ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, or SEC, utilizing a “shelf” registration process. Under this shelf process, we may, from time to time, sell common stock, preferred stock, warrants, and debt securities as described in this prospectus, in one or more offerings.

This prospectus may not be used to sell securities unless accompanied by a prospectus supplement. This prospectus provides you with a general description of the common stock and other securities that we may offer. Each time we sell common stock or other securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering, including the specific amounts, prices and terms of the common stock or other securities offered. The prospectus supplements may also add, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with the additional information described under the heading “Where You Can Find More Information” and “Incorporation of Certain Documents By Reference.”

This prospectus and any accompanying prospectus supplement do not contain all of the information included in the registration statement as permitted by the rules and regulations of the SEC. For further information, we refer you to the registration statement on Form S-3, including its exhibits. We are subject to the informational requirements of the Securities Exchange Act of 1934 and, therefore, file reports and other information with the SEC. Our file number with the SEC is 1-8491. Statements contained in this prospectus and any accompanying prospectus supplement or other offering material about the provisions or contents of any agreement or other document are only summaries. If SEC rules require that any agreement or document be filed as an exhibit to the registration statement, you should refer to that agreement or document for its complete contents.

Unless otherwise stated or the context otherwise requires, references in this prospectus to “Hecla,” “we,” “our,” “us” or the “Company” refer to Hecla Mining Company and its subsidiaries.

You should rely only on the information contained or incorporated by reference in this prospectus. We have not authorized anyone to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not making an offer to sell these securities in any jurisdiction where the offer or sale is not permitted.

You should not assume that the information provided in this prospectus, any prospectus supplement or any other offering material is accurate as of any date other than the date on the front of those documents, as applicable. Our business, financial condition, results of operations and prospects may have changed since that date.

INFORMATION REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained in this prospectus and other public filings (including information incorporated by reference) are “forward-looking statements” and are intended to be covered by the safe harbor provided for under Section 27A of the Securities Act of 1933, as amended (the “Securities Act”), and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Our forward-looking statements include our current expectations and projections about future production, results, performance, prospects and opportunities, including reserves, resources and other mineralization. We have tried to identify these forward-looking statements by using words such as “may,” “might,” “will,” “expect,” “anticipate,” “believe,” “could,” “intend,” “plan,” “estimate” and similar expressions. These forward-looking statements are based on information currently available to us and are expressed in good faith and believed to have a reasonable basis. However, our forward-looking statements are subject to a number of risks, uncertainties and other factors that could cause our actual production, results, performance, prospects or opportunities, including reserves, resources and other mineralization, to differ materially from those expressed in, or implied by, these forward-looking statements.

Table of Contents

These risks, uncertainties and other factors include, but are not limited to, those set forth in our Annual Report on Form 10-K for the year ended December 31, 2018, which is incorporated by reference in this prospectus, in any other SEC Reports we file and in this prospectus, including the following:

- a substantial or extended decline in metals prices would have a material adverse effect on us;
- we have limited cash resources and are dependent on access to our revolving credit facility or alternative financing to meet our working capital needs;
- the acquisition of Klondex increased our exposure to gold price volatility;
- we have had losses that could reoccur in the future;
- an extended decline in metals prices, an increase in operating or capital costs, mine accidents or closures, increasing environmental obligations, or our inability to convert exploration potential to reserves may cause us to record write-downs, which could negatively impact our results of operations;
- global financial events or developments impacting major industrial or developing countries may have an impact on our business and financial condition in ways that we currently cannot predict;
- recently enacted tariffs, other potential changes to tariff and import/export regulations, and ongoing trade disputes between the United States and other jurisdictions may have a negative effect on global economic conditions and our business, financial results and financial condition;
- commodity and currency risk management activities could prevent us from realizing possible revenues or lower costs, or expose us to losses;
- our profitability could be affected by the prices of other commodities;
- our accounting and other estimates may be imprecise;
- our ability to recognize the benefits of deferred tax assets is dependent on future cash flows and taxable income;
- returns for investments in pension plans and pension plan funding requirements are uncertain;
- mining accidents or other adverse events at an operation could decrease our anticipated production or otherwise adversely affect our operations;
- our operations may be adversely affected by risks and hazards associated with the mining industry that may not be fully covered by insurance;
- our costs of development of new orebodies and other capital costs may be higher and provide less return than we estimated;
- our ore reserve estimates may be imprecise;
- efforts to expand the finite lives of our mines may not be successful or could result in significant demands on our liquidity, which could hinder our growth;
- our ability to market our metals production may be affected by disruptions or closures of smelters and/or refining facilities;
- our business depends on availability of skilled miners and good relations with employees;
- shortages of critical parts and equipment may adversely affect our operations and development projects;
- our information technology systems may be vulnerable to disruption which could place our systems at risk from data loss, operational failure, or compromise of confidential information;
- our foreign activities are subject to additional inherent risks;
- our operations and properties in Canada expose us to additional political risks;

Table of Contents

- certain of our mines and exploration properties in Nevada are located on land that is or may become subject to traditional territory, title claims and/or claims of cultural significance by certain Native American tribes, and such claims and the attendant obligations of the federal government to those tribal communities and stakeholders may affect our current and future operations;
- we may be subject to a number of unanticipated risks related to inadequate infrastructure;
- competition from other mining companies may harm our business;
- we face inherent risks in acquisitions of other mining companies or properties that may adversely impact our growth strategy;
- we may be unable to successfully integrate the operations of the properties we acquire, including our recently-acquired Nevada operations;
- we may not realize all of the anticipated benefits from our acquisitions, including our recent acquisition of Klondex;
- the properties we may acquire may not produce as expected, and we may be unable to determine reserve potential, identify liabilities associated with the acquired properties or obtain protection from sellers against such liabilities;
- our joint development and operating arrangements may not be successful;
- we are currently involved in ongoing legal disputes that may materially adversely affect us;
- we are required to obtain governmental permits and other approvals in order to conduct mining operations;
- we face substantial governmental regulation, including the Mine Safety and Health Act, various environmental laws and regulations and the 1872 Mining Law;
- our operations are subject to complex, evolving and increasingly stringent environmental laws and regulations. Compliance with environmental regulations, and litigation based on such regulations, involves significant costs and can threaten existing operations or constrain expansion opportunities;
- state ballot initiatives could impact our operations;
- legal challenges could prevent the Rock Creek or Montanore projects from ever being developed;
- mine closure and reclamation regulations impose substantial costs on our operations and include requirements that we provide financial assurance supporting those obligations. These costs could significantly increase;
- our environmental obligations may exceed the provisions we have made;
- we face risks relating to transporting our products, as well as transporting employees and materials at Greens Creek;
- the titles to some of our properties may be defective or challenged;
- the price of our stock has a history of volatility and could decline in the future;
- our Series B preferred stock has a liquidation preference of \$50 per share or \$7.9 million;
- we may not be able to pay common or preferred stock dividends in the future;
- our existing stockholders are effectively subordinated to the holders of our Senior Notes;
- additional issuances of equity securities by us would dilute the ownership of our existing stockholders and could reduce earnings per share;
- the issuance of additional shares of our preferred or common stock in the future could adversely affect holders of common stock;

Table of Contents

- if a large number of shares of our common stock are sold in the public market, the sales could reduce the trading price of our common stock and impede our ability to raise future capital;
- the provisions in our certificate of incorporation, our by-laws and Delaware law could delay or deter tender offers or takeover attempts;
- if we cannot meet the New York Stock Exchange continued listing requirements, the NYSE may delist our common stock;
- our level of debt could impair our financial health and prevent us from fulfilling our obligations under our existing and future indebtedness;
- any downgrade in the credit ratings assigned to us or our debt securities could increase future borrowing costs, adversely affect the availability of new financing and may result in increased collateral requirements under our existing surety bond portfolio;
- our Senior Notes and the guarantees thereof are effectively subordinated to any of our and our guarantors' secured indebtedness to the extent of the value of the collateral securing that indebtedness;
- we may be unable to generate sufficient cash to service all of our indebtedness and meet our other ongoing liquidity needs and may be forced to take other actions to satisfy our obligations under our indebtedness, which may be unsuccessful;
- the terms of our debt impose restrictions on our operations;
- our Senior Notes are structurally subordinated to all liabilities of our non-guarantor subsidiaries;
- our variable rate indebtedness subjects us to interest rate risk, which could cause our indebtedness service obligations to increase significantly;
- key terms of the Senior Notes will be suspended if the Senior Notes achieve investment grade ratings and no default or event of default has occurred and is continuing;
- we may be unable to repurchase Senior Notes in the event of a change of control as required by the indenture;
- holders of the Senior Notes may not be able to determine when a change of control giving rise to their right to have the Senior Notes repurchased has occurred following a sale of "substantially all" of our assets; and
- federal and state fraudulent transfer laws may permit a court to void the Senior Notes or any of the guarantees thereof, and if that occurs, holders of the Senior Notes may not receive any payments on the notes.

Given these risks and uncertainties, readers are cautioned not to place undue reliance on our forward-looking statements. Projections and other forward-looking statements included in this prospectus have been prepared based on assumptions, which we believe to be reasonable, but not in accordance with United States generally accepted accounting principles ("GAAP") or any guidelines of the SEC. Actual results may vary, perhaps materially. You are strongly cautioned not to place undue reliance on such projections and other forward-looking statements. All subsequent written and oral forward-looking statements attributable to Hecla Mining Company or to persons acting on our behalf are expressly qualified in their entirety by these cautionary statements. Except as required by federal securities laws, we disclaim any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

HECLA MINING COMPANY

Hecla Mining Company and our subsidiaries have provided precious and base metals to the U.S. economy and worldwide since 1891. We discover, acquire, develop, produce, and market silver, gold, lead and zinc. In doing so, we intend to manage our business activities in a safe, environmentally responsible and cost-effective manner.

Table of Contents

We produce lead, zinc and bulk concentrates, which we sell to custom smelters and brokers, and unrefined precipitate and bullion bars (doré) containing gold and silver, which are further refined before sale to precious metals traders. We are organized and managed into five segments that encompass our operating units: the Greens Creek unit, the Lucky Friday unit, the Casa Berardi unit, the San Sebastian unit, and the Nevada Operations unit.

On July 20, 2018, we acquired all of the issued and outstanding common shares of Klondex Mines Ltd. for approximately US\$153 million and 75 million shares of our common stock. Klondex is a primarily gold mining company with three producing mineral properties, all located in the State of Nevada.

The map below shows the locations of our operating units and our exploration and pre-development projects, as well as our corporate offices located in Coeur d'Alene, Idaho and Vancouver, British Columbia.

Our principal executive offices are located at 6500 N. Mineral Drive, Suite 200, Coeur d'Alene, Idaho 83815-9408. Our telephone number is (208) 769-4100. Our web site address is www.hecla-mining.com.

RISK FACTORS

Investment in our securities involves risks. You should carefully consider the risk factors incorporated by reference to our most recent Annual Report on Form 10-K and any subsequent Quarterly Reports on Form 10-Q or Current Reports on Form 8-K we file after the date of this prospectus, and all other information contained or incorporated by reference into this prospectus, as updated by our subsequent filings under the Exchange Act, as well as the risk factors and other information contained in any prospectus supplement, before acquiring any of such securities. The risks incorporated herein by reference, any of which could materially and adversely affect our business, financial condition, cash flows and results of operations, are the material risks of which we are currently aware; however, they may not be the only risks that we may face. Any of these risks could materially and adversely affect our business, financial condition, results of operations and cash flows. In that case, you may lose all or part of your investment.

USE OF PROCEEDS

Unless otherwise indicated in the applicable prospectus supplement, we intend to use the net proceeds of any securities sold for general corporate purposes. This may include, among other things, additions to working capital, repayment or refinancing of existing indebtedness or other corporate obligations, financing of capital expenditures and acquisitions, investment in existing and future projects, and repurchases and redemptions of securities. Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of other indebtedness.

DESCRIPTION OF CAPITAL STOCK

The following summary is not complete. You should refer to the applicable provisions of our Restated Certificate of Incorporation, and our Bylaws, as amended, and to Delaware corporate law for a complete understanding of the terms and rights of our common and preferred stock.

Common Stock

We are authorized to issue 750,000,000 shares of common stock, \$0.25 par value per share, of which 482,987,752 shares of common stock were outstanding as of February 19, 2019. All of our currently outstanding shares of common stock are listed on the New York Stock Exchange under the symbol "HL."

Subject to the rights of the holders of any outstanding shares of preferred stock, each share of common stock is entitled to: (i) one vote on all matters presented to the stockholders, with no cumulative voting rights; (ii) receive such dividends as may be declared by the Board of Directors out of funds legally available therefor; and (iii) in the event of our liquidation or dissolution, share ratably in any distribution of our assets.

Holders of shares of common stock do not have preemptive rights or other rights to subscribe for unissued or treasury shares or securities convertible into such shares, and no redemption or sinking fund provisions are applicable. All outstanding shares of common stock are fully paid and nonassessable.

In September 2011 and February 2012, our Board of Directors adopted a common stock dividend policy that has two components: (1) a dividend that links the amount of dividends on our common stock to our average quarterly realized silver price in the preceding quarter, and (2) a minimum annual dividend of \$0.01 per share of common stock, in each case payable quarterly, when declared. The following table summarizes the common

Because the average realized silver prices for all periods in 2015, 2016, 2017, 2018 and the first two months of 2019 were below the minimum threshold of \$30, according to the policy no silver-price-linked component was declared or paid. Prior to 2011, no dividends had been declared on our common stock since 1990. We cannot pay dividends on our common stock if we fail to pay dividends on our Series B preferred stock. The declaration and payment of common stock dividends is at the sole discretion of our Board of Directors, and there can be no assurance that we will continue to declare and pay common stock dividends in the future.

Preferred Stock

Our Restated Certificate of Incorporation authorizes us to issue 5,000,000 shares of preferred stock, par value \$0.25 per share. The preferred stock is issuable in series with such voting rights, if any, designations, powers, preferences and other rights and such qualifications, limitations and restrictions as may be determined by our Board of Directors. The Board may fix the number of shares constituting each series and increase or decrease the number of shares of any series. As of February 22, 2019, 157,816 shares were outstanding, all of which were shares of Series B preferred stock. All of the shares of our Series B preferred stock are listed on the New York Stock Exchange under the symbol "HL PB."

Ranking

The Series B preferred stock ranks senior to our common stock and any shares of Series A junior participating preferred stock (none of which have ever been issued) with respect to payment of dividends, and amounts due upon liquidation, dissolution or winding up.

While any shares of Series B preferred stock are outstanding, we may not authorize the creation or issuance of any class or series of stock that ranks senior to the Series B preferred stock as to dividends or amounts due upon liquidation, dissolution or winding up without the consent of the holders of 66 2/3% of the outstanding

Table of Contents

shares of Series B preferred stock and any other series of preferred stock ranking on a parity with the Series B preferred stock as to dividends and amounts due upon liquidation, dissolution or winding up, voting as a single class without regard to series.

Dividends

Series B preferred stockholders are entitled to receive, when, as and if declared by the Board of Directors out of our assets legally available therefor, cumulative cash dividends at the rate per annum of \$3.50 per share of Series B preferred stock. Dividends on the Series B preferred stock are payable quarterly in arrears on October 1, January 1, April 1 and July 1 of each year (and, in the case of any undeclared and unpaid dividends, at such additional times and for such interim periods, if any, as determined by the Board of Directors), at such annual rate. Dividends are cumulative from the date of the original issuance of the Series B preferred stock, whether or not in any dividend period or periods we have assets legally available for the payment of such dividends. Accumulations of dividends on shares of Series B preferred stock do not bear interest.

All quarterly dividends on our Series B preferred stock for 2015, 2016, 2017, 2018 and the first quarter of 2019 were declared and paid in cash.

Redemption

The Series B preferred stock is redeemable at our option, in whole or in part, at \$50 per share, plus, in each case, all dividends undeclared and unpaid on the Series B preferred stock up to the date fixed for redemption.

Liquidation Preference

The Series B preferred stockholders are entitled to receive, in the event that we are liquidated, dissolved or wound up, whether voluntary or involuntary, \$50 per share of Series B preferred stock plus an amount per share equal to all dividends undeclared and unpaid thereon to the date of final distribution to such holders (the "Liquidation Preference"), and no more. Until the Series B preferred stockholders have been paid the Liquidation Preference in full, no payment will be made to any holder of Junior Stock upon our liquidation, dissolution or winding up. The term "junior stock" means our common stock and any other class of our capital stock issued and outstanding that ranks junior as to the payment of dividends or amounts payable upon liquidation, dissolution and winding up to the Series B preferred stock. As of December 31, 2018, our Series B preferred stock had an aggregate Liquidation Preference of \$7.9 million.

Voting Rights

Except in certain circumstances and as otherwise from time to time required by applicable law, the Series B preferred stockholders have no voting rights and their consent is not required for taking any corporate action. When and if the Series B preferred stockholders are entitled to vote, each holder will be entitled to one vote per share.

Conversion

Each share of Series B preferred stock is convertible, in whole or in part at the option of the holders thereof, into shares of common stock at a conversion price of \$15.55 per share of common stock (equivalent to a conversion rate of 3.2154 shares of common stock for each share of Series B preferred stock). The right to convert shares of Series B preferred stock called for redemption will terminate at the close of business on the day preceding a redemption date (unless we default in payment of the redemption price).

Provisions with Possible Anti-Takeover Effects

The provisions in our Restated Certificate of Incorporation, our Bylaws, as amended, and Delaware law could make it more difficult for a third party to acquire control of us, even if that transaction would be beneficial to stockholders. These impediments include:

- the classification of our Board of Directors into three classes serving staggered three-year terms, which makes it more difficult to quickly replace board members;
- the ability of our Board of Directors to issue shares of preferred stock with rights as it deems appropriate without stockholder approval;
- a provision that special meetings of our Board of Directors may be called only by our chief executive officer or a majority of our Board of Directors;
- a provision that special meetings of stockholders may only be called pursuant to a resolution approved by a majority of our entire Board of Directors;
- a prohibition against action by written consent of our stockholders;
- a provision that our board members may only be removed for cause and by an affirmative vote of at least 80% of the outstanding voting stock;
- a provision that our stockholders comply with advance-notice provisions to bring director nominations or other matters before meetings of our stockholders;
- a prohibition against certain business combinations with an acquirer of 15% or more of our common stock for three years after such acquisition unless the stock acquisition or the business combination is approved by our board prior to the acquisition of the 15% interest, or after such acquisition our board and the holders of two-thirds of the other common stock approve the business combination; and
- a prohibition against our entering into certain business combinations with interested stockholders without the affirmative vote of the holders of at least 80% of the voting power of the then outstanding shares of voting stock.

