strategy;
- the recently completed acquisition of Klondex consumed much of our cash;
- our future results may suffer if the combined company following the recently completed acquisition of Klondex does not effectively manage its expanded operations;
- the acquisition of Klondex has increased our exposure to gold price volatility;
- we may be unable to successfully integrate the operations of the properties we acquire, including the Klondex properties;
- we may not realize all of the anticipated benefits from our acquisitions, including the proposed acquisition of Klondex;
- the Klondex properties and any others we may acquire may not produce as expected and may not generate additional reserves, and may come with liabilities beyond those known at the time of acquisition;
- certain of our mines and exploration properties are located on land that is or may become subject to traditional territory, title claims and/or claims of cultural significance by certain Native American tribes, and such claims and the attendant obligations of the federal government to those tribal communities and stakeholders may affect our current and future operations;
- the recently completed acquisition of Klondex may expose us to additional environmental hazards and reclamation obligations;
- our joint development and operating arrangements may not be successful;
- we are currently involved in ongoing legal disputes that may materially adversely affect us;
- we are required to obtain governmental and other approvals in order to conduct mining operations;
- we face substantial governmental regulation, including the Mine Safety and Health Act (the “Mine Act”), various environmental laws and regulations and the General Mining Law of 1872 (the “1872 Mining Law”);
- our operations are subject to complex, evolving and increasingly stringent environmental laws and regulations. Compliance with environmental regulations, and litigation based on such regulations, involves significant costs and can threaten existing operations or constrain expansion opportunities;
- we face uncertainty due to a ballot initiative and related legislation regarding salmon in Alaska;
- legal challenges could prevent the Rock Creek or Montanore projects from ever being developed;
- mine closure and reclamation regulations impose substantial costs on our operations, and include requirements that we provide financial assurance supporting those obligations. These costs could significantly increase;
- our environmental obligations may exceed the provisions we have made;
- we face risks relating to transporting our products, as well as transporting employees and materials at Greens Creek;
- the titles to some of our properties may be defective or challenged;

Table of Contents

- the price of our stock has a history of volatility and could decline in the future;
- our series B preferred stock has a liquidation preference of \$50 per share or \$7.9 million;
- we may not be able to pay common or preferred stock dividends in the future;
- our existing stockholders are effectively subordinated to the holders of our Senior Notes;
- additional issuances of equity securities by us would dilute the ownership of our existing stockholders and could reduce earnings per share;
- the issuance of additional shares of our preferred or common stock in the future could adversely affect holders of common stock;
- if a large number of shares of our common stock are sold in the public market, the sales could reduce the trading price of our common stock and impede our ability to raise future capital;
- the provisions in our Restated Certificate of Incorporation, our Bylaws and Delaware law could delay or deter tender offers or takeover attempts;
- our level of debt could impair our financial health and prevent us from fulfilling our obligations under our existing and future indebtedness;
- if we cannot meet the New York Stock Exchange (the “NYSE”) continued listing requirements, the NYSE may delist our common stock;
- we may be unable to generate sufficient cash to service all of our indebtedness and meet our other ongoing liquidity needs and may be forced to take other actions to satisfy our obligations under our indebtedness, which may be unsuccessful;
- the terms of our debt impose restrictions on our operations;
- our Senior Notes are structurally subordinated to all liabilities of our non-guarantor subsidiaries;
- our variable rate indebtedness subjects us to interest rate risk, which could cause our indebtedness service obligations to increase significantly;
- key terms of the Senior Notes will be suspended if the Senior Notes achieve investment grade ratings and no default or event of default has occurred and is continuing;
- we may be unable to repurchase Senior Notes in the event of a change of control as required by the indenture;
- federal and state fraudulent transfer laws may permit a court to void the Senior Notes or any of the guarantees, and if that occurs, holders of the Senior Notes may not receive any payments on the notes;
- our credit ratings may not reflect all risks associated with an investment in our Senior Notes; and
- a lowering or withdrawal of the ratings assigned to our debt securities by rating agencies may increase our future borrowing costs and reduce our access to capital.

Given these risks and uncertainties, readers are cautioned not to place undue reliance on our forward-looking statements. Projections and other forward-looking statements included in this prospectus have been prepared based on assumptions, which we believe to be reasonable, but not in accordance with United States generally accepted accounting principles (“GAAP”) or any guidelines of the SEC. Actual results may vary, perhaps materially. You are strongly cautioned not to place undue reliance on such projections and other forward-looking statements. All subsequent written and oral forward-looking statements attributable to Hecla Mining Company or to persons acting on our behalf are expressly qualified in their entirety by these cautionary statements. Except as required by federal securities laws, we disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

RISK FACTORS

An investment in our common stock involves a significant degree of risk. You should carefully consider the risk factors included in our Annual Report on Form 10-K for the year ended December 31, 2017, and in any subsequently filed Quarterly Report on Form 10-Q, each of which are incorporated herein by reference, before you decide to purchase any of our common stock. The risks incorporated herein by reference, any of which could materially and adversely affect our business, financial condition, cash flows and results of operations, are the material risks of which we are currently aware; however, they may not be the only risks that we may face. Any of these risks could materially and adversely affect our business, financial condition, results of operations and cash flows. In that case, you may lose all or part of your investment.

USE OF PROCEEDS

We will not receive any proceeds from the sale of the shares by the selling shareholder. Accordingly, the sale of the shares by the selling shareholder will not result in any change in our capitalization. We are filing this registration statement to register for resale up to 1,870,749 shares of Common Stock so as to allow the Hecla Mining Company Retirement Plan Trust (“Retirement Trust” or “selling shareholder”), which is the funding vehicle for the Hecla Mining Company Retirement Plan (“Retirement Plan”) to resell, from time to time, the shares contributed to the Retirement Trust.

SELLING SHAREHOLDER

We have prepared this prospectus to facilitate the sale by the selling shareholder, from time to time, in the aggregate, of up to 1,870,749 shares of Common Stock, which it acquired pursuant to a Contribution Agreement between the Company, the selling shareholder and U.S. Bank National Association, as trustee of the selling shareholder. In connection with the Contribution Agreement, we entered into a Registration Rights Agreement with the selling shareholder, pursuant to which we agreed to use our reasonable commercial efforts to cause the registration statement to be declared effective and to maintain its effectiveness until the earliest of (i) the date on which all of the shares covered by this prospectus are sold, and (ii) the fifth anniversary of the date of the Contribution Agreement. This prospectus is part of the registration statement filed in satisfaction of our obligations.