Exercise of Warrants

Each warrant will entitle the holder of the warrant to purchase the principal amount of debt securities or number of shares of preferred stock or common stock at the exercise price as shall in each case be set forth in, or be determinable as set forth in, the prospectus supplement relating to the warrants offered by the applicable prospectus supplement. Warrants may be exercised at any time up to the close of business on the expiration date set forth in the applicable prospectus supplement. After the close of business on the expiration date, unexercised warrants will become void.

Upon receipt of payment and the warrant certificate properly completed and duly executed at the corporate trust office of the warrant agent or any other office indicated in the prospectus supplement, we will, as soon as practicable, forward the debt securities or shares of preferred stock or common stock to be purchased upon such exercise. If less than all of the warrants represented by a warrant certificate are exercised, a new warrant certificate will be issued for the remaining warrants.

Prior to the exercise of any warrants to purchase debt securities, preferred stock or common stock, holders of the warrants will not have any of the rights of holders of the debt securities, preferred stock or common stock, including:

- in the case of warrants for the purchase of debt securities, the right to receive payments of principal of, or any premium or interest on, the debt securities purchasable upon exercise or to enforce covenants in the applicable indenture; or

DESCRIPTION OF DEBT SECURITIES

The following is a general description of the debt securities that we may offer from time to time. The particular terms of the debt securities offered by any prospectus supplement and the extent, if any, to which the general provisions described below may apply to those securities will be described in the applicable prospectus supplement. We also may sell hybrid securities that combine certain features of debt securities and other securities described in this prospectus. As you read this section, please remember that the specific terms of a debt security as described in the applicable prospectus supplement will supplement and may modify or replace the general terms described in this section. If there are differences between the applicable prospectus supplement and this prospectus, the applicable prospectus supplement will control. As a result, the statements we make in this section may not apply to the debt security you purchase.

Additional 2021 Notes under the 2013 Indenture

On April 12, 2013, we completed an offering of \$500 million in aggregate principal amount of our Senior Notes due May 1, 2021. In 2014, we issued an additional \$6.5 million aggregate principal amount of the Senior Notes due May 1, 2021 to our pension plan in order to satisfy the plan funding requirement for 2014 (all of our Senior Notes due May 1, 2021 are referred to collectively as the “2021 Notes”). The 2021 Notes are governed by the Indenture, dated as of April 12, 2013, as supplemented, among Hecla Mining Company and certain of our subsidiaries and The Bank of New York Mellon Trust Company, N.A., as trustee (the “2013 Indenture”). The 2013 Indenture has been filed as an exhibit to the registration statement of which this prospectus is a part and is subject to, and governed by, the Trust Indenture Act of 1939.

We may offer additional 2021 Notes, which additional notes would be issued pursuant to the 2013 Indenture. If we offer additional 2021 Notes, we will describe the terms of such notes in a prospectus supplement applicable to such offering. Except as specifically set forth in such prospectus supplement, the general terms of our debt securities discussed below will not apply to the 2021 Notes.

Other Debt Securities

The debt securities will represent unsecured general obligations of the Company, unless otherwise provided in the prospectus supplement. As indicated in the applicable prospectus supplement, the debt securities will either be senior debt, senior to all future subordinated indebtedness of the Company and pari passu with other current and future unsecured, unsubordinated indebtedness of the Company or, in the alternative, subordinated debt subordinate in right of payment to current and future senior debt or pari passu with other future subordinated indebtedness of the Company. The debt securities will be issued under an indenture in the form that is filed as Exhibit 4.3(d) to the registration statement of which this prospectus is a part and incorporated by reference herein, subject to such amendments or supplemental indentures as are adopted from time to time. The indenture will be executed by the Company and one or more trustees. The following summary of certain provisions of the indenture does not purport to be complete and is subject to, and qualified in its entirety by, reference to all the provisions of the indenture, including the definitions therein of certain terms. Capitalized terms used in this section and not defined have the meanings assigned to those terms in the indenture. Wherever particular sections

or defined terms of the indenture are referred to, it is intended that such sections or defined terms shall be incorporated herein by reference.

General

Unless otherwise indicated in a prospectus supplement, the indenture under which we may issue the debt securities will have the following provisions.

The indenture will not limit the amount of debt securities that may be issued thereunder. Reference is made to the prospectus supplement for the following terms of the debt securities offered pursuant thereto: (i) designation (including whether they are senior debt or subordinated debt and whether such debt is convertible), aggregate principal amount, purchase price and denomination; (ii) the date of maturity; (iii) interest rate or rates (or method by which such rate will be determined), if any; (iv) the dates on which any such interest will be payable and the method of payment (cash or common stock); (v) the place or places where the principal of and interest, if any, on the debt securities will be payable; (vi) any redemption or sinking fund provisions; (vii) any rights of the holders of debt securities to convert the debt securities into other securities or property of the Company; (viii) the terms, if any, on which such debt securities will be subordinate to other debt of the Company; (ix) if other than the principal amount thereof, the portion of the principal amount of the debt securities that will be payable upon declaration of acceleration of the maturity thereof or provable in bankruptcy; (x) any events of default in addition to or in lieu of those described herein and remedies therefor; (xi) any trustees, authenticating or paying agents, transfer agents or registrars or any other agents with respect to the debt securities; (xii) listing (if any) on a securities exchange; (xiii) whether such debt securities will be certificated or in book-entry form; and (xiv) any other specific terms of the debt securities, including any additional events of default or covenants provided for with respect to debt securities, and any terms that may be required by or advisable under United States laws or regulations.

Debt securities may be presented for exchange, conversion or transfer in the manner, at the places and subject to the restrictions set forth in the debt securities and the prospectus supplement. The Company may charge a reasonable fee for such services, subject to the limitations provided in the indenture.

Debt securities will bear interest at a fixed rate or a floating rate. Debt securities bearing no interest or interest at a rate that, at the time of issuance, is below the prevailing market rate, will be sold at a discount below their stated principal amount. Special United States federal income tax considerations applicable to any such discounted debt securities or to any debt securities issued at par that is treated as having been issued at a discount for United States income tax purposes will be described in the relevant prospectus supplement.

The indenture will not contain any covenant or other specific provision affording protection to holders of the debt securities in the event of a highly leveraged transaction or a change in control of the Company, except to the limited extent described below under “— Consolidation, Merger and Sale of Assets.” The Company’s restated certificate of incorporation also contains other provisions that may prevent or limit a change of control.

Modification and Waiver

The indenture will provide that modifications and amendments of the indenture may be made by the Company and the Trustee, with the consent of the holders of a majority in aggregate principal amount of the outstanding Securities issued under the indenture that are affected by the modification or amendment voting as one class; provided that no such modification or amendment may, without the consent of the holder of each such Security affected thereby, among other things: (1) change the stated maturity of principal of, or any installment of principal of or interest on, any Security, (2) reduce the rate of or extend the time of payment of interest, if any, on any Security or alter the manner of calculation of interest payable on any Security (except as part of any remarketing of the Securities of any series, or any interest rate reset with respect thereto in each case in accordance with the terms thereof), (3) reduce the principal amount or premium, if any, on any Security,

Table of Contents

(4) make the principal amount or premium, if any, or interest, if any, on any Security payable in any coin or currency other than that provided in any Security, (5) reduce the percentage in principal amount of Securities of any series the holders of which are required to consent to any such supplemental indenture or any waiver of any past default or Event of Default, (6) change any place of payment where the Securities of any series or interest thereon is payable, or (7) impair the right of any holder of a Security to institute suit for any such payment, reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon an acceleration of the maturity thereof, adversely affect the right of repayment, if any, at the option of the holder or extend the time or reduce the amount of any payment to any sinking fund or analogous obligation relating to any Security. Any amendment or waiver that waives, changes or eliminates any covenant or other provision of the indenture that has expressly been included solely for the benefit of one or more particular series, or that modifies the rights of the holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under the indenture of the holders of Securities of any other series.

The indenture will provide that a supplemental indenture that changes or eliminates any covenant or other provision of the indenture that has expressly been included solely for the benefit of one or more particular series of debt securities, or that modifies the rights of the holders of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under the indenture of the holders of debt securities of any other series.

The indenture in the form filed as an exhibit hereto, and each supplemental indenture entered into thereunder, will provide that the Company and the applicable trustee may, without the consent of the holders of any series of debt securities issued thereunder, amend the indenture or enter into supplemental indentures for one or more of the following purposes: (1) to evidence the succession of another corporation to the Company and the assumption by any such successor of the covenants, agreements and obligations of the Company in the indenture and in the debt securities issued thereunder, (2) to add any additional Events of Default; (3) to cure any ambiguity, defect or inconsistency; (4) to make any change that does not adversely affect the interests of the holders of any series of debt securities issued thereunder; (5) to establish the form and terms of debt securities issued thereunder; (6) to set forth the conversion rights of any series; and (7) to set forth the provisions regarding subordination of any series.

Events of Default

Unless otherwise provided in any prospectus supplement, the following will be events of default under the indenture with respect to each series of debt securities issued thereunder: (1) the Company defaults in the payment of interest on any Security of that series when the same becomes due and payable and such Default continues for a period of 30 days; (2) the Company defaults in the payment of the principal of any Security of that series when the same becomes due and payable at maturity, upon redemption or otherwise; (3) the Company fails to comply with any of its other agreements in the Securities of that series or the indenture with respect to that series and such failure continues for the period and after the notice specified in the indenture; (4) the Company pursuant to or within the meaning of any bankruptcy law: (A) commences a voluntary case, (B) consents to the entry of an order for relief against it in an involuntary case, (C) consents to the appointment of a custodian of it or for all or substantially all of its property, or (D) makes a general assignment for the benefit of its creditors; (5) a court of competent jurisdiction enters an order or decree under any bankruptcy law that: (A) is for relief against the Company in an involuntary case, (B) appoints a custodian of the Company or for all or substantially all of its property, or (C) orders the liquidation of the Company, and the order or decree remains unstayed and in effect for 60 days; or (6) an Event of Default provided in the establishing securities resolution or supplemental indenture for that series occurs. Any event of default with respect to particular series of debt securities under the indenture may be waived by the holders of a majority in aggregate principal amount of the outstanding debt securities of such series (voting as a class), except in each case a failure to pay principal or interest on such debt securities or a default in respect of a covenant or provision which cannot be modified or amended without the consent of each holder affected thereby.

Table of Contents

The Company will be required to furnish to the Trustee annually a statement as to its compliance with all conditions and covenants in the indenture.

The indenture will contain a provision entitling the Trustee to be indemnified by the holders of Securities before proceeding to exercise any trust or power under the indenture at the request of such holders. The indenture will provide that the holders of a majority in aggregate principal amount of the then outstanding Securities of any series may direct the time, method and place of conducting any proceedings for any remedy available to the Trustee or of exercising any trust or power conferred upon the Trustee with respect to the Securities of such series; provided, however, that the Trustee may decline to follow any such direction if, among other reasons, the Trustee determines in good faith that the actions or proceedings as directed may not lawfully be taken, would involve the Trustee in personal liability or would be unduly prejudicial to the holders of the Securities of such series not joining in such direction. The right of a holder to institute a proceeding with respect to the indenture will be subject to certain conditions precedent including, without limitation, that the holders of not less than 25% in aggregate principal amount of the Securities of such series then outstanding under the indenture make a request upon the Trustee to exercise its powers under the indenture, indemnify the Trustee and afford the Trustee reasonable opportunity to act, but the holder has an absolute right to receipt of the principal of, premium, if any, and interest when due on the Securities, to require conversion of Securities if the indenture provides for convertibility at the option of the holder and to institute suit for the enforcement thereof.

Consolidation, Merger and Sale of Assets

The indenture will provide that the Company may not consolidate with, merge into or sell, convey or lease all or substantially all of its assets to any person unless the Company is the surviving corporation or the successor person is a corporation organized under the laws of any domestic or Canadian jurisdiction and assumes the Company's obligations on the debt securities issued thereunder, and under the indenture, and after giving effect thereto no event of default, and no event that, after notice or lapse of time or both, would become an event of default shall have occurred and be continuing, and that certain other conditions are met.

Certain Covenants

Payment of Securities. The Company shall pay the principal of and interest on the Securities of any series on the dates and in the manner provided in the Securities of such series and the indenture. The Company shall pay interest on overdue principal of any series at the rate borne by the Securities of any series; it shall pay interest on overdue Defaulted Interest at the same rate to the extent lawful.

SEC Reports. The Company shall file with the Trustee within 15 days after it files them with the SEC copies of the annual reports and of the information, documents, and other reports which the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. The Company will cause any quarterly and annual reports which it makes available to its stockholders to be mailed to the holders of Securities. The Company will also comply with the other provisions of § 314(a) of the Trust Indenture Act of 1939. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute notice or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Compliance Certificate. The Company shall deliver to the Trustee, no later than May 1 of each year (beginning with the first May 1 following the first date of issuance of any Securities under the indenture), a brief certificate signed by the principal executive officer, principal financial officer or principal accounting officer of the Company, as to the signer's knowledge of the Company's compliance with all conditions and covenants contained in the indenture (determined without regard to any period of grace or requirement of notice provided herein).

Table of Contents

Notice of Certain Events. The Company shall give prompt written notice to the Trustee and any Paying Agent with respect to any series of (i) any Proceeding, (ii) any Default or Event of Default, (iii) any cure or waiver of any Default or Event of Default, and (iv) if and when the Securities of such series are listed on any stock exchange.

Additional Covenants. Any additional covenants of the Company with respect to any series of debt securities will be set forth in the prospectus supplement relating thereto.

Conversion Rights

The terms and conditions, if any, upon which the debt securities are convertible into common stock will be set forth in the applicable prospectus supplement relating thereto. Such terms will include the conversion price (or manner of calculation thereof), the conversion period, provisions as to whether conversion will be at the option of the holders or the Company, the events requiring an adjustment of the conversion price and provisions affecting conversion in the event of redemption of such debt securities and any restrictions on conversion.

Discharge, Defeasance and Covenant Defeasance

The indenture will provide with respect to each series of Securities issued thereunder that the Company may terminate its obligations under such Securities of a series and the indenture with respect to Securities of such series when (1) either (A) all Securities theretofore authenticated and delivered (other than (i) Securities which have been destroyed, lost or stolen and which have been replaced or paid and (ii) Securities for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation; or (B) all such Securities not theretofore delivered to the Trustee for cancellation (i) have become due and payable, or (ii) will become due and payable at their stated maturity within one year, or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company in the case of (i), (ii), and (iii) above, has deposited or caused to be deposited with the Trustee for that purpose an amount of money or U.S. Government Obligations sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the stated maturity or redemption date, as the case may be; (2) the Company has paid or caused to be paid all other sums payable under the indenture by the Company; and (3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of the indenture have been complied with. Thereafter, only the Company's obligations to compensate and indemnify the Trustee and its right to recover excess money held by the Trustee shall survive.

Applicable Law

The indenture will provide that the debt securities and the indenture will be governed by and construed in accordance with the laws of the State of New York.

DESCRIPTION OF GUARANTIES

We will set forth in the applicable prospectus supplement a description of any guaranties that may be offered pursuant to this prospectus. The guaranties will be governed by the laws of the State of New York.

PLAN OF DISTRIBUTION

The securities being offered by this prospectus may be sold by us:

- through agents;
- to or through underwriters;
- through broker-dealers (acting as agent or principal);
- directly by us to purchasers, through a specific bidding or auction process or otherwise; or
- through a combination of any such methods of sale.

The distribution of securities may be effected from time to time in one or more transactions, including block transactions and transactions on the New York Stock Exchange or any other organized market where the securities may be traded. The securities may be sold at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices relating to the prevailing market prices or at negotiated prices. The consideration may be cash or another form negotiated by the parties. Agents, underwriters or broker-dealers may be paid compensation for offering and selling the securities. That compensation may be in the form of discounts, concessions or commissions to be received from us or from the purchasers of the securities. Dealers and agents participating in the distribution of the securities may be deemed to be underwriters, and compensation received by them on resale of the securities may be deemed to be underwriting discounts. If such dealers or agents were deemed to be underwriters, they may be subject to statutory liabilities under the Securities Act.

Agents may from time to time solicit offers to purchase the securities. If required, we will name in the applicable prospectus supplement any agent involved in the offer or sale of the securities and set forth any compensation payable to the agent. Unless otherwise indicated in the prospectus supplement, any agent will be acting on a best efforts basis for the period of its appointment. Any agent selling the securities covered by this prospectus may be deemed to be an underwriter, as that term is defined in the Securities Act, of the securities.

If underwriters are used in a sale, securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale, or under delayed delivery contracts or other contractual commitments. Securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If an underwriter or underwriters are used in the sale of securities, an underwriting agreement will be executed with the underwriter or underwriters at the time an agreement for the sale is reached. The applicable prospectus supplement will set forth the managing underwriter or underwriters, as well as any other underwriter or underwriters, with respect to a particular underwritten offering of securities, and will set forth the terms of the transactions, including compensation of the underwriters and dealers and the public offering price, if applicable. The prospectus and prospectus supplement will be used by the underwriters to resell the securities.

If a dealer is used in the sale of the securities, we or an underwriter will sell the securities to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. To the extent required, we will set forth in the prospectus supplement the name of the dealer and the terms of the transactions.

We may directly solicit offers to purchase the securities and we may make sales of securities directly to institutional investors or others. These persons may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale of the securities. To the extent required, the prospectus supplement will describe the terms of any such sales, including the terms of any bidding or auction process, if used.

Agents, underwriters and dealers may be entitled under agreements which may be entered into with us to indemnification by us against specified liabilities, including liabilities incurred under the Securities Act, or to

Table of Contents

contribution by us to payments they may be required to make in respect of such liabilities. If required, the prospectus supplement will describe the terms and conditions of such indemnification or contribution. Some of the agents, underwriters or dealers, or their affiliates may be customers of, engage in transactions with or perform services for us or our subsidiaries in the ordinary course of business.

Under the securities laws of some states, the securities offered by this prospectus may be sold in those states only through registered or licensed brokers or dealers.

Any person participating in the distribution of common stock registered under the registration statement that includes this prospectus will be subject to applicable provisions of the Exchange Act, and the applicable SEC rules and regulations, including, among others, Regulation M, which may limit the timing of purchases and sales of any of our common stock by any such person. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of our common stock to engage in market-making activities with respect to our common stock. These restrictions may affect the marketability of our common stock and the ability of any person or entity to engage in market-making activities with respect to our common stock.

Certain persons participating in an offering may engage in over-allotment, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act that stabilize, maintain or otherwise affect the price of the offered securities. For a description of these activities, see the information under the heading "Underwriting" in the applicable prospectus supplement.

Item 14. Other Expenses of Issuance and Distribution.

The expenses relating to the registration of the securities will be borne by the registrant. Such expenses (excluding underwriting discounts and commissions) are estimated to be as follows:

Securities and Exchange Commission Registration Fee	\$#
Trustee Fees	*
Transfer Agents' Fees and Expenses	*
Printing and Engraving Fees and Expenses	*
Accounting Fees and Expenses	*
Legal Fees	*
Miscellaneous	*
Total	\$*

To be determined. The registrant is deferring payment of the registration fee in reliance on Rule 456(b) and 457(r).

* As the types and amounts of securities to be issued and distributed pursuant to this registration statement may vary, the fees and expenses of such issuances and distributions cannot be reasonably determined or estimated at this time.

Item 15. Indemnification of Directors and Officers.

The Registrant is organized as a corporation under Delaware law and is subject to the provisions of the General Corporation Law of the State of Delaware (the "DGCL"). The following description is intended only as a summary and is qualified in its entirety by reference to the Restated Certificate of Incorporation of the Registrant, the Bylaws of the Registrant and the DGCL.

Pursuant to the DGCL, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation in such capacity for another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of such corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The DGCL also permits indemnification by a corporation under similar circumstances for expenses (including attorneys' fees) actually and reasonably incurred by such persons in connection with the defense or settlement of an action by or in the right of such corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to such corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

To the extent that a present or former director or officer is successful in the defense of such an action, suit or proceeding (or of any claim, issue or matter therein), the corporation is required by the DGCL to indemnify such person for actual and reasonable expenses (including attorneys' fees) incurred thereby.

Table of Contents

Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid (on terms and conditions satisfactory to the corporation) in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to be so indemnified.

The DGCL provides that the indemnification and advancement of expenses described above shall not be deemed exclusive of other indemnification or advancement of expenses that may be granted by a corporation pursuant to its Bylaws, a disinterested director vote, a stockholder vote, an agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability as described above.

Accordingly, the Bylaws of the Registrant, to the fullest extent permitted by applicable law, indemnify and hold harmless each person (each, a "Covered Person") who is or was a director, officer or employee of the Registrant or, while a director, officer or employee of the Registrant, is or was serving at the request of the Registrant as a director, officer or employee or agent of another corporation, or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans. However, the Registrant shall be required to indemnify any person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Board of Directors or is a proceeding to enforce such person's claim to indemnification pursuant to the rights granted by the Bylaws or otherwise by the Registrant. The Registrant may also enter into one or more agreements with any person which provide for indemnification greater or different than that provided in the Registrant's Restated Certificate of Incorporation.

The Bylaws of the Registrant also provide that the Registrant shall, to the fullest extent not prohibited by applicable law, pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by such Covered Person to repay all amounts advanced if it should be ultimately determined that such Covered Person is not entitled to be indemnified.

The Bylaws of the Registrant also provide that the Registrant's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit entity.

Furthermore, pursuant to the Restated Certificate of Incorporation of the Registrant, as permitted under the DGCL, a director of the Registrant shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of such person's fiduciary duty as a director, except for liability (1) for any breach of such person's duty of loyalty to the Registrant or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL or (4) for any transaction from which he or she derived an improper personal benefit.

The DGCL permits, and the Registrant has, liability insurance for the benefit of its directors and officers.

Item 16. List of Exhibits.

The Exhibits to this registration statement are listed in the Index to Exhibits on page II-5.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an

underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report, pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication. Except as otherwise provided in this Article Two, the Trustee shall thereupon authenticate and deliver said Securities to or upon the written order of the Company, signed by its President, its Chairman of the Board or one of its Vice Presidents and by its Treasurer or its Secretary, which order shall set forth the number of separate Securities certificates, the principal amount of each of the Securities to be authenticated, the date on which the original issue of Securities is to be authenticated, the registered holder of each of the said Securities and delivery instructions. In authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in relying upon:

(1) a copy of any resolution or resolutions of the Board of Directors relating thereto and, if applicable, an appropriate record of any action taken pursuant to such resolution, in each case certified by the Secretary or an Assistant Secretary of the Company;

(2) an executed supplemental indenture, if any, relating thereto;

(3) an Officers' Certificate prepared in accordance with Section 16.05 which shall also state to the best knowledge of the signers of such Certificate that no Event of Default with respect to any series of Securities shall have occurred and be continuing; and

(a) that the form of such Securities has been established by or pursuant to a resolution of the Board of Directors or by a supplemental indenture as permitted by Section 2.01 in conformity with the provisions of this Indenture;

(b) that the terms of such Securities have been established by or pursuant to a resolution of the Board of Directors or by a supplemental indenture as permitted by Section 2.02 in conformity with the provisions of this Indenture;

(c) that the Company has all requisite corporate power and authority to execute and deliver such Securities;

(d) that the execution and delivery of such Securities by the Company have been duly authorized by all necessary corporate action on the part of the Company;

(e) that such Securities have been duly and validly executed, and when duly authenticated by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute the legal, valid and binding obligations of the Company, enforceable against it in accordance with their terms, subject to: (i) bankruptcy, insolvency, reorganization, fraudulent transfer and fraudulent conveyance, voidable preference, moratorium or other similar laws, and related regulations and judicial doctrines from time to time in effect, relating to or affecting creditors' rights and remedies generally; (ii) the effect of general principles of equity or public policy, whether enforcement is considered in a proceeding in equity or at law (including the possible unavailability of specific performance or injunctive relief), concepts of materiality, good faith and fair dealing and the discretion of the court before which any proceeding may be brought; (iii) the qualification that such counsel expresses no opinion as to the validity, binding effect or enforceability of any provision in any document relating to indemnification, contribution or exculpation that may be violative of the public policy underlying any law, rule or regulation (including any federal or state securities law, rule or regulation); and (iv) the qualification that to the extent any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions of the documents or securities referred to therein, such Opinion of Counsel is rendered in reliance upon N.Y. Gen. Oblig. Law §§ 5-1401, 5-1402 (McKinney 2001) and N.Y. C.P.L.R. 327(b) (McKinney 2001), and that such enforceability may be limited by public policy considerations; and

(f) that the execution and delivery by the Company of such Securities and the performance by the Company of its obligations thereunder will not conflict with, constitute a default under or violate any of the terms, conditions or provisions of the organizational certificate or bylaws of the Company and that all conditions precedent have been met.

The Trustee shall have the right to decline to authenticate and deliver or cause to be authenticated and delivered any Securities under this Section 2.03 if the Trustee, being advised by counsel, determines that such action may not lawfully be taken or if the Trustee in good faith by its board of directors or trustees, executive committee, or a trust committee of directors or trustees and/or vice presidents shall determine that such action would expose the Trustee to personal liability to existing Securityholders.

Section 2.04. *Date and Denomination of Securities.* The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 2.02. In the absence of any such specification with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. Securities of each series shall be numbered, lettered or otherwise distinguished in such manner or in accordance with such plan as the officers of the Company executing the same may determine with the approval of the Trustee.

Every Security shall be dated the date of its authentication.

The person in whose name any Security of a particular series is registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date for such series shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such Security upon any registration of transfer or exchange subsequent to the record date and prior to such interest payment date; provided, however, that if and to the extent that the Company shall default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the persons in whose names Outstanding Securities of such series are registered on a subsequent record date established by notice given by mail or electronically by or on behalf of the Company to the holders of such Securities not less than 15 days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest. Except as otherwise specified as contemplated by Section 2.02 for Securities of a particular series, the term “record date” as used in this Section 2.04 with respect to any regular interest payment date, shall mean, the last day of the calendar month preceding such interest payment date if such interest payment date is the fifteenth day of such calendar month, and shall mean the fifteenth day of the calendar month preceding such interest payment date if such interest payment date is the first day of a calendar month, whether or not such day shall be a day on which banking institutions in The City of New York are authorized or required by law or executive order to close or remain closed.

Interest on the Securities may at the option of the Company be paid by check mailed to the persons entitled thereto at their respective addresses as such appear on the registry books of the Company.

Section 2.05. Execution of Securities. The Securities shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its President, its Chairman of the Board or Chief Financial Officer and its Treasurer, Assistant Treasurer, any Vice President, Secretary or Assistant Secretary. Only such Securities as shall bear thereon a certificate of authentication substantially in the form herein recited, executed by the Trustee by the manual signature of an authorized officer, shall be entitled to the benefits of this Indenture or be valid or obligatory for any purpose. Such certificate by the Trustee upon any Security executed by the Company shall be conclusive evidence that the Security so authenticated has been duly authenticated and delivered hereunder and that the holder is entitled to the benefits of this Indenture.

In case any officer of the Company who shall have signed any of the Securities shall cease to be such officer before the Securities so signed shall have been authenticated and delivered by the Trustee, or disposed of by the Company, such Securities nevertheless may be authenticated and delivered or disposed of as though the person who signed such Securities had not ceased to be such officer of the Company; and any Security may be signed on behalf of the Company by such persons as, at the actual date of the execution of such Security, shall be the proper officers of the Company, although at the date of the execution of this Indenture any such person was not such an officer.

Section 2.06. Exchange and Registration of Transfer of Securities. Securities of any series may be exchanged for a like aggregate principal amount of Securities of the same series of other authorized denominations. Securities to be exchanged shall be surrendered, at the option of the holders thereof, either at the office or agency designated and maintained by the Company for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02 or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose in accordance with the provisions of Section 4.02, and the Company shall execute and register and the Trustee shall authenticate and deliver in exchange therefor the Security or Securities which the Securityholder making the exchange shall be entitled to receive. Each person designated by the Company pursuant to the provisions of Section 4.02 as a person authorized to register and register transfer of the Securities is sometimes herein referred to as a “Security registrar.”

The Company shall keep, at each such office or agency, a register for each series of Securities issued hereunder (the registers of all Security registrars being herein sometimes collectively referred to as the “Security register” or the “registry books of the Company”) in which, subject to such reasonable regulations as it may prescribe, the Company shall register Securities and shall register the transfer of Securities as in this Article Two provided. The Security register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the Security register shall be open for inspection by the Trustee and any Security registrar other than the Trustee. Upon due presentment for registration or registration of transfer of any Security of any series at any designated office or agency, the Company shall execute and register and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Security or Securities of the same series for an equal aggregate principal amount. Registration or registration of transfer of any Security by any Security registrar in the registry books of the Company maintained by such Security registrar, and delivery of such Security, duly authenticated, shall be deemed to complete the registration or registration of transfer of such Security.

No person shall at any time be designated as or act as a Security registrar unless such person is at such time empowered under applicable law to act as such under and to the extent required by applicable law and regulations.

All Securities presented for registration of transfer or for exchange, redemption or payment shall (if so required by the Company or the Trustee) be duly endorsed by, or be accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Company and the Trustee duly executed by, the holder or his attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

The Company shall not be required to exchange or register a transfer of (a) any Securities of any series for the period of 15 days next preceding the selection of Securities of that series to be redeemed and thereafter until the date of the transmittal of a notice of redemption of Securities of that series selected for redemption, or (b) any Securities selected, called or being called for redemption in whole or in part except, in the case of any Security to be redeemed in part, the portion thereof not so to be redeemed.

The provisions of clauses (1), (2), (3), (4), (5), (6) and (7) below shall apply only to Global Securities:

(1) Each Global Security authenticated under this Indenture shall be registered in the name of the Depository designated for such Global Security or a nominee thereof and delivered to such Depository or nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes under this Indenture.

(2) Notwithstanding any other provision in this Indenture, no Global Security may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any Person other than the Depository for such Global Security or a nominee thereof unless (A) such Depository (i) has notified the Company that it is unwilling or unable to continue its services as Depository for such Global Security and no successor Depository has been appointed within 90 days after such notice or (ii) ceases to be a "clearing agency" registered under Section 17A of the Securities Exchange Act of 1934 when the Depository is required to be so registered to act as the Depository and so notifies the Company, and no successor Depository has been appointed within 90 days after such notice, (B) the Company determines at any time that the Securities shall no longer be represented by Global Securities and shall inform such Depository of such determination and participants in such Depository elect to withdraw their beneficial interests in the Securities from such Depository, following notification by the Depository of their right to do so, or (C) such exchange is made upon request by or on behalf of the Depository in accordance with customary procedures, following the request of a Beneficial Owner seeking to exercise or enforce its rights under the Securities.

(3) Subject to clause (2) above, any exchange of a Global Security for other Securities may be made in whole or in part, and all Securities issued in exchange for a Global Security or any portion thereof shall be registered in such names as the Depository for such Global Security shall direct.

(4) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security or any portion thereof shall be authenticated and delivered in the form of, and shall be, a Global Security, unless such Security is registered in the name of a Person other than the Depository for such Global Security or a nominee thereof.

(5) Subject to the provisions of clause (7) below, the registered Holder may grant proxies and otherwise authorize any Person, including Agent Members (as defined below in clause (7)) and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Securities.

(6) In the event of the occurrence of any of the events specified in clause (2) above, the Company will promptly make available to the Trustee a reasonable supply of certificated Securities in definitive, fully registered form, without interest coupons.

(7) Neither any members of, or participants in, the Depository (collectively, the “Agent Members”) nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Security registered in the name of the Depository or any nominee thereof, or under any such Global Security, and the Depository or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company or the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or such nominee, as the case may be, or impair, as between the Depository, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a holder of any Security.

Section 2.07. *Mutilated, Destroyed, Lost or Stolen Securities.* In case any temporary or definitive Security shall become mutilated or be destroyed, lost or stolen, the Company in the case of a mutilated Security shall, and in the case of a lost, stolen or destroyed Security may in its discretion, execute and, upon the written request or authorization of any officer of the Company, the Trustee shall authenticate and deliver, a new Security of the same series, bearing a number not contemporaneously Outstanding, in exchange and substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen. In every case the applicant for a substituted Security shall furnish to the Company and to the Trustee such security or indemnity as may be required by them to save each of them harmless from any loss or liability which any of them may suffer if a Security is replaced and subsequently presented or claimed for payment and, in every case of destruction, loss or theft, the applicant shall also furnish the Company and to the Trustee evidence to their satisfaction of the destruction, loss or theft of such Security and the ownership thereof.

Upon the issuance of any substituted Security, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith. In case any Security which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Company may, instead of issuing a substituted Security, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Security) if the applicant for such payment shall furnish to the Company and to the Trustee such security or indemnity as may be required by them to save each of them harmless from any loss or liability which any of them may suffer if a Security is replaced and subsequently presented or claimed for payment and, in case of destruction, loss or theft, evidence satisfactory to the Company and the Trustee of the destruction, loss or theft of such Security and the ownership thereof.

Every substituted Security issued pursuant to the provisions of this Section 2.07 by virtue of the fact that any Security is destroyed, lost or stolen shall constitute an additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be found at

any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of the same series duly issued hereunder. All Securities shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities and shall preclude (to the extent lawful) any and all other rights or remedies with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

Section 2.08. *Temporary Securities.* Pending the preparation of definitive Securities of any series the Company may execute and the Trustee shall authenticate and deliver temporary Securities (printed, lithographed or typewritten). Temporary Securities shall be issuable in any authorized denomination and substantially in the form of the definitive Securities in lieu of which they are issued, but with such omissions, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Company. Every such temporary Security shall be authenticated by the Trustee upon the same conditions and in substantially the same manner, and with the same effect, as the definitive Securities in lieu of which they are issued. Without unreasonable delay the Company will execute and deliver to the Trustee definitive Securities of such series and thereupon any or all temporary Securities of such series may be surrendered in exchange therefor, at the option of the holders thereof, either at the office or agency to be designated and maintained by the Company for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02 or at any of such other offices or agencies as may be designated and maintained by the Company for such purpose in accordance with the provisions of Section 4.02, and the Trustee shall authenticate and deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of the same series. Such exchange shall be made by the Company at its own expense and without any charge therefor. Until so exchanged, the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of the same series authenticated and delivered hereunder.

Section 2.09. *Cancellation of Securities Paid, etc.* All Securities surrendered for the purpose of payment, redemption, repayment, exchange or registration of transfer or for credit against any sinking fund shall, if surrendered to the Company, any Security registrar, any paying agent or any other agent of the Company or of the Trustee, be delivered to the Trustee and promptly cancelled by it, or, if surrendered to the Trustee, shall be promptly cancelled by it, and no Securities shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee may dispose of cancelled Securities in accordance with its customary procedures and, upon written request of the Company, deliver a certificate of such disposition to the Company or, at the written request of the Company, shall deliver cancelled Securities to the Company. If the Company shall acquire any of the Securities, however, such acquisition shall not operate as a redemption or satisfaction of the indebtedness represented by such Securities unless and until the same are delivered to the Trustee for cancellation.

Section 2.10. *Computation of Interest.* Except as otherwise specified as contemplated by Section 2.02 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 2.11. *Form of Legend for Global Securities.* Unless otherwise specified as contemplated by Section 2.02 for the Securities evidenced thereby, every Global Security authenticated and delivered hereunder shall bear a legend in substantially the following form (or such other form as a securities exchange or Depositary may request or require):

THIS SECURITY IS A GLOBAL SECURITY WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF THE DEPOSITORY TRUST COMPANY OR A NOMINEE OF THE DEPOSITORY TRUST COMPANY. THIS SECURITY IS EXCHANGEABLE FOR SECURITIES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITORY TRUST COMPANY OR ITS NOMINEE ONLY IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE AND MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITORY TRUST COMPANY TO A NOMINEE OF THE DEPOSITORY TRUST COMPANY OR BY A NOMINEE OF THE DEPOSITORY TRUST COMPANY TO THE DEPOSITORY TRUST COMPANY OR ANOTHER NOMINEE OF THE DEPOSITORY TRUST COMPANY.

UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY, A NEW YORK CORPORATION (“DTC”), TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

Section 2.12. CUSIP Numbers. The Company in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

ARTICLE 3 REDEMPTION OF SECURITIES; SINKING FUNDS

Section 3.01. Applicability of Article. The provisions of this Article shall be applicable, as the case may be, (i) to the Securities of any series which are redeemable before their maturity and (ii) to any sinking fund for the retirement of Securities of any series, in either case except as otherwise specified as contemplated by Section 2.02 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a “mandatory sinking fund payment,” and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an “optional sinking fund payment.”