The Contribution Agreement and the Registration Rights Agreement are included as exhibits to the registration statement of which this prospectus is a part, and the descriptions of such agreements contained in this prospectus are qualified by reference to those exhibits.

The registration of the resale of these shares does not necessarily mean that the selling shareholder will sell all or any of the shares registered by the registration statement of which this prospectus forms a part. The selling shareholder may offer and sell all or any portion of the shares covered by this prospectus and any applicable prospectus supplement from time to time but are under no obligation to offer or sell any such shares. Because the selling shareholder may sell, transfer or otherwise dispose of all, some or none of the shares covered by this prospectus, we cannot determine the number of shares that will be sold, transferred or otherwise disposed of by the selling shareholder or the amount or percentage of shares that will be held by the selling shareholder upon termination of any particular offering. The selling shareholder currently owns a total of 2,819,797 shares of Common Stock.

The selling shareholder may be deemed to be an “underwriter” as defined in the Securities Act. Any profits realized by the selling shareholder may be deemed to be underwriting commissions.

The Company’s Retirement Committee, to which the Company’s Board of Directors has delegated responsibility for the investment of the assets of the Retirement Trust, has appointed GreatBanc Trust Company

Table of Contents

(“Investment Manager”) to serve as an investment manager and independent fiduciary to the Retirement Trust with respect to the assets of the Retirement Trust consisting of common stock of the Company (“Company Common Stock Account”). The trustee and custodian of the assets of the Retirement Trust is U.S. Bank National Association (“Trustee”). The Investment Manager will exercise its independent discretionary judgment in connection with retention, acquisition and disposition of Company stock held in the Company Common Stock Account in accordance with the requirements of part 4 of Title I of ERISA.

CERTAIN ERISA CONSIDERATIONS

The following is a summary of certain considerations associated with the purchase and holding of the shares by employee benefit plans that are subject to Title I of the United States Employee Retirement Income Security Act of 1974 (“ERISA”), plans, individual retirement accounts and other arrangements that are subject to Section 4975 of the Internal Revenue Code (the “Code”) or provisions under any other federal, state, local, non-U.S. or other laws, rules or regulations that are similar to such provisions of ERISA or the Code (collectively, “Similar Laws”), and entities whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”).

General Fiduciary Matters

ERISA and the Code impose certain duties on persons who are fiduciaries of a Plan subject to Title I of ERISA or Section 4975 of the Code (an “ERISA Plan”) and prohibit certain transactions involving the assets of an ERISA Plan and its fiduciaries or other interested parties. Under ERISA and the Code, any person who exercises any discretionary authority or control over the administration of such an ERISA Plan or the management or disposition of the assets of such an ERISA Plan, or who renders investment advice for a fee or other compensation to such an ERISA Plan, is generally considered to be a fiduciary of the ERISA Plan.

In considering an investment in the shares of a portion of the assets of any Plan, a fiduciary should determine whether the investment is in accordance with the documents and instruments governing the Plan and the applicable provisions of ERISA, the Code or any Similar Law relating to a fiduciary’s duties to the Plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA, the Code and any other applicable Similar Laws.

Prohibited Transaction Issues

Section 406 of ERISA and Section 4975 of the Code prohibit ERISA Plans from engaging in specified transactions involving plan assets with persons or entities who are “parties in interest,” within the meaning of ERISA, or “disqualified persons,” within the meaning of Section 4975 of the Code, unless an exemption is available. A party in interest or disqualified person who engages in a non-exempt prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and the Code. In addition, the fiduciary of the ERISA Plan that engages in such a non-exempt prohibited transaction may be subject to penalties and liabilities under ERISA and the Code. The acquisition and/or holding of shares by an ERISA Plan with respect to which the issuer or the selling shareholder is considered a party in interest or a disqualified person may constitute or result in a direct or indirect prohibited transaction under Section 406 of ERISA and/or Section 4975 of the Code, unless the investment is acquired and is held in accordance with an applicable statutory, class or individual prohibited transaction exemption.

Because of the foregoing, the shares should not be purchased by any person investing “plan assets” of any Plan, unless such purchase will not constitute a non-exempt prohibited transaction under ERISA and the Code or similar violation of any applicable Similar Laws.

In this regard, the U.S. Department of Labor has issued prohibited transaction class exemptions (“PTCEs”) that may apply to the acquisition and holding of the shares. These class exemptions include, without limitation,

Table of Contents

PTCE 84-14 respecting transactions determined by independent qualified professional asset managers, PTCE 90-1 respecting insurance company pooled separate accounts, PTCE 91-38 respecting bank collective investment funds, PTCE 95-60 respecting life insurance company general accounts, and PTCE 96-23 respecting transactions determined by in-house asset managers. In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide relief from the prohibited transaction provisions of ERISA and Section 4975 of the Code for certain transactions, provided that neither the issuer of the securities nor any of its affiliates (directly or indirectly) have or exercise any discretionary authority or control or render any investment advice with respect to the assets of any ERISA Plan involved in the transaction, and provided further that the ERISA Plan pays no more than adequate consideration in connection with the transaction. There can be no assurance that all of the conditions of any such exemptions will be satisfied.

Under ERISA Section 408(e) there is a statutory exception from the prohibited transaction rules for contributions of “qualifying employer securities.” A qualifying employer security includes stock of the plan sponsor, provided that immediately following the acquisition of the stock (i) the plan does not hold more than 25 percent of the issued and outstanding shares of the plan sponsor and (ii) at least 50 percent of the issued and outstanding shares of such stock is held by parties that are independent of the plan sponsor. In addition, the following requirements must be met: (i) the plan’s acquisition of the employer securities must be for adequate consideration, (ii) no commissions may be charged with respect to the acquisition, and (iii) immediately after the acquisition of employer securities, the fair market value of all employer securities held by the plan cannot exceed 10 percent of the fair market value of all plan assets.

Representation

Accordingly, by acceptance of a share, each purchaser and subsequent transferee will be deemed to have represented and warranted that either (i) no portion of the assets used by such purchaser or transferee to acquire or hold the shares constitutes assets of any Plan or (ii) the purchase of the shares or the holding of the shares by such purchaser or transferee will not constitute a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the Code or a similar violation under any applicable Similar Laws.

The foregoing discussion is general in nature and is not intended to be all-inclusive. Due to the complexity of these rules and the penalties that may be imposed upon persons involved in non-exempt prohibited transactions, it is particularly important that fiduciaries, or other persons considering purchasing the shares (and holding the shares) on behalf of, or with the assets of, any Plan, consult with their counsel regarding the potential applicability of ERISA, Section 4975 of the Code and any Similar Laws to such transactions and whether an exemption would be applicable to the purchase and holding of the shares.

Purchasers of the shares have the exclusive responsibility for ensuring that their purchase and holding of the shares complies with the fiduciary responsibility rules of ERISA and does not violate the prohibited transaction rules of ERISA, the Code or Similar Laws.

Because the average realized silver prices for all periods in 2015, 2016 and 2017 and the first six months of 2018 were below the minimum threshold of \$30, according to the policy no silver-price-linked component was declared or paid. Prior to 2011, no dividends had been declared on our common stock since 1990. The declaration and payment of common stock dividends is at the sole discretion of our Board of Directors.

Preferred Stock

Our Restated Certificate of Incorporation authorizes us to issue 5,000,000 shares of preferred stock, par value \$0.25 per share. The preferred stock is issuable in series with such voting rights, if any, designations, powers, preferences and other rights and such qualifications, limitations and restrictions as may be determined by our Board of Directors. The Board may fix the number of shares constituting each series and increase or decrease the number of shares of any series. As of September 11, 2018, 157,816 shares were outstanding, all of which were shares of Series B preferred stock. All of the shares of our Series B preferred stock are listed on the New York Stock Exchange under the symbol "HL PB."

Ranking

The Series B preferred stock ranks senior to our common stock and any shares of Series A junior participating preferred stock (none of which have ever been issued) with respect to payment of dividends, and amounts due upon liquidation, dissolution or winding up.

While any shares of Series B preferred stock are outstanding, we may not authorize the creation or issuance of any class or series of stock that ranks senior to the Series B preferred stock as to dividends or amounts due upon liquidation, dissolution or winding up without the consent of the holders of 66 2/3% of the outstanding shares of Series B preferred stock and any other series of preferred stock ranking on a parity with the Series B preferred stock as to dividends and amounts due upon liquidation, dissolution or winding up, voting as a single class without regard to series.

Dividends

Series B preferred stockholders are entitled to receive, when, as and if declared by the Board of Directors out of our assets legally available therefor, cumulative cash dividends at the rate per annum of \$3.50 per share of Series B preferred stock. Dividends on the Series B preferred stock are payable quarterly in arrears on October 1, January 1, April 1 and July 1 of each year (and, in the case of any undeclared and unpaid dividends, at such additional times and for such interim periods, if any, as determined by the Board of Directors), at such annual rate. Dividends are cumulative from the date of the original issuance of the Series B preferred stock, whether or not in any dividend period or periods we have assets legally available for the payment of such dividends. Accumulations of dividends on shares of Series B preferred stock do not bear interest.

All quarterly dividends on our Series B preferred stock for 2015, 2016 and 2017 and the first six months of 2018 were declared and paid in cash.

Redemption

The Series B preferred stock is redeemable at our option, in whole or in part, at \$50 per share, plus, in each case, all dividends undeclared and unpaid on the Series B preferred stock up to the date fixed for redemption.

Liquidation Preference

The Series B preferred stockholders are entitled to receive, in the event that we are liquidated, dissolved or wound up, whether voluntary or involuntary, \$50 per share of Series B preferred stock plus an amount per share equal to all dividends undeclared and unpaid thereon to the date of final distribution to such holders (the "Liquidation Preference"), and no more. Until the Series B preferred stockholders have been paid the Liquidation Preference in full, no payment will be made to any holder of Junior Stock upon our liquidation, dissolution or winding up. The term "junior stock" means our common stock and any other class of our capital stock issued and outstanding that ranks junior as to the payment of dividends or amounts payable upon liquidation, dissolution and winding up to the Series B preferred stock. As of December 31, 2017 and 2016, our Series B preferred stock had an aggregate Liquidation Preference of \$7.9 million.

Table of Contents

Voting Rights

Except in certain circumstances and as otherwise from time to time required by applicable law, the Series B preferred stockholders have no voting rights and their consent is not required for taking any corporate action. When and if the Series B preferred stockholders are entitled to vote, each holder will be entitled to one vote per share.

Conversion

Each share of Series B preferred stock is convertible, in whole or in part at the option of the holders thereof, into shares of common stock at a conversion price of \$15.55 per share of common stock (equivalent to a conversion rate of 3.2154 shares of common stock for each share of Series B preferred stock). The right to convert shares of Series B preferred stock called for redemption will terminate at the close of business on the day preceding a redemption date (unless we default in payment of the redemption price).

Provisions with Possible Anti-Takeover Effects

The provisions in our Restated Certificate of Incorporation, as amended, our Bylaws, as amended, and Delaware law could make it more difficult for a third party to acquire control of us, even if that transaction would be beneficial to stockholders. These impediments include:

- the classification of our Board of Directors into three classes serving staggered three-year terms, which makes it more difficult to quickly replace board members;
- the ability of our Board of Directors to issue shares of preferred stock with rights as it deems appropriate without stockholder approval;
- a provision that special meetings of our Board of Directors may be called only by our chief executive officer or a majority of our Board of Directors;
- a provision that special meetings of stockholders may only be called pursuant to a resolution approved by a majority of our entire Board of Directors;
- a prohibition against action by written consent of our stockholders;
- a provision that our board members may only be removed for cause and by an affirmative vote of at least 80% of the outstanding voting stock;
- a provision that our stockholders comply with advance-notice provisions to bring director nominations or other matters before meetings of our stockholders;
- a prohibition against certain business combinations with an acquirer of 15% or more of our common stock for three years after such acquisition unless the stock acquisition or the business combination is approved by our board prior to the acquisition of the 15% interest, or after such acquisition our board and the holders of two-thirds of the other common stock approve the business combination; and
- a prohibition against our entering into certain business combinations with interested stockholders without the affirmative vote of the holders of at least 80% of the voting power of the then outstanding shares of voting stock.