Section 3.02. Notice of Redemption; Selection of Securities. In case the Company shall desire to exercise any right to redeem all, or, as the case may be, any part of, the Securities of any series in accordance with their terms, it shall fix a date for redemption and shall deliver a notice of such redemption at least 10 and not more than 60 days prior to the date fixed for redemption to the holders of Securities of such series so to be redeemed as a whole or in part at their last addresses as the same appear on the registry books of the Company and to the Trustee, except as the resolutions adopted by the Board of Directors to establish the terms of any series of Securities may otherwise provide. The notice shall be conclusively presumed to have been duly given, whether or not the holder receives such notice. In any case, failure to give such notice or any defect in the notice to the holder of any Security of a series designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Each such notice of redemption shall specify the date fixed for redemption, the redemption price at which the Securities of such series are to be redeemed (or if not then ascertainable, the manner of calculation thereof), the place or places of payment, that payment will be made upon presentation and surrender of such Securities, that any interest accrued to the date fixed for redemption will be paid as specified in said notice, that on and after said date any interest thereon or on the portions thereof to be redeemed will cease to accrue and the CUSIP number of the Securities. Where the redemption price is not ascertainable at the time the notice of redemption is given as aforesaid, the Company shall notify the Trustee of said redemption price promptly after the calculation thereof. If less than all the Securities of a series are to be redeemed, the notice of redemption shall specify the number or numbers of the Securities of that series to be redeemed. In case any Security of a series is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that on and after the date fixed for redemption, upon surrender of such Security, a new Security or Securities of that series in principal amount equal to the unredeemed portion thereof will be issued.

Prior to the redemption date specified in the notice of redemption given as provided in this Section 3.02, the Company will deposit with the Trustee or with one or more paying agents (or, if the Company is acting as its own paying agent, will segregate and hold in trust as provided in Section 4.04) an amount of money sufficient to redeem on the redemption date all the Securities or portions thereof so called for redemption, together with accrued interest to the date fixed for redemption. If less than all the Securities of a series are to be redeemed, (i) the Company will give the Trustee notice not less than 60 days (or such shorter period as may be acceptable to the Trustee) prior to the redemption date as to the aggregate principal amount of Securities of such series to be redeemed and (ii)(x) if such Securities are at the time represented by a Global Security, then the Depositary shall select by lot the particular interests to be redeemed or (y) if any of such Securities are not represented by a Global Security, then the Trustee shall select or cause to be selected, in such manner as in its sole discretion it shall deem appropriate and in accordance with applicable Depositary procedures, the Securities of that series or portions thereof to be redeemed. Securities of a series may be redeemed in part only in multiples of the smallest authorized denomination of that series.

Section 3.03. *Payment of Securities Called for Redemption.* If notice of redemption has been given as provided in Section 3.02 or Section 3.05, the Securities or portions of Securities of the series with respect to which such notice has been given shall become due and payable on the date and at the place or places stated in such notice at the applicable redemption price, together with any interest accrued to the date fixed for redemption, and on and after said date (unless the Company shall default in the payment of such Securities or portions of such Securities, together with any interest accrued to said date) any interest on the Securities of such series or portions of Securities of such series so called for redemption shall cease to accrue. On presentation and surrender of such Securities at a place of payment in said notice specified, the said Securities or the specified portions thereof shall be paid and redeemed by the Company at the applicable redemption price, together with any interest accrued thereon to the date fixed for redemption; provided, however, that any regularly scheduled installment of interest becoming due on or prior to the date fixed for redemption shall be payable to holders of such Securities registered as such on the relevant record date according to their terms.

Upon presentation of any Security redeemed in part only, the Company shall execute and the Trustee shall authenticate and deliver to the holder thereof, at the expense of the Company, a new Security or Securities of the same series, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented.

Section 3.04. *Satisfaction of Mandatory Sinking Fund Payments with Securities.* In lieu of making all or any part of any mandatory sinking fund payment with respect to any Securities of a series in cash, the Company may at its option (a) deliver to the Trustee Securities of that series theretofore purchased or otherwise acquired by the Company or (b) receive credit for the principal amount of Securities of that series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the redemption price specified in such Securities for redemption through operation of the sinking fund and the amount of such mandatory sinking fund payment shall be reduced accordingly.

Section 3.05. *Redemption of Securities for Sinking Fund.* Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee a certificate signed by the Treasurer or any Assistant Treasurer of the Company specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash (which cash may be deposited with the Trustee or with one or more paying agents or, if the Company is acting as its own paying agent, segregated and held in trust as provided in Section 4.04) and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 3.04 (which Securities, if not theretofore delivered, will accompany such certificate) and whether the Company intends to exercise its right to make a permitted optional sinking fund payment with respect to such series. Such certificate shall also state that no Event of Default has occurred and is continuing with respect to such series. Such certificate shall be irrevocable and upon its delivery the Company shall be obligated to make the cash payment or payments therein referred to, if any, on or before the next succeeding sinking fund payment date. In the case of the failure of the Company to deliver such certificate (or to

deliver the Securities specified in this paragraph), the sinking fund payment due on the next succeeding sinking fund payment date for that series shall be paid entirely in cash and shall be sufficient to redeem the principal amount of such Securities subject to a mandatory sinking fund payment without the option to deliver or credit Securities as provided in Section 3.04 and without the right to make any optional sinking fund payment, if any, with respect to such series.

Any sinking fund payment or payments (mandatory or optional) made in cash plus any unused balance of any preceding sinking fund payments made in cash which shall equal or exceed \$100,000 or the equivalent amount in the Specified Currency (if other than Dollars) (or a lesser sum if the Company shall so request or determine) with respect to the Securities of any particular series shall be applied by the Trustee (or by the Company if the Company is acting as its own paying agent) on the sinking fund payment date on which such payment is made (or, if such payment is made before a sinking fund payment date, on the next sinking fund payment date following the date of such payment) to the redemption of such Securities at the redemption price specified in such Securities for operation of the sinking fund together with accrued interest, if any, to the date fixed for redemption. Any sinking fund moneys not so applied or allocated by the Trustee (or by the Company if the Company is acting as its own paying agent) to the redemption of Securities shall be added to the next cash sinking fund payment received by the Trustee (or if the Company is acting as its own paying agent, segregated and held in trust as provided in Section 4.04) for such series and, together with such payment (or such amount so segregated), shall be applied in accordance with the provisions of this Section 3.05. Any and all sinking fund moneys with respect to the Securities of any particular series held by the Trustee (or if the Company is acting as its own paying agent, segregated and held in trust as provided in Section 4.04) on the last sinking fund payment date with respect to Securities of such series and not held for the payment or redemption of particular Securities of such series shall be applied by the Trustee (or by the Company if the Company is acting as its own paying agent), together with other moneys, if necessary, to be deposited (or segregated) sufficient for the purpose, to the payment of the principal of the Securities of that series at maturity.

The Trustee shall select or cause to be selected the Securities to be redeemed upon such sinking fund payment date in the manner specified in the last paragraph of Section 3.02, and the Company shall cause notice of the redemption thereof to be given in the manner provided in Section 3.02 except that the notice of redemption shall also state that the Securities are being redeemed by operation of the sinking fund. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Section 3.03.

On or before each sinking fund payment date, the Company shall pay to the Trustee in cash (or, if the Company is acting as its own paying agent, will segregate and hold in trust as provided in Section 4.04) a sum equal to any interest accrued to the date fixed for redemption of Securities or portions thereof to be redeemed on such sinking fund payment date pursuant to this Section.

Neither the Trustee nor the Company shall redeem any Securities of a series with sinking fund moneys or deliver any notice of redemption of such Securities by operation of the sinking fund for such series during the continuance of a default in payment of interest, if any, on such Securities or of any Event of Default (other than an Event of Default occurring as a consequence of this paragraph) with respect to such Securities, except that if the notice of redemption of any

such Securities shall theretofore have been delivered in accordance with the provisions hereof, the Trustee (or the Company if the Company is acting as its own paying agent) shall redeem such Securities if cash sufficient for that purpose shall be deposited with the Trustee (or segregated by the Company) for that purpose in accordance with the terms of this Article. Except as aforesaid, any moneys in the sinking fund for such series at the time when any such default or Event of Default shall occur and any moneys thereafter paid into such sinking fund shall, during the continuance of such default or Event of Default, be held as security for the payment of such Securities; provided, however, that in case such default or Event of Default shall have been cured or waived as provided herein, such moneys shall thereafter be applied on the next sinking fund payment date for such Securities on which such moneys may be applied pursuant to the provisions of this Section.

Section 3.06. *Repayment at the Option of the Holder.* Any series of Securities may be made, by provision contained in or established pursuant to a supplemental indenture or a resolution of the Board of Directors pursuant to Section 2.02 hereof, subject to repayment, in whole or in part, at the option of the holder on a date or dates specified prior to maturity, together with accrued interest to the date of repayment, on such notice as may be required, provided, however, that the holder of a Security may only elect partial repayment in an amount that will result in the portion of such Security that will remain Outstanding after such repayment constituting an authorized denomination, or combination thereof, of such Securities.

ARTICLE 4 PARTICULAR COVENANTS OF THE COMPANY

Section 4.01. *Payment of Principal, Premium and Interest.* The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay or cause to be paid the principal of, premium, if any, and interest, if any, on each of the Securities of that series at the places, at the respective times and in the manner provided in such Securities.

Section 4.02. *Offices for Notices and Payments, etc.* As long as any of the Securities of a series remain Outstanding, the Company will designate and maintain in the Borough of Manhattan, The City of New York, an office or agency where the Securities of that series may be presented for payment, an office or agency where the Securities of that series may be presented for registration of transfer and for exchange as in this Indenture provided and an office or agency where notices and demands to or upon the Company in respect of the Securities of that series or of this Indenture may be served. In addition to such office or offices or agency or agencies, the Company may from time to time designate and maintain one or more additional offices or agencies within or outside the Borough of Manhattan, The City of New York, where the Securities of that series may be presented for registration of transfer or for exchange, and the Company may from time to time rescind such designation, as it may deem desirable or expedient. The Company will give to the Trustee written notice of the location of each such office or agency and of any change of location thereof. In case the Company shall fail to maintain any such office or agency in the Borough of Manhattan, The City of New York, or shall fail to give such notice of the location or of any change in the location thereof, presentations and demands may be made and notices may be served at the principal office of the Trustee.

The Company hereby initially designates the office of the Trustee located at 400 South Hope Street, Suite 400, Los Angeles, CA 90071 as the office or agency of the Company where the Securities of each series may be presented for payment, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Company in respect of the Securities of each series or of this Indenture may be served.

Section 4.03. *Appointment to Fill Vacancies in Trustee's Office.* The Company, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.10, a successor trustee, so that there shall at all times be a Trustee with respect to each series of Securities hereunder.

Section 4.04. *Provision as to Paying Agent.* (a) If the Company shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 4.04:

(1) that it will hold all sums held by it as such agent for the payment of the principal of, premium, if any, or interest, if any, on the Securities of such series (whether such sums have been paid to it by the Company or by any other obligor on the Securities of such series) in trust for the benefit of the holders of the Securities of such series;

(2) that it will give the Trustee notice of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of, premium, if any, or interest, if any, on the Securities of such series when the same shall be due and payable; and

(3) that at any time during the continuance of any failure by the Company (or by any other obligor on the Securities of such series) specified in the preceding paragraph (2), such paying agent will, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by it.

(b) If the Company shall act as its own paying agent with respect to the Securities of any series, it will, on or before each due date of the principal of, premium, if any, or interest, if any, on the Securities of such series, set aside, segregate and hold in trust for the benefit of the holders of such Securities a sum sufficient to pay such principal, premium, if any, or interest, if any, so becoming due and will promptly notify the Trustee of any failure to take such action and of any failure by the Company (or by any other obligor on the Securities of such series) to make any payment of the principal of, premium, if any, or interest, if any, on the Securities of such series when the same shall become due and payable.

(c) Anything in this Section 4.04 to the contrary notwithstanding, the Company may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by it, or any paying agent hereunder, as required by this Section, such sums to be held by the Trustee upon the trusts herein contained.

(d) Anything in this Section 4.04 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 4.04 is subject to Sections 12.05 and 12.06.

(e) Whenever the Company shall have one or more paying agents with respect to the Securities of any series, it will, prior to each due date of the principal of, premium, if any, or interest, if any, on the Securities of such series, deposit with a designated paying agent a sum sufficient to pay the principal, premium, if any, and interest, if any, so becoming due, such sum to be held in trust for the benefit of the persons entitled to such principal, premium, if any, or interest, if any, and (unless such paying agent is the Trustee) the Company will promptly notify the Trustee of any failure so to act.

Section 4.05. *Statement as to Compliance.* The Company will furnish to the Trustee on or before May 1, in each year (beginning with the first May 1 following the first date of issuance of any Securities under this Indenture) a brief certificate (which need not comply with Section 16.05) from the principal executive, financial or accounting officer of the Company as required by Section 314(a)(4) of the Trust Indenture Act of 1939. The Trustee shall have no duty to review, ascertain or confirm the Company's compliance with, or breach of, any representation, warranty or covenant made in this Indenture.

The Company shall deliver to the Trustee, as soon as possible and in any event within five business days after the Company becomes aware of the occurrence of any Event of Default or an event which, with notice or the lapse of time or both, would constitute an Event of Default, an Officers' Certificate setting forth the details of such Event of Default or default and the action which the Company proposes to take with respect thereto.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

Section 4.06. *Additional Amounts.* If the Securities of a series provide for the payment of additional amounts, at least 10 days prior to the first interest payment date with respect to that series of Securities and at least 10 days prior to each date of payment of principal of, premium, if any, or interest on the Securities of that series if there has been a change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Company shall furnish to the Trustee and the principal paying agent, if other than the Trustee, an Officers' Certificate instructing the Trustee and such paying agent whether such payment of principal of or interest on the Securities of that series shall be made to holders of the Securities of that series without withholding or deduction for or on account of any tax, assessment or other governmental charge described in the Securities of that series. If any such withholding or deduction shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld or deducted on such payments to such holders and shall certify the fact that additional amounts will be payable and the amounts so payable to each holder, and the Company shall pay to the Trustee or such paying agent the additional amounts required to be paid by this Section. The Company covenants to indemnify the Trustee and any paying agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section.

Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any premium, interest or any other amounts on, or in respect of, any Security of any series, such mention shall be deemed to include mention of the payment of additional amounts provided by the terms of such series established hereby or pursuant hereto to the extent that, in such context, additional amounts are, were or would be payable in respect thereof pursuant to such terms, and express mention of the payment of additional amounts (if applicable) in any provision hereof shall not be construed as excluding the payment of additional amounts in those provisions hereof where such express mention is not made.

ARTICLE 5
SECURITYHOLDER LISTS AND REPORTS
BY THE COMPANY AND THE TRUSTEE

Section 5.01. *Securityholder Lists.* If and so long as the Trustee shall not be the Security registrar for the Securities of any series, the Company and any other obligor on the Securities will furnish or cause to be furnished to the Trustee a list in such form as the Trustee may reasonably require of the names and addresses of the holders of the Securities of such series pursuant to Section 312 of the Trust Indenture Act of 1939 (a) semi-annually not more than 15 days after each record date for the payment of interest on such Securities, as hereinabove specified, as of such record date, and on dates to be determined pursuant to Section 2.02 for non-interest bearing Securities in each year, and (b) at such other times as the Trustee may request in writing, within thirty days after receipt by the Company of any such request as of a date not more than 15 days prior to the time such information is furnished.

Section 5.02. *Reports by the Company.* The Company covenants to file with the Trustee, within 15 days after the Company is required to file the same with the Securities and Exchange Commission, copies of the annual reports and of the information, documents and other reports that the Company is required to file with the Securities and Exchange Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 or pursuant to Section 314 of the Trust Indenture Act of 1939.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed otherwise.

Section 5.03. *Reports by the Trustee.* Any Trustee's report required under Section 313(a) of the Trust Indenture Act of 1939 shall be transmitted on or before March 15 in each year beginning March 15, 2016, as provided in Section 313(c) of the Trust Indenture Act of 1939, so long as any Securities are Outstanding hereunder, and shall be dated as of a date convenient to the Trustee no more than 60 days prior thereto.

ARTICLE 6
REMEDIES OF THE TRUSTEE AND SECURITYHOLDERS
ON EVENT OF DEFAULT

Section 6.01. *Events of Default.* The term “Event of Default” whenever used herein with respect to Securities of any series means any one of the following events and such other events as may be established with respect to the Securities of such series as contemplated by Section 2.02 hereof, continued for the period of time, if any, and after the giving of notice, if any, designated in this Indenture or as may be established with respect to such Securities as contemplated by Section 2.02 hereof, as the case may be, unless it is either inapplicable or is specifically deleted or modified in the applicable resolution of the Board of Directors or in the supplemental indenture under which such series of Securities is issued, as the case may be, as contemplated by Section 2.02:

(a) default for 30 days in the payment of any installment of interest on any Security of such series when and as the same shall become due and payable; or

(b) default in the payment of the principal of, or premium, if any, on any Security of such series when and as the same shall become due and payable whether at maturity, upon redemption, by declaration, repayment or otherwise; or

(c) default in the making or satisfaction of any sinking fund payment or analogous obligation as and when the same shall become due and payable by the terms of the Securities of such series; or

(d) failure on the part of the Company duly to observe or perform any other of the covenants or agreements on the part of the Company in respect of the Securities of such series contained in this Indenture (other than a covenant or agreement in respect of the Securities of such series a default in whose observance or performance is elsewhere in this Section 6.01 specifically dealt with) continued for a period of 60 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee by reputable overnight courier service (charges prepaid), or to the Company and the Trustee by the holders of at least twenty-five percent in aggregate principal amount of the Securities of such series at the time Outstanding; or

(e) an event of default with respect to any other series of Securities issued or hereafter issued pursuant to this Indenture or as defined in any indenture or instrument evidencing or under which the Company has at the date of this Indenture or shall hereafter have outstanding any indebtedness for borrowed money (other than Non-Recourse Indebtedness) shall happen and be continuing and such other series of Securities or such indebtedness, as the case may be, shall have been accelerated so that the same shall be or become due and payable prior to the date on which the same would otherwise have become due and payable, and the aggregate principal amount of any indebtedness with respect to which such acceleration has occurred exceeds the greater of (a) \$100,000,000 and (b) 5% of Consolidated Net Assets, and such acceleration shall not be rescinded or annulled within thirty days after written notice thereof shall have been given to the Company by the Trustee or to the Company and the Trustee by the holders of at least twenty-five percent in aggregate principal amount of the Securities of such

series at the time Outstanding; provided, however, that if such event of default with respect to such other series of Securities or under such indenture or instrument, as the case may be, shall be remedied or cured by the Company, or waived by the holders of such other series of Securities or of such indebtedness, as the case may be, then the Event of Default hereunder by reason thereof shall be deemed likewise to have been thereupon remedied, cured or waived without further action upon the part of either the Trustee or any of the Securityholders of such series; and provided further that, subject to the provisions of Sections 6.08 and 7.01, the Trustee shall not be charged with knowledge of any such event of default or any remedy, cure or waiver thereof or any such acceleration unless written notice thereof shall have been given to the Trustee by the Company, by a holder or an agent of a holder of any Securities of such other series or of any such indebtedness, as the case may be, or by the Trustee then acting under this Indenture with respect to such other series of Securities or under any other indenture or instrument, as the case may be, under which such event of default shall have occurred, or by the holders of at least twenty-five percent in aggregate principal amount of the Securities of such series at the time Outstanding; or

(f) a decree or order by a court having jurisdiction in the premises shall have been entered adjudging the Company or any of its Significant Subsidiaries bankrupt or insolvent, or approving as properly filed a petition seeking reorganization of the Company or any of its Significant Subsidiaries under the Federal Bankruptcy Code or any other similar applicable Federal or State law, and such decree or order shall have continued undischarged and unstayed for a period of 60 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver or liquidator or trustee or assignee (or other similar official) in bankruptcy or insolvency of the Company or any of its Significant Subsidiaries or of all or substantially all of the property of the Company or any of its Significant Subsidiaries, or for the winding up or liquidation of the affairs of the Company or any of its Significant Subsidiaries, shall have been entered, and such decree or order shall have continued undischarged and unstayed for a period of 60 days; or

(g) the Company or any of its Significant Subsidiaries shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against the Company or such Significant Subsidiary, or shall file a petition or answer or consent seeking reorganization under the Federal Bankruptcy Code or any other similar applicable Federal or State law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver or liquidator or trustee or assignee (or other similar official) in bankruptcy or insolvency of it or of its property, or shall make an assignment for the benefit of creditors, or shall admit in writing the inability of the Company or such Significant Subsidiary to pay its debts generally as they become due; or (h) any other Event of Default provided in the applicable resolution of the Board of Directors or in the supplemental indenture under which such series of Securities is issued, as the case may be, as contemplated by Section 2.02.

The Trustee shall not be charged with knowledge of the identity of a Significant Subsidiary of the Company unless it shall have received written notice from the Company or a Securityholder identifying such Significant Subsidiary as such.

If an Event of Default as contemplated by Sections 6.01(f) or 6.01(g) occurs, the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such

portions of the principal amount as may be specified in the terms of such series) with respect to Securities of any series at the time Outstanding will become due and payable immediately. If any other Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then and in each and every such case, unless the principal of all of the Securities of such series shall have already become due and payable, either the Trustee or the holders of not less than twenty-five percent in aggregate principal amount of the Securities of such series then Outstanding hereunder, by notice in writing to the Company (and to the Trustee if given by Securityholders of such series), may declare the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of such series) of all the Securities of such series to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Securities of such series contained to the contrary notwithstanding. This provision, however, is subject to the condition that if, at any time after the principal amount (or, if the Securities of such series are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of such series) of the Securities of any series shall have been so declared or otherwise become due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest, if any, upon all of the Securities of such series and the principal of, and premium, if any, on any and all Securities of such series which shall have become due otherwise than by acceleration (with interest on overdue installments of interest (to the extent that payment of such interest is enforceable under applicable law) and on such principal at the Overdue Rate applicable to such series, to the date of such payment or deposit) and all amounts payable to the Trustee pursuant to the provisions of Section 7.06, and any and all defaults under this Indenture with respect to such series of Securities, other than the nonpayment of principal of and accrued interest on Securities of such series which shall have become due solely by acceleration, shall have been remedied or cured or waived or provision shall have been made therefor to the satisfaction of the Trustee—then and in every such case the holders of a majority in aggregate principal amount of the Securities of such series then Outstanding, by written notice to the Company and to the Trustee, may waive all defaults with respect to such series and rescind and annul such declaration or acceleration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or shall impair any right consequent thereon.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceeding shall have been discontinued or abandoned because of such rescission or annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company and the Trustee shall continue as though no such proceeding had been taken.

Section 6.02. *Payment of Securities on Default; Suit Therefor.* The Company covenants that (a) in case default shall be made in the payment of any installment of interest upon any Security of any series as and when the same shall become due and payable, and such default shall have continued for a period of 30 days, (b) in case default shall be made in the payment of the principal of, or premium, if any, on any Security of any series as and when the same shall become due and payable, whether at maturity of the Securities of that series or upon redemption

or by declaration, repayment or otherwise or (c) in case of default in the making or satisfaction of any sinking fund payment or analogous obligation when the same becomes due by the terms of the Securities of any series—then, upon demand of the Trustee, the Company will pay to the Trustee, for the benefit of the holder of any such Security (or holders of any series of Securities in the case of clause (c) above) the whole amount that then shall have become due and payable on any such Security (or Securities of any such series in the case of clause (c) above) for principal, premium, if any, and interest, if any, with interest upon the overdue principal and premium, if any, and (to the extent that payment of such interest is enforceable under applicable law) upon the overdue installments of interest, if any, at the Overdue Rate applicable to any such Security (or Securities of any such series in the case of clause (c) above); and, in addition thereto, such further amount as shall be sufficient to cover costs and expenses of collection, and any further amounts payable to the Trustee pursuant to the provisions of Section 7.06.

In case the Company shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of any express trust, shall be entitled and empowered to institute any actions or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceeding to judgment or final decree, and may enforce any such judgment or final decree against the Company or any other obligor upon such Securities and collect in the manner provided by law out of the property of the Company or any other obligor on such Securities wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy, for the insolvency or for the reorganization of the Company or any other obligor on the Securities of any series under the Federal Bankruptcy Code or any other similar applicable Federal or State law, or in case a receiver or trustee (or other similar official) shall have been appointed for the property of the Company or such other obligor, or in the case of any other similar judicial proceedings relative to the Company or other obligor on the Securities of any series, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the principal of the Securities of any series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section 6.02, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal (or, if the Securities of any series are Original Issue Discount Securities, such portion of the principal amount as may be due and payable with respect to such series pursuant to a declaration in accordance with Section 6.01), premium, if any, and interest, if any, owing and unpaid in respect of the Securities of any series and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and of the Securityholders of any series allowed in such judicial proceedings relative to the Company or any other obligor on the Securities of any series, its or their creditors, or its or their property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute the same after the deduction of costs and expenses of collection, and any further amounts payable to the Trustee pursuant to the provisions of Section 7.06 and incurred by it up to the date of such distribution; and any receiver, assignee or trustee (or other similar official) in bankruptcy or reorganization is hereby authorized by each of the Securityholders to make such payments to the Trustee, and, in the event that the Trustee shall consent to the making of such payments directly to the Securityholders, to pay to the Trustee costs and expenses of collection and any further amounts payable to the Trustee (including, but not limited to, reasonable attorneys' fees and expenses) pursuant to the provisions of Section 7.06 and incurred by it up to the date of such distribution.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Securityholder any plan of reorganization, arrangement, adjustment or composition affecting any of the Securities of any series or the rights of any holder thereof, or to authorize the Trustee to vote in respect of the claim of any Securityholder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under the Securities of any series, may be enforced by the Trustee without the possession of any of the Securities of such series or the production thereof in any trial or other proceeding relative thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the holders of the Securities in respect of which such action was taken. In any proceedings brought by the Trustee (and also any proceedings in which a declaratory judgment of a court may be sought as to the interpretation or construction of any provision of this Indenture, to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Securities to which such proceedings relate, and it shall not be necessary to make any holders of such Securities parties to any such proceedings.

Section 6.03. Application of Moneys Collected by Trustee. Any moneys collected by the Trustee pursuant to this Article and, if an Event of Default has occurred and is continuing, any money or other property distributable in respect of the Company's obligations under the Indenture shall be applied in the order following, at the date or dates fixed by the Trustee for the distribution of such moneys, upon presentation of the several Securities in respect of which moneys have been collected, and the notation thereon of the payment, if only partially paid, and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee pursuant to the provisions of Section 7.06;

SECOND: In case the principal of the Outstanding Securities in respect of which such moneys have been collected shall not have become due (at maturity, upon redemption, by declaration, repayment or otherwise) and be unpaid, to the payment of interest, if any, on such Securities, in the order of the maturity of the installments of such interest, with interest (to the extent that such interest has been collected by the Trustee) upon the overdue installments of interest at the Overdue Rate applicable to such Securities, such payments to be made ratably to the person entitled thereto;

THIRD: In case the principal of the Outstanding Securities in respect of which such moneys have been collected shall have become due (at maturity, upon redemption, by declaration, repayment or otherwise), to the payment of the whole amount then owing and unpaid upon such Securities for principal, premium, if any, and interest, if any, with interest on the overdue principal, and premium, if any, and (to the extent that such interest has been collected by the Trustee) upon overdue installments of interest, if any, at the Overdue Rate

applicable to such Securities; and in case such moneys shall be insufficient to pay in full the whole amounts so due and unpaid upon such Securities, then to the payment of such principal, premium, if any, and interest, if any, without preference or priority of principal, and premium, if any, over interest, if any, or of interest, if any, over principal, and premium, if any, or of any installment of interest, if any, over any other installment of interest, if any, or of any such Security over any other such Security, ratably to the aggregate of such principal, premium, if any, and accrued and unpaid interest, if any; and

FOURTH: To the payment of the remainder, if any, to the Company or its successors or assigns, or as a court of competent jurisdiction may direct.

Section 6.04. Proceedings by Securityholders. No holder of any Security of any series shall have any right by virtue of or by availing of any provision of this Indenture to institute any suit, action or proceeding in equity or at law upon or under or with respect to this Indenture or for the appointment of a receiver or trustee (or other similar official), or for any other remedy hereunder, unless (i) such holder previously shall have given to the Trustee written notice of an Event of Default with respect to Securities of such series and of the continuance thereof, as hereinbefore provided, (ii) the holders of not less than twenty-five percent in aggregate principal amount of the Securities of such series then Outstanding shall have made written request upon the Trustee to institute such action, suit or proceeding in its own name as Trustee hereunder and shall have offered to the Trustee such security or indemnity reasonably satisfactory to it as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and (iii) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity, shall not have received from the holders of a majority in principal amount of the Securities of such series then Outstanding a direction inconsistent with that request, and shall have neglected or refused to institute any such action, suit or proceeding, it being understood and intended, and being expressly covenanted by the taker and holder of every Security with every other taker and holder and the Trustee, that no one or more holders of Securities of such series shall have any right in any manner whatever by virtue or by availing of any provision of this Indenture to affect, disturb or prejudice the rights of any other holder of Securities of such series, or to obtain or seek to obtain priority over or preference to any other such holder, or to enforce any right under this Indenture, except in the matter herein provided and for the equal, ratable and common benefit of all holders of Securities of such series.

Notwithstanding any other provisions in this Indenture, however, the right of any holder of any Security to receive payment of the principal of, premium, if any, and interest, if any, on such Security, on or after the respective due dates expressed in such Security, or upon redemption, by declaration, repayment or otherwise, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, and no provision of the Securities of any series or of this Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, premium, if any, and interest, if any, on the Securities of such series at the respective places, at the respective times, at the respective rates and in the coin or currency, therein and herein prescribed.

Section 6.05. Proceedings by Trustee. In case of an Event of Default hereunder the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this

Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either by suit in equity or by action at law or by proceeding in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

Section 6.06. Remedies Cumulative and Continuing. All powers and remedies given by this Article Six to the Trustee or to the Securityholders of any series shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the holders of such Securities, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any holder of any such Securities to exercise any right or power accruing upon any default occurring and continuing as aforesaid shall impair any such right or power, or shall be construed to be a waiver of any such default or an acquiescence therein; and, subject to the provisions of Section 6.04, every power and remedy given by this Article Six or by law to the Trustee or to the Securityholders of any series may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Securityholders of such series.

Section 6.07. Direction of Proceedings and Waiver of Defaults by Securityholders. (a) The holders of a majority in aggregate principal amount of the Securities of any series at the time Outstanding shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series; provided, however, that (subject to the provisions of Section 7.01) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action or proceeding so directed may not lawfully be taken or if the Trustee in good faith by its board of directors or trustees, executive committee, or a trust committee of directors or trustees and/or Responsible Officers shall determine that the action or proceeding so directed would involve the Trustee in personal liability or expense for which it is not adequately indemnified.

(b) Prior to any acceleration or declaration accelerating the maturity of the Securities of any series, the holders of a majority in aggregate principal amount of the Securities of such series at the time Outstanding may, on behalf of the holders of all of the Securities of such series, waive any past default or Event of Default with respect to such series and its consequences except a default in the payment of interest, if any, on, or the principal of or premium, if any, on any Security of such series, or in the payment of any sinking fund installment or analogous obligation with respect to Securities of such series, or in respect of a covenant or provision hereof which under Section 10.02 cannot be modified or amended without the consent of the holder of each Security affected. Upon any such waiver the Company, the Trustee and the holders of the Securities of that series shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by this Section 6.07(b), said default or Event of Default shall for all purposes of the Securities of such series and this Indenture be deemed to have been cured and to be not continuing.

Section 6.08. *Notice of Defaults.* The Trustee shall, within 90 days after the occurrence of a default with respect to the Securities of any series, deliver to all holders of Securities of such series, as the names and addresses of such holders appear upon the registry books of the Company, notice of all defaults with respect to such series known to the Trustee, unless such defaults shall have been cured or waived before the giving of such notice (the term “defaults” for the purpose of this Section 6.08 being hereby defined to be the events specified in Section 6.01 or established with respect to such Securities as contemplated by Section 2.02, not including the periods of grace, if any, provided for therein or established with respect to such Securities as contemplated by Section 2.02 and irrespective of the giving of the notices specified in clauses (d) and (e) of Section 6.01 or established with respect to such Securities as contemplated by Section 2.02); provided, however, that except in the case of default in the payment of the principal of, premium, if any, or interest, if any, on any of the Securities of such series or in the making of any sinking fund installment or analogous obligation with respect to such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the holders of Securities of such series.

Section 6.09. *Undertaking to Pay Costs.* All parties to this Indenture agree, and each holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken, omitted or suffered by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit and that such court may in its discretion assess reasonable costs, including reasonable attorneys’ fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 6.09 shall not apply (i) to any suit instituted by the Trustee, (ii) to any suit instituted by any holder of Securities of any series or group of such holders, holding in the aggregate more than ten percent in principal amount of the Outstanding Securities of such series or (iii) to any suit instituted by any Securityholder for the enforcement of the payment of the principal of, premium, if any, or interest, if any, on any Security (A) on or after the due date expressed in such Security, (B) on or after the date fixed for redemption or repayment or (C) after such Security shall have become due by declaration.

ARTICLE 7 CONCERNING THE TRUSTEE

Section 7.01. *Duties and Responsibilities of Trustee.* With respect to the holders of any series of Securities issued hereunder, the Trustee, prior to the occurrence of an Event of Default with respect to the Securities of such series and after the curing or waiving of all Events of Default which may have occurred with respect to such series, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default with respect to the Securities of a series has occurred (which has not been cured or waived) the Trustee shall exercise such of the rights and powers vested in it by this Indenture with respect to such series, and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that

(a) prior to the occurrence of an Event of Default with respect to the Securities of a series and after the curing or waiving of all Events of Default with respect to such series which may have occurred:

(i) the duties and obligations of the Trustee with respect to the Securities of a series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein);

(b) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;

(c) the Trustee shall not be liable with respect to any action taken, omitted or suffered to be taken by it in good faith in accordance with the direction of the holders of Securities of any series pursuant to Section 6.07 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to Securities of such series;

(d) whether or not therein expressly so provided, every provision of this Indenture relating to the conduct of, the liability of or affording protection to the Trustee for any series of Securities shall be subject to the provisions of this Section 7.01;

(e) the Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company; and

(f) money held in trust by the Trustee need not be segregated from other funds except as required by law.

None of the provisions of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

The provisions of this Section 7.01 are in furtherance of and subject to Section 315 of the Trust Indenture Act of 1939.

Section 7.02. *Reliance on Documents, Opinions, etc.* In furtherance of and subject to the Trust Indenture Act of 1939, and subject to the provisions of Section 7.01:

(a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Company by its President, its Chairman of the Board or any Vice President and its Treasurer or its Secretary (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors of the Company may be evidenced to the Trustee by a copy thereof certified by the Secretary or an Assistant Secretary of the Company;

(c) the Trustee may consult with counsel of its selection and any advice of such counsel or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, omitted or suffered to be taken by it hereunder in good faith and in accordance with such Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be liable for any action taken, omitted or suffered by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;

(f) the Trustee shall not be bound to make any inquiry or investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document unless requested in writing so to do by the holders of a majority in aggregate principal amount of the Securities of any series affected then Outstanding; provided, however, that if the payment within a reasonable time to the Trustee of the costs and expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security conferred upon it by the terms of this Indenture, the Trustee may require reasonable indemnity against such costs, expenses or liabilities as a condition to so proceeding; and the reasonable expense of such investigation shall be paid by the Company, or, if paid by the Trustee, shall be repaid by the Company upon demand;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(h) the Trustee shall not be deemed to have knowledge or notice of any default or Event of Default unless a Responsible Officer of the Trustee has received written notice of any event which is in fact such a default or Event of Default at the Corporate Trust Office of the Trustee and such notice references the Securities and this Indenture;

(i) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder and each agent, custodian and other Person employed to act hereunder;

(j) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;

(k) the Trustee shall not be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss or profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;

(l) the Trustee shall not be required to give any note, bond or surety in respect of the execution of the trusts and powers under this Indenture; and

(m) the Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly by circumstances beyond its reasonable control, including, without limitation, strikes, work stoppages, accidents, acts of God, earthquakes, fire, flood, terrorism, wars and other military disturbances, sabotage, epidemics, riots, interruptions, loss or malfunction of utilities or communication services and acts of civil or military authorities and governmental action.

Section 7.03. *No Responsibility for Recitals, etc.* The recitals contained herein and in the Securities shall be taken as the statements of the Company (except in the Trustee's certificates of authentication), and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Securities. The Trustee shall not be accountable for the use or application by the Company or any of the Securities or of the proceeds thereof.

Section 7.04. *Ownership of Securities.* The Trustee and any agent of the Company or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities with the same rights it would have if it were not Trustee or such agent.