PLAN OF DISTRIBUTION

We have registered the shares of common stock to allow the selling shareholder to sell all or a portion of the shares to the public from time to time after the date of this prospectus. Upon instructions from the Trustee, the selling shareholder may sell the shares directly or in negotiated transactions through underwriters, broker-dealers or agents.

The shares may be sold pursuant to the methods described below from time to time by or for the account of the selling shareholder on the New York Stock Exchange, or any other national securities exchange or automated interdealer quotation system on which our common stock is then listed, or otherwise in one or more transactions at:

- a fixed price or prices, which may be changed;
- market prices prevailing at the time of sale;
- prices related to prevailing market prices; or
- prices determined on a negotiated or competitive bid basis.

These sales may be effected in any manner permitted by law, including by any one or more of the following methods:

- a block trade (which may involve crosses) in which the broker or dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker or dealer as principal;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers; or
- privately negotiated transactions.

The SEC may deem the selling shareholder and any broker-dealers or agents who participate in the distribution of the shares to be “underwriters” within the meaning of Section 2(11) of the Securities Act of 1933, as amended (the “Securities Act”). As a result, the SEC may deem any profits made by the selling shareholder as a result of selling the shares and any discounts, commissions or concessions received by any broker-dealers or agents to be underwriting discounts and commissions under the Securities Act. To our knowledge, there are currently no plans, agreements, arrangements or understandings between the selling shareholder and any underwriter, broker-dealer or agent regarding the sale of the shares.

To comply with the securities laws of some states, if applicable, the selling shareholder may only sell shares in these jurisdictions through registered or licensed brokers or dealers. In addition, in certain jurisdictions, the shares may not be sold unless they have been registered or qualified for sale in these jurisdictions, or an exemption from registration or qualification is available and complied with. The selling shareholder and any other persons participating in the sales of the shares pursuant to this prospectus may be subject to applicable provisions of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the rules and regulations under the Exchange Act. The selling shareholder may also sell shares in reliance upon Rule 144 of the Securities Act, provided it meets the criteria and conforms to the requirements of Rule 144, rather than under this prospectus.

With respect to a particular offering of the shares, to the extent required by law, we will file an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement of which this prospectus is a part, disclosing the following information:

- the amount of shares being offered and sold;
- the respective purchase prices and public offering prices and other material terms of the offering;

Table of Contents

- the names of any participating agents, broker-dealers or underwriters employed by the selling shareholder in connection with such sale; and
- any applicable commissions, discounts, concessions and other items constituting compensation from the selling shareholder.

If the selling shareholder sells the shares through underwriters, broker-dealers or agents, we will not be responsible for underwriting discounts, and concessions or commissions (which commissions will not exceed those customary in the types of transactions involved) or agents' commissions. Pursuant to the Registration Rights Agreement, we have agreed to pay all of the expenses incidental to the registration, offering and sale of the shares to the public.

The selling shareholder may pledge or grant a security interest in some or all of the shares owned by it, and if it defaults in the performance of its secured obligations, the pledgees or secured parties may offer and sell the shares from time to time pursuant to this prospectus. The selling shareholder also may transfer and donate shares in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling shareholder for purposes of this prospectus.

We entered into a Registration Rights Agreement for the benefit of the selling shareholder to register the shares under applicable federal and state securities laws under specific circumstances and at specific times. The Registration Rights Agreement provides for indemnification of the selling shareholder against specific liabilities in connection with the offer and sale of the shares, including liabilities under the Securities Act.

Under the Registration Rights Agreement, we are obligated to use our reasonable best efforts to cause the shelf registration statement to be continuously effective until the earlier of the date when all securities covered by the shelf registration statement have been sold and the fifth anniversary of the Contribution Agreement.

Our obligation to keep the registration statement to which this prospectus relates available for use is subject to specified, permitted exceptions set forth in the Registration Rights Agreement. In these cases, we may prohibit offers and sales of the shares pursuant to the registration statement to which this prospectus relates. We may suspend the use of this prospectus for a period not to exceed 30 days and not to exceed an aggregate of 60 days in any twelve-month period.

We will not receive any portion of the proceeds of the sale of the shares offered by this prospectus. Our common stock trades on the New York Stock Exchange under the symbol "HL."

Item 15. Indemnification of Directors and Officers

Delaware General Corporate Law

The Registrant is organized as a corporation under Delaware law and is subject to the provisions of the General Corporation Law of the State of Delaware (the "DGCL"). The following description is intended only as a summary and is qualified in its entirety by reference to the Restated Certificate of Incorporation of the Registrant, the Bylaws of the Registrant and the DGCL.

Pursuant to the DGCL, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation in such capacity for another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of such corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The DGCL also permits indemnification by a corporation under similar circumstances for expenses (including attorneys' fees) actually and reasonably incurred by such persons in connection with the defense or settlement of an action by or in the right of such corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to such corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

To the extent that a present or former director or officer is successful in the defense of such an action, suit or proceeding (or of any claim, issue or matter therein), the corporation is required by the DGCL to indemnify such person for actual and reasonable expenses (including attorneys' fees) incurred thereby.

Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid (on terms and conditions satisfactory to the

Table of Contents

corporation) in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to be so indemnified.

The DGCL provides that the indemnification and advancement of expenses described above shall not be deemed exclusive of other indemnification or advancement of expenses that may be granted by a corporation pursuant to its Bylaws, a disinterested director vote, a stockholder vote, an agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability as described above.

Accordingly, the Bylaws of the Registrant, to the fullest extent permitted by applicable law, indemnify and hold harmless each person (each, a "Covered Person") who is or was a director, officer or employee of the Registrant or, while a director, officer or employee of the Registrant, is or was serving at the request of the Registrant as a director, officer or employee or agent of another corporation, or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans. However, the Registrant shall be required to indemnify any person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Board of Directors or is a proceeding to enforce such person's claim to indemnification pursuant to the rights granted by the Bylaws or otherwise by the Registrant. The Registrant may also enter into one or more agreements with any person which provide for indemnification greater or different than that provided in the Registrant's Restated Certificate of Incorporation.

The Bylaws of the Registrant also provide that the Registrant shall, to the fullest extent not prohibited by applicable law, pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by such Covered Person to repay all amounts advanced if it should be ultimately determined that such Covered Person is not entitled to be indemnified.

The Bylaws of the Registrant also provide that the Registrant's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit entity.

Furthermore, pursuant to the Restated Certificate of Incorporation of the Registrant, as permitted under the DGCL, a director of the Registrant shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of such person's fiduciary duty as a director, except for liability (1) for any breach of such person's duty of loyalty to the Registrant or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL or (4) for any transaction from which he or she derived an improper personal benefit.

The DGCL permits, and the Registrant has, liability insurance for the benefit of its directors and officers.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for purposes of determining any liability under the Securities Act of 1933 to any purchaser:
 - (A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement

Table of Contents

will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of each registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (A) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (B) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (C) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (D) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

REGISTRATION RIGHTS AGREEMENT

This Registration Rights Agreement (this "Agreement") is entered into as of September 12, 2018 by and among Hecla Mining Company, a Delaware corporation (the "Company"), as sponsor of the Hecla Mining Company Retirement Plan (the "Retirement Plan"), the Hecla Mining Company Retirement Committee (the "Retirement Committee"), as the named fiduciary of the Retirement Plan, and U.S. Bank National Association, as trustee of the Retirement Trust (as defined below).

RECITALS

WHEREAS, the Trust Agreement dated January 12, 1981, as amended, between the Company, as grantor, and the Trustee, as successor trustee, governs a trust which holds Retirement Plan assets (the "Retirement Trust");

WHEREAS, the Retirement Committee is the "named fiduciary" with respect to the Retirement Plan, within the meaning of Section 402(a) of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA");

WHEREAS, concurrently with the execution of this Agreement, the Company and the Retirement Committee have executed that certain contribution agreement, dated as of the date hereof (the "Retirement Contribution Agreement"), under which the Company agrees to contribute up to 1,870,749 shares of common stock of the Company (the "Retirement Shares") to the Retirement Trust (the "Retirement Contribution");

WHEREAS, the Company has agreed to grant certain registration rights with respect to the Retirement Shares, on the terms and subject to the conditions set forth in this Agreement; and

WHEREAS, concurrently with the execution of this Agreement, the Retirement Committee has executed direction letters, dated as of the date hereof, which direct the Trustee to sign this Agreement and honor this Agreement's terms with respect to the Retirement Trust.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and mutual promises set forth herein, the parties hereto hereby agree as follows:

Section 1. Registration; Compliance With the Securities Act.

1.1 Registration Procedures and Expenses. The Company hereby agrees that it shall:

(a) prepare and file with the Securities and Exchange Commission (the “SEC”), as soon as reasonably practicable after the date of the Company’s initial issuance of Retirement Shares to the Retirement Trust pursuant to the Retirement Contribution Agreement, but in no event more than 60 days after such date, a shelf registration statement on Form S-3 covering the Retirement Shares (such registration statement and any successor registration statement filed under the Securities Act of 1933, as amended (the “Securities Act”), shall be hereinafter referred to as the “Registration Statement”), to enable the Retirement Committee, with respect to the Retirement Trust, to direct the Trustee to sell the Retirement Shares from time to time in the manner contemplated by the plan of distribution set forth in any prospectus that is part of the Registration Statement, as amended by any prospectus supplement or post-effective amendment thereto, and use its reasonable commercial efforts to cause such Registration Statement to be declared effective as promptly as reasonably possible after filing and to remain continuously effective until the earliest of (i) the date on which all Retirement Shares have been sold, and (ii) the fifth anniversary of the Contribution Agreement (the “Registration Period”); provided, however, that it shall not be required to file such Registration Statement or cause such Registration Statement to be declared effective during the pendency of any suspension period pursuant to Sections 1.2(c) or (d) below;

(b) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement and the prospectus filed with the SEC pursuant to Rule 424(b) under the Securities Act, or if no such filing is required, as included in the Registration Statement (the “Prospectus”), as may be necessary to keep the Registration Statement effective at all times until the end of the Registration Period; provided, however, that it shall not be required to file any such amendment or prospectus supplement during the pendency of any suspension period pursuant to Sections 1.2(c) or (d) below;

(c) with respect to the Retirement Trust, furnish the Retirement Committee and the Trustee with such reasonable number of copies of the Prospectus in conformity with the requirements of the Securities Act, and such other documents as the Retirement Committee may direct the Trustee to request, in order to facilitate the public sale or other disposition of all or any of the Retirement Shares held by the Retirement Trust by the Trustee, as directed by the Retirement Committee;

(d) use its reasonable commercial efforts to file documents required of the Company for normal blue sky clearance in such states as the Retirement Committee shall reasonably designate in writing; provided, however, that the Company shall not be required to qualify to do business or consent to service of process in any jurisdiction in which it is not now so qualified or has not so consented; and

(e) bear all expenses in connection with the actions contemplated by paragraphs (a) through (d) of this Section 1.1 and the registration of the Retirement Shares pursuant to the Registration Statement.

With respect to the Retirement Trust, the Retirement Committee shall provide such reasonable assistance to the Company and furnish, or cause to be furnished, to the Company in writing such information regarding the Retirement Shares to be sold and the intended method or methods of disposition of the Retirement Shares, as shall be required to effect the registration of the Retirement Shares and as may be required from time to time under the Securities Act and the rules and regulations thereunder. As directed by the Retirement Committee, with respect to the Retirement Trust, the Trustee will provide the Company with specific information from the Trustee's ordinary books and records about the Retirement Shares or the Retirement Trust.