Section 7.05. *Moneys to be Held in Trust.* Subject to the provisions of Sections 12.05 and 12.06 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but

need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree with the Company to pay thereon. So long as no Event of Default shall have occurred and be continuing, all interest allowed on any such moneys shall be paid from time to time upon the written order of the Company, signed by its President, Chairman of the Board, or any Vice President or Treasurer.

Section 7.06. *Compensation and Expenses of Trustee.* The Company covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) and the Company will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable order. The Company also covenants to indemnify the Trustee and its officers, directors and agents for, and to hold it harmless against, any loss, liability or expense incurred without negligence or willful misconduct on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust and its duties hereunder, including the costs and expenses of defending itself against any claim of liability in the premises. The obligations of the Company under this Section 7.06 to compensate and indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the holders of particular Securities. When the Trustee incurs expenses or renders services in connection with an Event of Default, the expenses (including the reasonable charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or state bankruptcy, insolvency or other similar law.

Section 7.07. *Officers' Certificate as Evidence.* Subject to the provisions of Sections 7.01 and 7.02, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking, omitting or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, omitted or suffered by it under the provisions of this Indenture upon the faith thereof.

Section 7.08. *Indentures Not Creating Potential Conflicting Interests For The Trustee.* The following indentures (as may be amended or supplemented from time to time) are hereby specifically described for the purposes of Section 310(b)(1) of the Trust Indenture Act of 1939: this Indenture with respect to the Securities of any other series.

Section 7.09. Eligibility of Trustee. The Trustee hereunder shall at all times be a corporation organized and doing business under the laws of the United States or any state, which (a) is authorized under such laws to exercise corporate trust powers, (b) is subject to supervision or examination by Federal or State authority and (c) shall have at all times a combined capital and surplus of not less than fifty million dollars. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section 7.09, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.09, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

The provisions of this Section 7.09 are in furtherance of and subject to Section 310(a) of the Trust Indenture Act of 1939.

Section 7.10. Resignation or Removal of Trustee. (a) The Trustee, or any trustee or trustees hereafter appointed, may at any time resign with respect to any one or more or all series of Securities by giving written notice of resignation to the Company and by delivering electronically notice thereof to the holders of the applicable series of Securities at their addresses as they shall appear on the registry books of the Company. Upon receiving such notice of resignation, the Company shall promptly appoint a successor trustee or trustees with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed with respect to any series and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any Securityholder who has been a bona fide holder of a Security or Securities of the applicable series for at least six months may, subject to the provisions of Section 6.09, on behalf of himself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time, with thirty days prior notice, any of the following shall occur—

(i) the Trustee shall fail to comply with the provisions of Section 310(b) of the Trust Indenture Act of 1939 with respect to any series of Securities after written request therefor by the Company or by any Securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months, or

(ii) the Trustee shall cease to be eligible in accordance with the provisions of Section 7.09 and Section 310(a) of the Trust Indenture Act of 1939 with respect to any series of Securities and shall fail to resign after written request therefor by the Company or by any such Securityholder, or

(iii) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation—

then, in any such case, the Company may remove the Trustee with respect to such series and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors of the Company, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 315(e) of the Trust Indenture Act of 1939, any Securityholder who has been a bona fide holder of a Security or Securities of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee with respect to such series.

(c) The holders of a majority in aggregate principal amount of the Securities of one or more series (each series voting as a class) or all series at the time Outstanding may at any time, upon 30 days written notice, remove the Trustee with respect to the applicable series or all series, as the case may be, and appoint with respect to the applicable series or all series, as the case may be, a successor trustee by written notice of such action to the Company, the Trustee and the successor trustee.

(d) Any resignation or removal of the Trustee with respect to any series and any appointment of a successor trustee with respect to such series pursuant to any of the provisions of this Section 7.10 shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.11.

(e) No predecessor Trustee shall be liable for the acts or omissions of any successor Trustee.

Section 7.11. *Acceptance by Successor Trustee.* Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal of the predecessor trustee with respect to any or all applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, nevertheless, on the written request of the Company or of the successor trustee, the trustee ceasing to act shall, upon payment (or due provision therefor) of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers with respect to such series of the trustee so ceasing to act. Upon request of any such successor trustee, the Company shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Company, the predecessor trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor trustee with respect to the Securities of any series as to which the predecessor trustee is not retiring shall continue to be vested in the predecessor trustee and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee with respect to a series of Securities shall accept appointment as provided in this Section 7.11 unless at the time of such acceptance such successor trustee shall, with respect to such series, be qualified under Section 310 (b) of the Trust Indenture Act of 1939 and eligible under the provisions of Section 7.09.

Upon acceptance of appointment by a successor trustee with respect to any series as provided in this Section 7.11, the Company shall deliver notice of the succession of such trustee hereunder to the holders of Securities of such series at their addresses as they shall appear on the registry books of the Company. If the Company fails to deliver such notice within ten days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be delivered at the expense of the Company.

Section 7.12. *Succession by Merger, etc.* Any Person into which the Trustee may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any Person succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor to the Trustee hereunder, provided such Person shall be qualified under Section 310(b) of the Trust Indenture Act of 1939 and eligible under the provisions of Section 7.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

In case at the time such successor to the Trustee shall succeed to the trust created by this Indenture with respect to one or more series of Securities any of such Securities shall have been authenticated but not delivered, any such successor to the Trustee by merger, conversion or consolidation may adopt the certificate of authentication of any predecessor trustee and deliver such Security so authenticated; and in case at that time any of such Securities shall not have been authenticated, any successor to the Trustee may authenticate such Securities either in the name of such successor to the Trustee or, if such successor to the Trustee is a successor by merger, conversion or consolidation, the name of any predecessor hereunder; and in all such cases such certificate shall have the full force which it is anywhere in such Securities or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.13. *Appointment of Authenticating Agent.* The Trustee may appoint an Authenticating Agent or Agents which shall be authorized to act on behalf of the Trustee to

authenticate Securities issued upon original issue and upon exchange, registration of transfer, partial conversion or partial redemption or pursuant to Section 2.07, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall deliver electronically written notice of such appointment to all holders of Securities as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment hereunder shall become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

If an appointment is made pursuant to this Section, the Securities may have endorsed thereon, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

“Dated:

This is one of the Securities described in the within-mentioned Indenture.

THE BANK OF NEW YORK MELLON
TRUST COMPANY, N.A., as Trustee

By: _____
As Authenticating Agent

By: _____
Authorized Signatory”

**ARTICLE 8
CONCERNING THE SECURITYHOLDERS**

Section 8.01. *Action of Securityholders.* Whenever in this Indenture it is provided that the holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action) the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any number of instruments of similar tenor executed by such Securityholders in person or by agent or proxy appointed in writing, (b) by the record of such holders of Securities voting in favor thereof at any meeting of such Securityholders duly called and held in accordance with the provisions of Article Nine or (c) by a combination of such instrument or instruments and any such record of such a meeting of such Securityholders.

Section 8.02. *Proof of Execution by Securityholders.* Subject to the provisions of Sections 7.01, 7.02 and 9.06, proof of the execution of any instrument by a Securityholder or his agent or proxy shall be sufficient if made in accordance with such reasonable rules and regulations as may be prescribed by the Trustee or in such manner as shall be reasonably satisfactory to the Trustee. The ownership of Securities shall be proved by the registry books of the Company.

The record of any Securityholders’ meeting shall be proved in the manner provided in Section 9.07.

The Company may set a record date for purposes of determining the identity of holders of Securities of any series entitled to vote or consent to or revoke any action referred to in Section 8.01, which record date may be set at any time or from time to time by notice to the Trustee, for any date or dates (in the case of any adjournment or reconsideration) not more than 60 days nor less than five days prior to the proposed date of such vote or consent, and thereafter, notwithstanding any other provisions hereof, with respect to Securities of any series, only holders of Securities of such series of record on such record date shall be entitled to so vote or give such consent or revoke such vote or consent.

Section 8.03. *Who Are Deemed Absolute Owners.* The Company, the Trustee and any agent of the Company or of the Trustee may deem the person in whose name any Security shall be registered upon the books of the Company to be, and may treat him as, the owner of such Security (whether or not such Security shall be overdue and notwithstanding any notation of ownership or other writing thereon) for the purpose of receiving payment of or on account of the principal of, premium, if any, and (subject to Section 2.04) interest, if any, on such Security and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or of the Trustee shall be affected by any notice to the contrary. All such payments so made to any holder for the time being, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Security.

No Beneficial Owner of a beneficial interest in any Global Security held on its behalf by a Depository shall have any rights under this Indenture with respect to such Global Security, and such Depository may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such Security for all purposes whatsoever. None of the Company, the Trustee or any agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Security or maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 8.04. *Company-Owned Securities Disregarded* In determining whether the holders of the requisite aggregate principal amount of Securities have concurred in any demand, request, notice, direction, consent or waiver under this Indenture, Securities which are owned by the Company or any other obligor on the Securities with respect to which such determination is being made or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Securities with respect to which such determination is being made shall be disregarded and deemed not to be Outstanding for the purpose of any such determination; provided, that for the purposes of determining whether the Trustee shall be protected in relying on any such demand, request, notice, direction, consent or waiver only Securities which the Trustee knows are so owned shall be so disregarded. Securities so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section 8.04 if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any such other obligor. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 8.05. *Revocation of Consents; Future Holders Bound.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 8.01, of the taking of any action by the holders of the percentage in aggregate principal amount of the Securities of any or all series, as the case may be, specified in this Indenture in connection with such action, any holder of a Security which is shown by the evidence to be included in the Securities the holders of which have consented to such action may, by filing written notice with the Trustee at its

principal office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid, any such action taken by the holder of any Security shall be conclusive and binding upon such holder and upon all future holders of such Security, irrespective of whether or not any notation in regard thereto is made upon such Security or any Security issued in exchange or substitution therefor.

ARTICLE 9 SECURITYHOLDERS' MEETINGS

Section 9.01. *Purposes of Meetings.* A meeting of holders of Securities of any or all series may be called at any time and from time to time pursuant to the provisions of this Article Nine for any of the following purposes:

- (1) to give any notice to the Company or to the Trustee, to give any directions to the Trustee, to consent to the waiving of any default hereunder and its consequences or to take any other action authorized to be taken by Securityholders pursuant to any of the provisions of Article Six;

Section 9.02. *Call of Meetings by Trustee.* The Trustee may at any time call a meeting of holders of Securities of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, as the Trustee shall determine. Notice of every meeting of the holders of Securities of any or all series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be delivered electronically to holders of Securities of each series affected at their addresses as they shall appear on the registry books of the Company. Such notice shall be delivered electronically not less than 10 nor more than 90 days prior to the date fixed for the meeting.

Section 9.03. *Call of Meetings by Company or Securityholders.* In case at any time the Company, pursuant to a resolution of its Board of Directors, or the holders of at least ten percent in aggregate principal amount of the Securities then Outstanding of any series that may be affected by the action proposed to be taken at the meeting shall have requested the Trustee to call a meeting of the holders of Securities of all series that may be so affected, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have delivered electronically the notice of such meeting within 20 days after receipt of such request, then the Company or such Securityholders, in the amount specified above, may determine the time and the place in said Borough of Manhattan for such meeting and may call such meeting to take any action authorized in Section 9.01, by electronically delivering notice thereof as provided in Section 9.02.

Section 9.04. *Qualifications for Voting.* To be entitled to vote at any meeting of Securityholders a person shall (a) be a holder of one or more Securities with respect to which such meeting is being held or (b) be a person appointed by an instrument in writing as proxy by a holder of one or more such Securities. The only persons who shall be entitled to be present or to speak at any meeting of Securityholders shall be the persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

Section 9.05. *Quorum; Adjourned Meetings.* The Persons entitled to vote a majority in aggregate principal amount of the Securities of the relevant series at the time Outstanding shall constitute a quorum for the transaction of all business specified in Section 9.01. No business shall be transacted in the absence of a quorum (determined as provided in this Section 9.05). In the absence of a quorum within 30 minutes after the time appointed for any such meeting, the meeting shall, if convened at the request of the holders of Securities (as provided in Section 9.03), be dissolved. In any other case the meeting shall be adjourned for a period of not less than ten days as determined by the chairman of the meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting shall be further adjourned for a period of not less than ten days as determined by the chairman of the meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 9.02, except that such notice must be mailed not less than five days prior to the date on which the meeting is scheduled to be reconvened.

Subject to the foregoing, at the second reconvening of any meeting adjourned for lack of a quorum, the Persons entitled to vote 25% in aggregate principal amount of the Securities of the relevant series then Outstanding shall constitute a quorum for the taking of any action set forth in the notice of the original meeting. Notice of the reconvening of an adjourned meeting shall state expressly the percentage of the aggregate principal amount of the Securities of the relevant series then Outstanding which shall constitute a quorum.

At a meeting or any adjourned meeting duly convened and at which a quorum is present as aforesaid, any resolution and all matters (except as limited by the proviso in Section 10.02) shall be effectively passed and decided if passed or decided by the Persons entitled to vote the lesser of (a) a majority in aggregate principal amount of the Securities of the relevant series then Outstanding and (b) 75% in aggregate principal amount of the Securities represented and voting at the meeting.

Any holder of a Security who has executed in person or by proxy and delivered to the Trustee an instrument in writing complying with the provisions of Article Eight shall be deemed to be present for the purposes of determining a quorum and be deemed to have voted; provided that such holder of a Security shall be considered as present or voting only with respect to the matters covered by such instrument in writing.

Section 9.06. *Regulations.* Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of

Securityholders, in regard to proof of the holder of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Securityholders as provided in Section 9.03, in which case the Company or the Securityholders calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by majority vote of the meeting.

Subject to the provisions of Section 8.04, at any meeting each holder of Securities with respect to which such meeting is being held or proxy shall be entitled to vote the principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Security or Securities; Outstanding" in Section 1.01) of such Securities held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect of any such Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote other than by virtue of such Securities held by him or instruments in writing as aforesaid duly designating him as the person to vote on behalf of other such Securityholders. Any meeting of holders of Securities with respect to which a meeting was duly called pursuant to the provisions of Sections 9.02 or 9.03 may be adjourned from time to time by a majority of those present, whether or not constituting a quorum, and the meeting may be held as so adjourned without further notice.

Section 9.07. Voting. The vote upon any resolution submitted to any meeting of holders of Securities with respect to which such meeting is being held shall be by written ballots on which shall be subscribed the signatures of such holders of Securities or of their representatives by proxy and the principal amount (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Security or Securities; Outstanding" in Section 1.01) and number or numbers of such Securities held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Securityholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 9.02. The record shall show the principal amount of the Securities (in the case of Original Issue Discount Securities, such principal amount to be determined as provided in the definition of "Security or Securities; Outstanding" in Section 1.01) voting in favor of or against any resolution. The record shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

Section 9.08. *No Delay of Rights by Meeting.* Nothing in this Article Nine contained shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Securityholders of any or all series or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustee or to the Securityholders of any or all such series under any of the provisions of this Indenture or of the Securities.

ARTICLE 10
SUPPLEMENTAL INDENTURES

Section 10.01. *Supplemental Indentures without Consent of Securityholders.* The Company, when authorized by resolution of the Board of Directors, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto for one or more of the following purposes:

- (a) to evidence the succession of another Person to the Company, or successive successions, and the assumption by the successor Person of the covenants, agreements and obligations of the Company pursuant to Article Eleven hereof;
- (b) to add to the covenants of the Company such further covenants, restrictions, conditions or provisions for the protection of the holders of all or any series of Securities (and if such covenants are to be for the benefit of less than all series of Securities, stating that such covenants are expressly being included for the benefit of such series) as the Board of Directors of the Company shall consider to be for the protection of the holders of such Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions a default or an Event of Default permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth; provided, however, that in respect of any such additional covenant, restriction, condition or provision, such supplemental indenture may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement upon such default or may limit the remedies available to the Trustee upon such default;
- (c) to add any additional Events of Default (and, if such Events of Default are to be applicable to less than all series of Securities, stating that such Events of Default are applicable only to specified series);
- (d) to provide for the issuance under this Indenture of Securities in coupon form (including Securities registrable as to principal only) and to provide for exchangeability of such Securities with the Securities of the same series issued hereunder in fully registered form and to make all appropriate changes for such purpose;
- (e) to establish the forms or terms of Securities of any series or of the Coupons appertaining to such Securities as permitted by Sections 2.01 and 2.02;

(f) to provide for uncertificated debt securities in addition to or in place of certificated debt securities;

(g) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture which may be defective or inconsistent with any other provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interests of the holders of any Securities; provided, however, that any amendment made solely to conform the provisions of this Indenture to the description of the Securities contained in the prospectus or other offering document pursuant to which the Securities were sold will be deemed not to adversely affect the interests of the holders of the Securities;

(h) to modify or amend this Indenture to permit the qualification of this Indenture or any indentures supplemental hereto under the Trust Indenture Act of 1939, as amended;

(i) to add to or change any provision of this Indenture to provide that bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal or premium with respect to registered Securities or of principal, premium or interest with respect to bearer Securities, or to permit registered Securities to be exchanged for bearer Securities; provided, however, that any such addition, change or elimination may not materially adversely affect the interests of any holders of Securities at the time Outstanding nor permit or facilitate the issuance of Securities of any series in uncertificated form;

(j) to add guarantees with respect to the Securities of any series or to secure the Securities of any series;

(k) to evidence and provide for the acceptance of appointment hereunder by a successor or separate trustee with respect to the Securities of one or more series or to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Section 7.11 or pursuant to Section 2.02(19); and

(l) to add to, change or eliminate any of the provisions of this Indenture; provided, however, that any such addition, change or elimination may be effected only when no Outstanding Security of any series created prior to the execution of such supplemental indenture is entitled to the benefit of such provision.

The Trustee is hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustee shall not be obligated to, but may in its discretion, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section 10.01 may be executed by the Company and the Trustee without the consent of the holders of any of the Securities at the time Outstanding, notwithstanding any of the provisions of Section 10.02.