1.2 Transfer of Retirement Shares After Registration; Suspension.

(a) With respect to the Retirement Trust, the Retirement Committee agrees that it will not offer to sell or make any sale, assignment, pledge, hypothecation or other transfer with respect to the Retirement Shares that would constitute a sale within the meaning of the Securities Act except pursuant to either (i) the Registration Statement referred to in Section 1.1, (ii) Rule 144 under the Securities Act or any successor rule thereto (as such rule may be amended from time to time, "Rule 144"), or (iii) pursuant to an applicable exemption from registration under applicable federal and state Retirement Shares laws and that it will promptly notify the Company of any changes in the information set forth in the Registration Statement regarding the Trustee or the intended plan of distribution of the Retirement Shares to the extent required by applicable Retirement Shares laws.

(b) The Retirement Committee and the Company agree that the Retirement Shares held by the Retirement Trust may be sold in one or more privately-negotiated block trades.

(c) In addition to any suspension rights under paragraph (d) below, the Company may, upon the happening of any event that, in the judgment of the Company's legal counsel, renders advisable the suspension of the disposition of Retirement Shares covered by the Registration Statement or use of the Prospectus due to pending corporate developments, public filings with the SEC or similar events, suspend the disposition of Retirement Shares covered by the Registration Statement or use of the Prospectus for a period of not more than ninety (90) days on written notice to the Retirement Committee (which notice will not disclose the content of any material non-public information) and will indicate the date of the beginning and end of the intended suspension, if known, in which case the Retirement Committee, upon receipt of such written notice, shall discontinue (or cause the Trust to discontinue) disposition of Retirement Shares covered by the Registration Statement or use of the Prospectus until copies of a supplemented or amended Prospectus are distributed to the Retirement Committee or until the Retirement Committee is advised in writing by the Company that the disposition of Retirement Shares covered by the Registration Statement or use of the applicable Prospectus may be resumed; provided, that such right to suspend the disposition of Retirement Shares covered by the Registration Statement or use of the Prospectus shall not be exercised by the Company for more than one hundred twenty (120) days in any twelve-month period. The suspension and notice thereof described in this Section 1.2(c) shall be held in confidence and not disclosed by the Retirement Committee, except as required by law.

(d) Subject to paragraph (e) below, in the event of: (i) any request by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to a Registration Statement or related Prospectus or for additional information; (ii) the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose; (iii) the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Retirement Shares for sale in any jurisdiction or the initiation of any proceedings for such purpose; or (iv) any event or circumstance that necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, then the Company shall deliver a certificate in writing to the Retirement Committee (the "Suspension Notice") to the effect of the foregoing (which notice will not disclose the content of any material non-public information and will indicate the date of the beginning and end of the intended suspension, if known), and upon receipt of such Suspension Notice, the Retirement Committee will refrain (or cause the Retirement Trust to refrain) from selling any Retirement Shares pursuant to the Registration Statement (a "Suspension") until the Retirement Committee's receipt of copies of a supplemented or amended Prospectus prepared and filed by the Company, or until they are advised in writing by the Company that the current Prospectus may be used, and have received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its reasonable commercial efforts to cause the use of the Prospectus so suspended to be resumed as soon as possible after delivery of a Suspension Notice to the Retirement Committee. The Suspension and Suspension Notice described in this Section 1.2(d) shall be held in confidence and not disclosed by the Retirement Committee, except as required by law.

(e) The Retirement Committee may sell Retirement Shares under the Registration Statement provided that neither a Suspension nor a suspended disposition under Section 1.2(c) hereof is then in effect, the Retirement Committee sells in accordance with the plan of distribution in the Prospectus, and the Retirement Committee arranges for delivery of a current Prospectus to any transferee receiving such Retirement Shares in compliance with the Prospectus delivery requirements of the Securities Act.

1.3 Indemnification. For the purpose of this Section 1.3, the term “Registration Statement” shall include any preliminary or final Prospectus, exhibit, supplement or amendment included in or relating to the Registration Statement referred to in Section 1.1.

(a) Indemnification by the Company. The Company agrees to indemnify and hold harmless the Retirement Committee and the Trustee (including, for purposes of this Section 1.3, the officers, directors, employees and agents of the Trustee and individual members of the Retirement Committee), and each person, if any, who controls the Trustee or the Retirement Committee within the meaning of either Section 15 of the Securities Act or Section 20 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), from and against any and all losses, claims, damages, liabilities or expenses, joint or several, to which the Retirement Committee, the Trustee or such controlling person may become subject under the Securities Act, the Exchange Act, state securities law, federal income tax law, ERISA, or any other federal or state statutory law or regulation, or at common law or otherwise (including in settlement of any litigation, if such settlement is effected with the written consent of the Company, which consent shall not be unreasonably withheld or delayed), only to the extent such losses, claims, damages, liabilities or expenses (or actions in respect thereof as contemplated below) arise out of or are based upon (i) the Company’s breach of any representation or warranty hereunder, (ii) any failure on the part of the Company to comply with the covenants and agreements contained in this Agreement, or (iii) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement, the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state in any of them a material fact required to be stated therein or necessary to make the statements in any of them, in light of the circumstances under which they were made, not misleading, and will reimburse the Retirement Committee and the Trustee and each such controlling person for any legal and other expenses as such expenses are reasonably incurred by the Retirement Committee, the Trustee or such controlling person in connection with investigating, defending, settling, compromising or paying any such loss, claim, damage, liability, expense or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon (A) any untrue statement about the Trustee made in the Registration Statement, the Prospectus or any amendment or supplement of the Registration Statement or Prospectus which untrue statement was transcribed from information that the Trustee furnished in writing to the Company or (B) (with respect to expenses incurred by the Retirement Committee) any untrue statement or omission of a material fact required to make such statement not misleading in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Retirement Committee before the pertinent sale or sales by the Retirement Committee. The indemnification, hold-harmless, and release rights in favor of the Trustee set forth herein are in addition to any indemnification, hold-harmless, and release rights set forth elsewhere.

(b) Indemnification Procedure.

(i) Promptly after receipt by an indemnified party under this Section 1.3 of written notice of the threat or commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against an indemnifying party under this Section 1.3, promptly notify the indemnifying party in writing of the claim; provided, however, that the omission so to notify the indemnifying party will not relieve the indemnifying party from any liability which it may have to any indemnified party under the indemnity agreement contained in this Section 1.3 or otherwise, to the extent it is not prejudiced as a result of such failure.

(ii) In case any such action is brought against any indemnified party and such indemnified party seeks or intends to seek indemnity from an indemnifying party, the indemnifying party will be entitled to participate in, and to the extent that it may wish, jointly with all other indemnifying parties similarly notified, to assume the defense thereof with counsel reasonably satisfactory to such indemnified party; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be a conflict between the positions of the indemnifying party and the indemnified party in conducting the defense of any such action or that there may be legal defenses available to the indemnified party or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assume such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. Upon receipt of notice from the indemnifying party or other indemnified parties that are different from such indemnified party of its election so to assume the defense of such action and approval by the indemnified party of counsel, the indemnifying party will not be liable to such indemnified party under this Section 1.3 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof unless:

1) The indemnified party shall have employed such counsel in connection with the assumption of legal defenses in accordance with the proviso to the preceding sentence (it being understood, however, that the indemnifying party shall not be liable for the expenses of more than one separate counsel (other than local counsel), approved by such indemnifying party representing all of the indemnified parties who are parties to such action); or

2) The indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of commencement of the action.

In each such case, the reasonable fees and expenses of counsel shall be at the expense of the indemnifying party.

(c) Contribution. If the indemnification provided for in this Section 1.3 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, claim, damage, liability or expense referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, claim, damage, liability or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions that resulted in such loss, claim, damage, liability or expense, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, claims, damages, liabilities and expenses referred to above shall be deemed to include, subject to the limitations set forth in Section 1.3(b) hereof, any legal or other fees or expenses reasonably incurred by such party in connection with any investigation or proceeding.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 1.3(c) were determined by pro rata allocation or by any other method of allocation which does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 1.3(c), in no event shall the Trustee be required to contribute any amount in excess of the aggregate fees received by the Trustee pursuant to the Trust Agreement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person or entity who was not guilty of such fraudulent misrepresentation.

(d) Surviving Obligations. The obligation of the Company under this Section 1.3 shall survive the completion of the disposition of the Retirement Shares under this Section 1.

1.4 Rule 144 Information. For such period as the Retirement Trust or Retirement Plan holds any Retirement Shares received pursuant to the Retirement Contribution, the Company shall file all reports required to be filed by it under the Securities Act, the Exchange Act and the rules and regulations thereunder and shall take such further action to the extent required to enable the Trustee, as directed by the Retirement Committee, to sell the Retirement Shares pursuant to Rule 144.

1.5 Rights of the Retirement Trust. All of the rights and benefits conferred on the Retirement Committee and Trustee pursuant to this Agreement (other than the right to indemnification provided in Section 1.3) are intended to inure to the benefit of the Retirement Trust.

Section 2. Miscellaneous.

2.1 Governing Law. This Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of Idaho, irrespective of the choice of laws principles of the State of Idaho, as to all matters, including matters of validity, construction, effect, enforceability, performance and remedies.

2.2 Force Majeure. No party will have any liability for damages or delay due to fire, explosion, lightning, pest damage, power failure or surges, strikes or labor disputes, water or flood, acts of God, the elements, war, civil disturbances, acts of civil or military authorities or the public enemy, acts or omissions of communication or other carriers, or any other cause beyond a party's reasonable control (other than that which arises from the gross negligence or willful misconduct of such party), whether or not similar to the foregoing, that prevent such party from materially performing its obligation hereunder.

2.3 Entire Agreement; Modification; Waivers. This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and shall supersede all previous negotiation, commitments and writings with respect to the matters discussed herein. This Agreement may not be altered, modified or amended except by a written instrument signed by all parties. The failure of any party to require the performance or satisfaction of any term or obligation of this Agreement, or the waiver by any party of any breach of this Agreement, shall not prevent subsequent enforcement of such term or obligation or be deemed a waiver of any subsequent breach.

2.4 Severability. The provisions of this Agreement are severable, and in the event that any one or more provisions are deemed illegal or unenforceable the remaining provisions shall remain in full force and effect unless the deletion of such provision shall cause this Agreement to become materially adverse to either party, in which event the parties shall use reasonable commercial efforts to arrive at an accommodation that best preserves for the parties the benefits and obligations of the offending provision.

2.5 Notices. Except as otherwise expressly provided, any notice, request, demand or other communication permitted or required to be given under this Agreement shall be in writing, shall be sent by one of the following means to the Company, the Retirement Committee or the Trustee at the addresses set forth below (or to such other address as shall be designated hereunder by notice to the other parties and persons receiving copies, effective upon actual receipt), and shall be deemed conclusively to have been given: (a) on the first business day following the day timely

WHEREAS, the Trust Agreement dated January 12, 1981, as amended, between the Company, as grantor, and the Trustee, as successor trustee, governs a trust which holds Plan assets (the "Trust").

WHEREAS, the Company's Board of Directors (the "Board") appointed the Committee as a "named fiduciary" with respect to the Plan within the meaning of Section 402(a) of the Employee Retirement Income Security Act of 1974, as amended, ("ERISA").

WHEREAS, the Company desires, on the terms set forth in this Agreement, to contribute up to 1,870,749 shares of common stock of the Company, par value \$0.25 ("Common Stock"), that shall have, at the time of contribution, an aggregate value of \$5,500,002 (or such other amount as may subsequently be determined by the Committee to satisfy the minimum funding obligations of the Company to the Plan under ERISA for 2018 and part of 2019 (the "Minimum Obligations")) (the "Securities") to the Trust (the "Contribution").

WHEREAS, concurrently with the execution of this Agreement, the Company, the Committee, and the Trustee have executed that certain Registration Rights Agreement (the "Registration Rights Agreement"), dated as of the date hereof, under which the Company grants certain registration rights with respect to the Securities, on the terms and conditions set forth therein.

WHEREAS, concurrently with the execution of this Agreement, the Committee has executed a direction letter, dated as of the date hereof, which directs the Trustee to accept this Agreement and honor this Agreement's terms.