Section 10.02. *Supplemental Indentures with Consent of Securityholders.* With the written consent (evidenced as provided in Sections 8.01 and 8.02) of the holders of a majority in the aggregate principal amount of the Securities of each series (each series voting as a class) affected by such supplemental indenture at the time Outstanding, the Company and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or any supplemental indenture or of modifying in any manner the rights of the holders of the Securities or each such series; provided, however, that no such supplemental indenture shall (i) change the stated maturity of principal of, or any installment of principal of or interest on, any Security, (ii) reduce the rate of or extend the time of payment of interest, if any, on any Security or alter the manner of calculation of interest payable on any Security (except as part of any remarketing of the Securities of any series, or any interest rate reset with respect thereto in each case in accordance with the terms thereof), (iii) reduce the principal amount or premium, if any, on any Security, (iv) make the principal amount or premium, if any, or interest, if any, on any Security payable in any coin or currency other than that provided in any Security, (v) reduce the percentage in principal amount of Securities of any series the holders of which are required to consent to any such supplemental indenture or any waiver of any past default or Event of Default pursuant to Section 6.07(b), (vi) change any place of payment where the Securities of any series or interest thereon is payable, (vii) impair the right of any holder of a Security to institute suit for any such payment, reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon an acceleration of the maturity thereof pursuant to Section 6.01, adversely affect the right of repayment, if any, at the option of the holder or extend the time or reduce the amount of any payment to any sinking fund or analogous obligation relating to any Security, or (viii) modify any provision of Section 6.07(b) or 10.02 (except to increase any such percentage or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the holder of each Security so affected), without, in the case of each of the foregoing clauses (i) through (viii), the consent of the holder of each Security so affected. A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the holders of Securities of any other series.

Upon the request of the Company, accompanied by a copy of the resolutions of the Board of Directors authorizing the execution and delivery of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Securityholders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Securityholders under this Section 10.02 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Section 10.03. *Compliance with Trust Indenture Act; Effect of Supplemental Indentures.* Any supplemental indenture executed pursuant to the provisions of this Article Ten shall comply with the Trust Indenture Act of 1939, as then in effect.

Upon the execution of any supplemental indenture pursuant to the provisions of this Article Ten, this Indenture shall be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Company and the holders of the Securities shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.04. *Notation on Securities.* Securities authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article Ten may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company or the Trustee shall so determine new Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors, to any modification of this Indenture contained in any such supplemental indenture may be prepared and executed by the Company, authenticated by the Trustee and delivered in exchange for the Securities of such series then Outstanding.

Section 10.05. *Evidence of Compliance of Supplemental Indenture to be Furnished Trustee.* The Trustee, subject to the provisions of Sections 7.01 and 7.02, shall receive an Officers' Certificate and an Opinion of Counsel stating that such supplemental indenture is authorized or permitted under this Indenture as conclusive evidence that any supplemental indenture executed pursuant hereto complies with the requirements of this Article Ten.

ARTICLE 11 CONSOLIDATION, MERGER, SALE OR CONVEYANCE

Section 11.01. *Company May Consolidate, Merge Or Sell Assets on Certain Terms.* Nothing contained in this Indenture or in any of the Securities shall be deemed to prevent the consolidation or merger of the Company with or into any other corporation, or the merger into the Company of any other corporation, or the sale by the Company of its assets as, or substantially as, an entirety, or otherwise; provided, however, that (a) in case of any such consolidation or merger the corporation resulting from such consolidation or any corporation other than the Company into which such merger shall be made shall succeed to and be substituted for the Company with the same effect as if it has been named herein as a party hereto and shall become liable and be bound for, and shall expressly assume, by a supplemental indenture hereto, executed and delivered to the Trustee, the due and punctual payment of the principal of, premium, if any, and interest, if any, on all the Securities of each series and the Coupons, if any, appertaining thereto and the performance and observance of each and every covenant and condition of this Indenture on the part of the Company to be performed or observed, (b) as a condition of any such sale of the assets of the Company as, or substantially as, an entirety, the corporation to which such assets shall be sold shall (i) expressly assume the due and punctual payment of the principal of, premium, if any, and interest, if any, on all the Securities of each series and the Coupons, if any, appertaining thereto and the performance and

observance of all the covenants and conditions of this Indenture on the part of the Company to be performed or observed and (ii) simultaneously with the delivery to it of the conveyances or instruments of transfer of such assets, execute and deliver to the Trustee a supplemental indenture thereto, in form satisfactory to the Trustee, whereby such purchasing corporation shall so assume the due and punctual payment of the principal of, premium, if any, and interest, if any, on all the Securities of each series and the Coupons, if any, appertaining thereto and the performance and observance of each and every covenant and condition of this Indenture on the part of the Company to be performed or observed, to the same extent that the Issuer is bound and liable, (c) either the Company is the continuing corporation or the successor corporation is a corporation or limited liability company organized under the laws of the United States of America or any state thereof or the District of Columbia, Canada, Australia, the United Kingdom, Switzerland or any member country of the European Union, and (d) the Company is not, or such successor corporation is not, immediately after such merger, consolidation or sale, in default in the performance of any obligations under this Indenture.

Section 11.02. *Successor Corporation or Limited Liability Company to be Substituted.* In case of any such merger, consolidation or sale, and upon any such assumption by the successor corporation or limited liability company, such successor corporation or limited liability company shall succeed to and be substituted for the Company, with the same effect as if it had been named herein as the Company, and the Company shall be relieved of any further obligation under this Indenture and under the Securities. Such successor corporation or limited liability company thereupon may cause to be signed, and may issue either in its own name or in the name of Hecla Mining Company, any or all of the Securities issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee; and, upon the order of such successor corporation or limited liability company, instead of the Company, and subject to all the terms, conditions and limitations in this Indenture prescribed, the Trustee shall authenticate and shall deliver any Securities which previously shall have been signed and delivered by the officers of the Company to the Trustee for authentication, and any Securities which such successor corporation or limited liability company thereafter shall cause to be signed and delivered to the Trustee for that purpose. All the Securities so issued shall in all respects have the same legal rank and benefit under this Indenture as the Securities theretofore or thereafter issued in accordance with the terms of this Indenture as though all of such Securities had been issued at the date of the execution hereof.

In case of any such merger, consolidation or sale, such changes in phraseology and form (but not in substance) may be made in the Securities thereafter to be issued as may be appropriate.

Section 11.03. *Documents to be Given Trustee.* The Trustee, subject to the provisions of Sections 7.01 and 7.02, shall receive an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any such consolidation, merger or sale, and any such assumption, comply with the provisions of this Article Eleven.

ARTICLE 12
SATISFACTION AND DISCHARGE OF INDENTURE

Section 12.01. *Discharge of Indenture.* When (a) the Company shall deliver to the Trustee for cancellation all Securities theretofore authenticated (other than any Securities which shall have been destroyed, lost or stolen or in lieu of or in substitution for which other Securities shall have been authenticated and delivered, or which shall have been paid, pursuant to the provisions of Section 2.07 or Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company as provided in Section 12.06) and not theretofore cancelled, or (b) all the Securities not theretofore cancelled or delivered to the Trustee for cancellation shall have become due and payable, or are by their terms to become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption, and the Company shall deposit with the Trustee, in trust, funds sufficient to pay (without reinvestment) at maturity or upon redemption all of the Securities (other than any (i) Securities which shall have been destroyed, lost or stolen and in lieu of or in substitution for which other Securities shall have been authenticated and delivered, or which shall have been paid, pursuant to the provisions of Section 2.07 or (ii) Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company as provided in Section 12.06) not theretofore cancelled or delivered to the Trustee for cancellation, including principal, premium, if any, and interest, if any, due or to become due to such date of maturity or date fixed for redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then this Indenture shall cease to be of further effect (except as to (i) rights of registration of transfer and exchange of Securities, (ii) substitution of mutilated, defaced, destroyed, lost or stolen Securities, (iii) rights of holders to receive payments of principal thereof and interest thereon, and remaining rights of the holders to receive mandatory sinking fund payments, if any, (iv) the rights and immunities of the Trustee hereunder and (v) the rights of the Securityholders as beneficiaries hereof with respect to the property so deposited with the Trustee payable to all or any of them), and the Trustee, on demand of the Company accompanied by an Officers' Certificate and an Opinion of Counsel and at the cost and expense of the Company, shall execute proper instruments acknowledging satisfaction of and discharging this Indenture, the Company, however, hereby agreeing to reimburse the Trustee for any costs or expenses thereafter reasonably and properly incurred by the Trustee in connection with this Indenture or the Securities.

Section 12.02. *Legal Defeasance.* On the 91st day following the deposit referred to in clause (a), the Company will be deemed to have paid and will be discharged from its obligations in respect of the Securities of the series with respect to which such deposit shall have been made and the Indenture with respect to such Securities, other than (i) the rights of the Securityholders of Outstanding Securities of such series to receive, solely from the trust fund described in clause (a), payments in respect of the principal of and interest on such securities when such payments are due and (ii) its obligations in Article Two and Sections 4.02, 7.06, 7.10, 12.06; and 12.07 provided the following conditions have been satisfied:

(a) The Company has irrevocably deposited in trust with the Trustee, as trust funds solely for the benefit of the Securityholders of such series, money sufficient, or U.S. Government Obligations, the principal of and interest on which shall be sufficient, or a combination thereof sufficient, in the opinion of a certified public accounting firm of national reputation delivered to the Trustee, without consideration of any reinvestment, to pay principal of, premium, if any, and interest, if any, on the Securities of such series to maturity or redemption, as the case may be,

provided that any redemption before maturity has been irrevocably provided for under arrangements satisfactory to the Trustee.

(b) The deposit will not result in a breach or violation of, or constitute a default under, the Indenture or any other agreement or instrument to which the Company is a party or by which it is bound.

(c) The Company has delivered to the Trustee either (x) a ruling received from the Internal Revenue Service to the effect that the holders of the Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would otherwise have been the case or (y) an Opinion of Counsel, based on a change in law after the date of the Indenture, to the same effect as the ruling described in clause (x).

(d) The Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance have been complied with.

Prior to the end of the 91-day period, none of the Company's obligations under the Indenture with respect to the Securities of such series will be discharged. Thereafter, the Trustee, upon the request and at the cost and expense of the Company, will acknowledge in writing the discharge of the Company's obligations under the Securities of such series and the Indenture with respect to such series except for the surviving obligations specified above.

As used herein, "U.S. Government Obligation" means (x) any security which is (i) a direct obligation of the United States of America for the payment of which its full faith and credit is pledged or (ii) an obligation of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America, the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case (i) or (ii), is not callable or redeemable at the option of the issuer thereof, and (y) any depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act of 1933) as custodian with respect to any U.S. Government Obligation which is specified in clause (x) above and held by such bank for the account of the holder of such depositary receipt, or with respect to any specific payment of principal or interest on any U.S. Government Obligation which is so specified and held, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depositary receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal or interest evidenced by such depositary receipt.

Section 12.03. *Covenant Defeasance.* After the 91st day following the deposit referred to in clause (a) with respect to the Securities of a series, the Company's obligations set forth in the covenant or covenants for such series of Securities established as contemplated by Section 2.02(22) will terminate, and clauses (d) (to the extent relating to such covenant or covenants), (e) and (h) of Section 6.01 will no longer constitute Events of Default with respect to the Securities of a series, provided the following conditions have been satisfied:

(a) the Company has complied with clauses (a), (b) and (d) of Section 12.02; and

(b) the Company has delivered to the Trustee an Opinion of Counsel to the effect that the holders of the Securities of such series will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would otherwise have been the case.

Except as specifically stated above, none of the Company's obligations under the Indenture will be discharged.

Section 12.04. Deposited Moneys to be Held in Trust by Trustee; Miscellaneous Provisions. All moneys and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to the provisions of Section 12.02 or 12.03 shall be held in trust and applied by it to the payment, either directly or through any paying agent (including the Company if acting as its own paying agent), to the holders of the particular Securities for payment or redemption of which such moneys or U.S. Government Obligations have been deposited with the Trustee, of all sums due and to become due thereon for principal, premium, if any, and interest, if any.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 12.01 or 12.03 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the holders of the Securities.

Anything in this Article to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon request of the Company any money or U.S. Government Obligations held by it as provided in Section 12.02 or 12.03 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the legal defeasance or covenant defeasance, as the case may be, with respect to such Securities.

Section 12.05. Paying Agent to Repay Moneys Held. Upon the satisfaction and discharge of this Indenture all moneys then held by any paying agent of the Securities (other than the Trustee) shall, upon demand of the Company, be repaid to the Company or paid to the Trustee, and thereupon such paying agent shall be released from all further liability with respect to such moneys.

Section 12.06. Return of Unclaimed Moneys. Any moneys deposited with or paid to the Trustee for payment of the principal of, premium, if any, or interest, if any, on Securities of any series and not applied but remaining unclaimed by the holders of Securities of that series for two years after the date upon which the principal of, premium, if any, or interest, if any, on such Securities, as the case may be, shall have become due and payable, shall be repaid to the Company by the Trustee on written demand; and the holder of any such Securities shall thereafter look only to the Company for any payment which such holder may be entitled to collect and all liability of the Trustee with respect to such money shall thereupon cease.

Section 12.07. Reinstatement. If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 12.01, 12.02 or 12.03 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under the Indenture and the Securities will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of or interest on any Securities because of the reinstatement of its obligations, it will be subrogated to the rights of the Securityholders of such Securities to receive such payment from the money or U.S. Government Obligations held in trust.

**ARTICLE 13
IMMUNITY OF INCORPORATORS,
STOCKHOLDERS, OFFICERS AND DIRECTORS**

Section 13.01. Indenture and Securities Solely Corporate Obligations. No recourse for the payment of the principal of, premium, if any, or interest, if any, on any Security, or for any claim based thereon or otherwise in respect thereof, and no recourse under or upon any obligation, covenant or agreement of the Company in this Indenture or in any supplemental indenture, or in any Security, or because of the creation of any indebtedness represented thereby, shall be had against any incorporator, stockholder, officer or director, as such, past, present or future, of the Company or of any successor corporation, either directly or through the Company or any successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly understood that all such liability is hereby expressly waived and released as a condition of, and as a consideration for, the execution of this Indenture and the issue of the Securities.

**ARTICLE 14
CONVERSION**

Section 14.01. Supplemental Indenture for Convertible Securities. If a series of Securities is to be convertible into common shares or other securities of the Company, then the Company and the Trustee may enter into a supplemental indenture setting forth the conversion rights of the Securityholders of such series.

**ARTICLE 15
SUBORDINATION**

Section 15.01. Supplemental Indenture for Subordinated Securities. If a series of Securities is to be subordinated to other debt securities of the Company, then the Company and the Trustee may enter into a supplemental indenture setting forth the provisions governing such subordination.

ARTICLE 16
MISCELLANEOUS PROVISIONS

Section 16.01. *Provisions Binding on Company's Successors.* All the covenants, stipulations, promises and agreements in this Indenture contained by the Company shall bind its successors and assigns whether so expressed or not.

Section 16.02. *Official Acts by Successor Corporation.* Any act or proceeding by any provision of this Indenture authorized or required to be done or performed by any board, committee or officer of the Company shall and may be done and performed with like force and effect by the like board, committee or officer of any corporation that shall at the time be the lawful sole successor of the Company.

Section 16.03. *Addresses for Notices, Notice to Holders, Waiver.* Any notice or demand which by any provision of this Indenture is required or permitted to be given or served by the Trustee or by the holders of Securities on the Company may be given or served by being deposited postage prepaid by first class mail in a post office letter box addressed (until another address is filed by the Company with the Trustee) to Hecla Mining Company, 6500 North Mineral Drive, Suite 200, Coeur d'Alene, Idaho 83815. Any notice, direction, request or demand by any Securityholder to or upon the Trustee shall be deemed to have been sufficiently given or made, for all purposes, if given or made in writing at the principal office of the Trustee, addressed to the attention of its corporate trust office as specified in Section 7.13 hereof.

Where this Indenture provides for notice of holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each holder affected by such event, at his address as it appears in the Security register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular holder shall affect the sufficiency of such notice with respect to other holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, provided, however, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Company agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 16.04. *New York Contract.* This Indenture and each Security shall be deemed to be a contract made under the laws of the State of New York, and for all purposes shall be construed in accordance with the laws of said State.

EACH OF THE COMPANY, THE HOLDERS AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 16.05. *Evidence of Compliance with Conditions Precedent.* Upon any application or demand by the Company to the Trustee to take any action under any of the provisions of this Indenture, the Company shall furnish to the Trustee an Officers' Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with and an Opinion of Counsel stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

Each certificate or opinion provided for in this Indenture and delivered to the Trustee with respect to compliance with a condition or covenant provided for in this Indenture shall include: (1) a statement that the person making such certificate or opinion has read such covenant or condition; (2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinion contained in such certificate or opinion are based; (3) a statement that, in the opinion of such person, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and (4) a statement as to whether or not, in the opinion of such person, such condition or covenant has been complied with.

For purposes of this Section 16.07, Market Exchange Rate shall mean the noon Dollar buying rate in New York City for cable transfers of the Specified Currency published by the Federal Reserve Bank of New York. If such Market Exchange Rate is not available for any reason with respect to such Specified Currency, the Company shall use, in its sole discretion and without liability on its part, such quotation of the Federal Reserve Bank of New York or such other quotations as the Company shall deem appropriate. The provisions of this paragraph shall apply in determining the equivalent principal amount in respect of Securities of a series denominated in a Specified Currency other than Dollars in connection with any action taken by holders of Securities pursuant to the terms of this Indenture, including, without limitation, any determination contemplated in Section 6.01(d) or e).

All decisions and determination of the Company regarding the Market Exchange Rate or any alternative determination provided for in the preceding paragraph shall be in its sole discretion and shall, in the absence of manifest error, be conclusive to the extent permitted by law for all purposes and irrevocably binding upon the Company and all Securityholders.

Section 16.08. *Trust Indenture Act to Control.* If and to the extent that any provision of this Indenture limits, qualifies or conflicts with the duties imposed by, or with another provision (an “incorporated provision”) included in this Indenture by operation of, Sections 310 to 318, inclusive, of the Trust Indenture Act of 1939, such imposed duties or incorporated provision shall control.

Section 16.09. *Table of Contents, Headings, etc.* The table of contents and the titles and headings of the articles and sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part hereof, and shall in no way modify or restrict any of the terms or provisions hereof.