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements contained in this Agreement, and for other good and valuable consideration, the value, receipt and sufficiency of which are acknowledged, the parties hereby agree as follows:

1. CONTRIBUTION; VALUATION; AND REGISTRATION.

(a) Contributions of Securities. On the terms set forth in this Agreement, effective immediately, the Company hereby agrees to contribute to the Trust the Securities.

(b) Valuation. The Company and the Committee agree and acknowledge that the aggregate value of the Contribution as of the date hereof shall be as set forth above (or as the Company and the Committee may otherwise agree, provided that the Minimum Obligations are satisfied) and that such amount shall be applied as a credit against the obligation to fund the Trust for purposes of the Internal Revenue Code of 1986, as amended ("Code"), and ERISA. For purposes of this Agreement, such amount shall be considered the purchase price paid by the Trust for the Securities.

(c) Registration. The Securities will be subject to the Registration Rights Agreement.

2. REPRESENTATIONS AND WARRANTIES.

(a) Representations of the Company. The Company represents and warrants to the Committee and the Trustee as of the date hereof:

(i) The Company is validly existing as a corporation in good standing under the laws of the State of Delaware;

(ii) The Securities have been duly authorized and, when issued to and accepted by the Trust in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable shares of Common Stock;

(iii) This Agreement has been duly authorized, executed and delivered by the Company and the Registration Rights Agreement has been duly authorized, executed and delivered by the Company, and each constitutes a valid legally binding agreement of the Company enforceable against the Company in accordance with its terms except as such enforceability may be limited by bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles and except as to the enforceability of the indemnification or contribution provisions contained therein;

(iv) The issuance of the Securities to the Trust and the compliance by the Company with all of the provisions of the Registration Rights Agreement and this Agreement and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, any material indenture, mortgage, deed of trust, loan agreement or other material agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound, nor will such action result in any violation of the provisions of the Company's Certificate of Incorporation, as currently in effect, or Bylaws, as amended, by the Company or the charter or bylaws or similar governing documents of any of its subsidiaries or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their respective properties;

(v) No commission within the meaning of Section 408(e)(2) of ERISA, brokerage fee or other charge will become due or payable in connection with the execution and delivery of this Agreement and the transactions contemplated hereby, including the contribution of the Securities;

(vi) It is not necessary in connection with the offer, sale and delivery of the Securities by the Company to the Trust to register the Securities under the Securities Act of 1933, as amended, or under the securities laws of any state, because the Securities are exempt from such registration; the Securities have not been so registered; and the Company is issuing the Securities to the Trust in reliance upon an exemption from such registrations.

(vii) The Securities are qualifying employer securities (as defined in Section 407(d)(5)(B) of ERISA); and

(viii) Immediately after the Trust acquires the Securities, the fair market value of the Securities held by the Plan, together with the fair market value of other employer securities and employer real property held by the Plan, does not exceed 10 percent of the fair market value of the assets of the Plan, as required by Section 407(a)(2) of ERISA.

(b) Representations of the Committee. The Committee hereby represents and warrants to the Company and the Trustee as of the date hereof:

(i) The Committee understands and acknowledges that the Securities have not been registered under the Securities Act of 1933, as amended, or the securities laws of any state, and the Company is issuing the Securities to the Trust in reliance upon an exemption from such registrations;

(ii) The Committee acquired sufficient information to reach an informed and knowledgeable decision to accept the Contribution;

(iii) The Committee made an independent judgment as to its fiduciary obligations concerning the Securities and the Contribution contemplated by this Agreement and the Registration Rights Agreement;

(iv) The Committee shall not cause the Trust to dispose of the Securities except pursuant to an effective Registration Statement or an exemption from registration;

(v) The Committee shall not cause the Trust to dispose of the Securities in a manner that is contrary to the terms of the Registration Rights Agreement, as amended from time to time;

(vi) The Committee acknowledges that, in order to reflect the restrictions on the disposition of the Securities, the Securities may be subject to restrictive instructions from the Company to its transfer agent, or may be endorsed with the following legend, or one that is similar in effect:

“THE SECURITY EVIDENCED HEREBY (OR ITS PREDECESSOR) WAS ORIGINALLY ISSUED IN A TRANSACTION EXEMPT FROM REGISTRATION UNDER SECTION 5 OF THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), AND THE SECURITY EVIDENCED HEREBY MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN APPLICABLE EXEMPTION

THEREFROM. THE HOLDER OF THE SECURITY EVIDENCED HEREBY AGREES FOR THE BENEFIT OF THE COMPANY THAT (A) SUCH SECURITY MAY BE RESOLD, PLEDGED OR OTHERWISE TRANSFERRED, ONLY (1)(a) PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER (IF APPLICABLE) OR (b) IN ACCORDANCE WITH ANOTHER EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT (AND BASED UPON AN OPINION OF COUNSEL ACCEPTABLE TO THE COMPANY IF THE COMPANY SO REQUESTS), (2) TO THE COMPANY OR (3) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT AND, IN EACH CASE, IN ACCORDANCE WITH ANY APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION AND (B) THE HOLDER WILL, AND EACH SUBSEQUENT HOLDER IS REQUIRED TO, NOTIFY ANY PURCHASER OF THE SECURITY EVIDENCED HEREBY OF THE RESALE RESTRICTIONS SET FORTH IN CLAUSE (A) ABOVE. NO REPRESENTATION CAN BE MADE AS TO THE AVAILABILITY OF THE EXEMPTION PROVIDED BY RULE 144 FOR RESALE OF THE SECURITY EVIDENCED HEREBY.”

If any term or provision of this Agreement, or the application thereof to any Person or any circumstance, is held to be illegal, invalid or unenforceable, (i) a suitable and equitable provision shall be substituted therefor in order to carry out, so far as may be legal, valid and enforceable, the intent and purpose of such illegal, invalid or unenforceable provision and (ii) the remainder of this Agreement or such term or provision and the application of such term or provision to other Persons or circumstances shall remain in full force and effect and shall not be affected by such illegality, invalidity or unenforceability, nor shall such invalidity or unenforceability affect the legality, validity or enforceability of such term or provision, or the application thereof, in any jurisdiction.