Section 16.11. *Separability; Benefits.* In case any one or more of the provisions contained in this Indenture or in the Securities shall for any reason be held to be invalid, illegal or unenforceable, in any respect, then, to the extent permitted by law, such invalidity, illegality or unenforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Nothing in this Indenture or in the Securities, expressed or implied, shall give to any person, other than the parties hereto and their successors hereunder, and the holders of the Securities, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Registration Statement on Form S-3

Ladies and Gentlemen:

I have acted as securities counsel to Hecla Mining Company, a Delaware corporation (the "Company") and certain of its subsidiaries and affiliates listed on Annex A hereto (the "Guarantors"), with respect to rendering this opinion relating to the issuance from time to time in the future of such indeterminate number or amount of (a) additional 6.875% Senior Notes due May 1, 2021 ("2021 Notes"), (b) other debt securities, including senior debt securities ("Senior Debt Securities") and subordinated debt securities ("Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Registered Debt"), which may be convertible into other securities of the Company, (c) guarantees of the 2021 Notes and the Registered Debt by the Guarantors (the "Guarantees"), (d) common stock, \$0.25 par value per share (the "Common Shares"), (e) preferred stock, \$0.25 par value per share (the "Preferred Shares"), (f) warrants (the "Warrants") to purchase securities of the Company, and (g) securities as may be issued upon conversion or exchange for any 2021 Notes and the Registered Debt, Preferred Stock, or Warrants (collectively, the "Securities"), which Securities the Company is registering in such number or amount as is authorized and reserved by resolutions of the Board of Directors of the Company, as they may be amended from time to time, under the Securities Act of 1933, as amended (the "Act"), pursuant to the Company's Registration Statement on Form S-3, as filed by the Company with the Securities and Exchange Commission (the "Commission") on or about the date hereof, as amended from time to time (the "Registration Statement").

The 2021 Notes are to be issued under an indenture, dated as of April 12, 2013, entered into among the Company, the Guarantors and The Bank of New York Mellon, as indenture trustee, as supplemented (the "2013 Senior Indenture"). The Registered Debt is to be issued under an indenture to be entered into among the Company, the Guarantors and a financial institution to be named at the time such indenture is executed, as indenture trustee (the "Indenture").

For the purpose of this opinion, I have examined originals, or copies certified or otherwise identified to my satisfaction as being true and complete copies of the originals, of the 2013 Senior Indenture, the form of the Indenture, forms of the 2021 Notes and Registered Debt and Guarantees, specimen Common Stock certificates and such other documents, corporate records, certificates of officers of the Company, the Guarantors and of public officials and other instruments as I have deemed necessary or advisable to enable me to render these opinions.

In connection with this opinion, I have assumed that (i) all information contained in all documents reviewed by me is true and correct; (ii) all

signatures on all documents examined by me are genuine; (iii) all documents submitted to me as originals are authentic and all documents submitted to me as copies conform to the originals of those documents; (iv) each natural person signing any document reviewed by

me had the legal capacity to do so; (v) each person signing in a representative capacity any document reviewed by me had authority to sign in such capacity; (vi) the Registration Statement, and any amendments thereto (including any post-effective amendments), relating to the Securities will have become effective under the Act, and no order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose are pending before or contemplated by the Commission; (vii) the Securities have been or will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement; (viii) a definitive purchase, underwriting, sales agency or similar agreement with respect to the Securities has been or will have been duly authorized and validly executed and delivered by the Company and the other parties thereto; (ix) a prospectus supplement will, if required, have been prepared and filed with the Commission describing the Securities offered thereby; (x) the number of Common Shares issued under the Registration Statement shall be less than the number of authorized shares of common stock of the Company, less the number of such authorized shares outstanding or otherwise reserved for issuance; and (xi) the number of Preferred Shares issued under the Registration Statement shall be less than the number of authorized shares of preferred stock of the Company, less the number of such authorized shares outstanding or otherwise reserved for issuance.

Based upon the foregoing, I am of the opinion that:

1. When (i) the Board of Directors of the Company or, to the extent permitted by the General Corporation Law of the State of Delaware, as amended, a duly constituted and acting committee thereof (such Board of Directors or committee being referred to herein as the "Board") has taken all necessary corporate action to approve the issuance of and the terms of the offering of the Common Shares and related matters; (ii) the terms of the issuance and sale of the Common Shares have been established so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (iii) the Common Shares have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Registration Statement and in accordance with the applicable definitive purchase, underwriting, sales agency or similar agreement approved by the Board and upon payment therefor in accordance with such agreement, the Common Shares will, upon such issuance, constitute legally issued, fully paid, and nonassessable shares of common stock, \$0.25 par value, of the Company.

2. When (i) the Board has taken all necessary corporate action to approve the issuance of and the terms of the offering of the Preferred Shares and related matters; (ii) the relative rights and preferences of the Preferred Shares, and of their issuance and sale, have been established (and filed with the Secretary of State of the State of Delaware) so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; and (iii) the Preferred Shares have been duly executed, authenticated, issued and delivered in accordance with the provisions of the Registration Statement and in accordance with the applicable definitive purchase, underwriting, sales agency or similar agreement approved by the Board and upon payment therefor in accordance with such agreement, the Preferred Shares will, upon such issuance, constitute legally issued, fully paid, and nonassessable shares of preferred stock, \$0.25 par value, of the Company.

3. When (i) the terms of the 2021 Notes and related Guarantees and of their issuance and sale have been duly established in conformity with the 2013 Indenture so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, including the Certificate of Incorporation, and so as to comply with any requirement or

restriction imposed by any court or governmental body having jurisdiction over the Company or the Guarantors; and (ii) the 2021 Notes and related Guarantees have been duly executed and authenticated in accordance with the 2013 Indenture (as supplemented from time to time) and issued and sold as contemplated in the Registration Statement, the 2021 Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, and the Guarantees of such 2021 Notes will constitute valid and legally binding obligations of the Guarantors obligated thereon, enforceable against such Guarantors in accordance with their respective terms, in each case subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

4. When (i) the terms of the Registered Debt and related Guarantees and of their issuance and sale have been duly established in conformity with the Indenture, or similar agreement so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company or the Guarantors; and (ii) the Registered Debt and related Guarantees have been duly executed and authenticated in accordance with the Indenture or similar agreement (as supplemented from time to time) and issued and sold as contemplated in the Registration Statement, the Registered Debt will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, and the Guarantees of the Registered Debt will constitute valid and legally binding obligations of the Guarantors obligated thereon, enforceable against such Guarantors in accordance with their respective terms, in each case subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

5. When (i) the Board has taken all necessary corporate action to approve the creation of and the issuance and terms of the Warrants, the terms of the offering thereof and related matters so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company; (ii) the warrant agreement relating to the Warrants has been duly authorized and validly executed and delivered by the Company and the warrant agent appointed by the Company; and (iii) the Warrants or certificates representing the Warrants have been duly executed, countersigned, registered and delivered in accordance with the applicable definitive purchase, underwriting, sales agency or similar agreement approved by the Board upon payment of the consideration therefor provided for therein, the Warrants will be duly authorized and validly issued.

The opinion and other matters in this letter are qualified in their entirety by, and subject to, the following:

i. I express no opinion as to the laws of any jurisdiction other than the Included Laws. For purposes of this opinion, the term "Included Laws" means the Laws of the State of Delaware that are, in my experience, normally applicable to the matters covered by my opinion, including the General Corporation Law of the State of Delaware, any applicable provisions of the Constitution of the State of Delaware, and applicable judicial decisions. I do not express any opinions as to any other laws or the laws of any other jurisdiction.

ii. The foregoing opinion is qualified to the extent that the enforceability of any document, instrument or security may be limited by or subject to bankruptcy, insolvency, fraudulent transfer or conveyance, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally, and general equitable or public policy principles.

iii. This letter and the matters addressed herein are as of the date hereof, and I undertake no, and hereby disclaim any, obligation to advise you of any change in any matter set forth herein, whether based on a change in the law, a change in any fact relating to the Company or any other person or entity, including governmental authorities (each such person or entity being a "Person"), or any other circumstance. This opinion letter is limited to the matters expressly stated herein and no opinions are to be inferred or may be implied beyond the opinions expressly set forth herein.

I consent to the filing of this opinion with the Commission as an exhibit to the Registration Statement and to the references made to me under the caption "Legal Matters" in the prospectus forming a part of the Registration Statement. In giving this consent, I do not admit that I am within the category of persons whose consent is required by Section 7 of the Act. Without my prior consent, this letter may not be quoted in whole or in part or otherwise referred to in any other document and may not be otherwise furnished or disclosed to or used by any other Person.

Very truly yours,

/s/ David C. Sienko

AMENDED AND RESTATED BY-LAWS
OF
THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A.
(As Amended through January 18, 2018)

ARTICLE I

Offices

Section 1.1 Principal Office. The principal office of the Association shall be located in the City of Los Angeles, County of Los Angeles, State of California.

Section 1.2 Other Offices. The Association may also have offices at such other places either within or without the State of California as the Board of Directors may from time to time determine, or the business of the Association may require.

ARTICLE II

Meetings of Shareholders

Section 2.1 Annual Meeting. The regular annual meeting of the shareholders to elect directors and transact whatever other business as may properly come before the meeting, shall be held within each calendar year at the principal office of the Association, or such other place as shall be specified in the notice of such meeting, on such day and at such hour as may be fixed by the Board.

Notice of such meeting shall be mailed, postage prepaid, at least 10 days prior to the date thereof, addressed to each shareholder at his or her address appearing on the books of the Association. Where the Association is a wholly-owned subsidiary, the sole shareholder is permitted to waive notice of the annual shareholder's meeting.

Notice of meeting need not be given to any shareholder who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting, the lack of notice of such meeting, shall constitute a waiver of notice by such shareholder.

Section 2.2. Special Meetings. Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose, including amending the Articles of Association or By-Laws at any time by the Board of Directors or the holders of a majority of all shares entitled to vote.

Every such special meeting, unless otherwise provided by law, shall be called by mailing a notice, postage prepaid, not less than 10 days prior to the date fixed for the meeting, to each shareholder of record entitled to vote, stating the purpose of the meeting. Where the Association is a wholly-owned subsidiary, the sole shareholder is permitted to waive notice of the special shareholder's meeting.

Notice of meeting need not be given to any shareholder who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting, the lack of notice of such meeting, shall constitute a waiver of notice by such shareholder.

Section 2.3. Action of Shareholders Without a Meeting. Any action required to be taken at a meeting of the Shareholders or any action which may be taken at a meeting of the Shareholders may be taken without a meeting if a consent in writing setting forth the action so to be taken is signed by a majority of all shares held and entitled to vote, and is filed in the minutes of the proceedings of the Association. Such consent shall have the same effect as a unanimous vote of the Shareholders.

Section 2.4. Nominations of Directors. Nominations for election to the Board may be made by the Board or by any shareholder of any outstanding class of capital stock of the Association entitled to vote for the election of directors.

Section 2.5. Proxies. Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this Association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

Section 2.6. Quorum. A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the Articles of Association.

ARTICLE III

Directors

Section 3.1. Board of Directors. The Board of Directors (hereinafter referred to as the "Board") shall have the power to manage and administer the business and affairs of the Association. Except as expressly limited by law, all corporate powers of the Association shall be vested in and may be exercised by the Board.

Section 3.2. Number. The Board shall consist of no less than five nor more than twenty-five persons, unless the Office of the Comptroller of the Currency has granted the Association a waiver of the maximum twenty-five director limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full Board of Directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. The Board may increase the number of directors only by up to two directors, when the number of directors last elected by shareholders was 15 or fewer, and by up to four directors, when the number of directors last elected by shareholders was 16 or more.

Section 3.3. Term of Office. Directors shall hold offices until the next annual meeting of shareholders and until their successors are duly elected and qualified.

Section 3.4. Organization Meeting. The secretary, upon determining the result of any election, shall notify the directors-elect of their election and request that the Board convene for the purpose of organizing the new Board and electing officers of the Association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within thirty days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

Section 3.5 Qualifying Shares. Each director shall own common or preferred stock of the Association or of a holding company, directly or indirectly, owning the Association, with an aggregate par, fair market, or equity value of \$1,000. Determination of these values may be based as of either (i) the date of purchase, or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the Association or holding company may be used.

Section 3.6. Regular Meetings. The regular meetings of the Board may be held at such places either within or without the State of California and at such times as the Board may, from time to time, determine. Each member of the Board shall be given notice stating the time and place by telephone, letter, facsimile, electronic means, or in person.

Notice of meeting need not be given to any director who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any director at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting of the lack of notice of such meeting, shall constitute a waiver of notice by such director.

Section 3.7. Special Meetings. Special meetings of the Board may be called by the Chairman or the President of the Association, or upon the written request of any two Directors. Each member of the Board shall be given notice stating the time and place by telephone, letter, facsimile, electronic means, or in person. Special meetings may be held either within or without the State of California as determined by the Board.

Notice of meeting need not be given to any director who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any director at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting of the lack of notice of such meeting, shall constitute a waiver of notice by such director.

Section 3.8. Quorum. A majority of the entire Board then in office shall constitute a quorum at any meeting, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted.

Section 3.9. Removal. Any one or more of the directors may be removed for cause by action of the Board. Any or all of the directors may be removed with or without cause by vote of the shareholders.

Section 3.10. Vacancies. When any vacancy occurs among the Directors, the remaining members of the Board, in accordance with the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the Board, or at a special meeting of the Board, or by Unanimous Written Consent of the remaining members of the Board or by the shareholders at a special meeting called for that purpose or by written consent of a majority of all shares held and entitled to vote.

A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs, but the new director may not take office until the vacancy occurs.

Section 3.11. Compensation. Members of the Board, except members who are officers of the Association or any of its affiliates, shall be entitled to receive such compensation and such fees for attendance as the Board shall fix from time to time.

Section 3.12. Telephonic Participation. Directors may participate in a meeting of the Board or any committee designated by the Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in person at a meeting.

Section 3.13. Action Without a Meeting. Any action required to be taken at a meeting of the Board or any action which may be taken at a meeting of the Board or a committee thereof, may be taken without a meeting if a consent in writing, setting forth the action so to be taken, signed by all of the Directors, or all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. Such consent shall have the same effect as a unanimous vote.

Section 3.14. Committees of the Board. The Board has power over and is solely responsible for the management, supervision, and administration of the Association. The Board may delegate its power, but none of its responsibilities, to such persons or committees as the Board may determine.

In addition to the Committees designated under Article VI of these By-Laws, the Board may appoint, or authorize the President or, in his absence, a principal executive officer to appoint, from time to time, such other committees consisting of directors, officers and/or other persons and having such powers, duties and functions in or relating to the business and affairs of the Association as the Board may determine. For each such committee each member thereof shall serve at the pleasure of the Board and, in the case of any committee appointed by the President or a principal executive officer, at the pleasure of the President or, in his absence, of a principal executive officer. A majority of all members of any such committee may determine the rules of order and procedure of such committee and the time and place of its meetings, unless the Board, or, in the case of any committee appointed by the President or a principal executive officer, the President or, in his absence, a principal executive officer, shall otherwise provide. Any Committee shall report to the Board as and when directed by the Board.

A committee may not authorize distributions of assets or dividends; approve action that the shareholders must approve; fill vacancies on the Board or any Board committees; amend Articles of Association; adopt, amend or repeal the By-Laws; authorize or approve the issuance or sale, or contract for sale, of shares, or determine the designation and relative rights, preferences, and limitations of a class or series of shares.

ARTICLE IV

Officers and Employees

Section 4.1. Chairperson of the Board. The Board shall appoint one of its members to be the chairperson of the Board. Such person shall preside at all meetings of the Board; shall supervise the carrying out of the policies adopted or approved by the Board; shall have such powers conferred by these By-Laws; and shall also have and may exercise such further powers and duties as from time to time may be conferred upon, or assigned by the Board.

(As Amended through January 18, 2018)

ARTICLE I

Offices

Section 1.1 Principal Office. The principal office of the Association shall be located in the City of Los Angeles, County of Los Angeles, State of California.

Section 1.2 Other Offices. The Association may also have offices at such other places either within or without the State of California as the Board of Directors may from time to time determine, or the business of the Association may require.

ARTICLE II

Meetings of Shareholders

Section 2.1 Annual Meeting. The regular annual meeting of the shareholders to elect directors and transact whatever other business as may properly come before the meeting, shall be held within each calendar year at the principal office of the Association, or such other place as shall be specified in the notice of such meeting, on such day and at such hour as may be fixed by the Board.

Notice of such meeting shall be mailed, postage prepaid, at least 10 days prior to the date thereof, addressed to each shareholder at his or her address appearing on the books of the Association. Where the Association is a wholly-owned subsidiary, the sole shareholder is permitted to waive notice of the annual shareholder's meeting.

Notice of meeting need not be given to any shareholder who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting, the lack of notice of such meeting, shall constitute a waiver of notice by such shareholder.

Section 2.2. Special Meetings. Except as otherwise specifically provided by statute, special meetings of the shareholders may be called for any purpose, including amending the Articles of Association or By-Laws at any time by the Board of Directors or the holders of a majority of all shares entitled to vote.

Every such special meeting, unless otherwise provided by law, shall be called by mailing a notice, postage prepaid, not less than 10 days prior to the date fixed for the meeting, to each shareholder of record entitled to vote, stating the purpose of the meeting. Where the Association is a wholly-owned subsidiary, the sole shareholder is permitted to waive notice of the special shareholder's meeting.

Notice of meeting need not be given to any shareholder who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any shareholder at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting, the lack of notice of such meeting, shall constitute a waiver of notice by such shareholder.

Section 2.3. Action of Shareholders Without a Meeting. Any action required to be taken at a meeting of the Shareholders or any action which may be taken at a meeting of the Shareholders may be taken without a meeting if a consent in writing setting forth the action so to be taken is signed by a majority of all shares held and entitled to vote, and is filed in the minutes of the proceedings of the Association. Such consent shall have the same effect as a unanimous vote of the Shareholders.

Section 2.4. Nominations of Directors. Nominations for election to the Board may be made by the Board or by any shareholder of any outstanding class of capital stock of the Association entitled to vote for the election of directors.

Section 2.5. Proxies. Shareholders may vote at any meeting of the shareholders by proxies duly authorized in writing, but no officer or employee of this Association shall act as proxy. Proxies shall be valid only for one meeting, to be specified therein, and any adjournments of such meeting. Proxies shall be dated and filed with the records of the meeting. Proxies with facsimile signatures may be used and unexecuted proxies may be counted upon receipt of a written confirmation from the shareholder. Proxies meeting the above requirements submitted at any time during a meeting shall be accepted.

Section 2.6. Quorum. A majority of the outstanding capital stock, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders, unless otherwise provided by law, but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. A majority of the votes cast shall decide every question or matter submitted to the shareholders at any meeting, unless otherwise provided by law or by the Articles of Association.

ARTICLE III

Directors

Section 3.1. Board of Directors. The Board of Directors (hereinafter referred to as the "Board") shall have the power to manage and administer the business and affairs of the Association. Except as expressly limited by law, all corporate powers of the Association shall be vested in and may be exercised by the Board.

Section 3.2. Number. The Board shall consist of no less than five nor more than twenty-five persons, unless the Office of the Comptroller of the Currency has granted the Association a waiver of the maximum twenty-five director limit. The exact number is to be fixed and determined from time to time by resolution of a majority of the full Board of Directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. The Board may increase the number of directors only by up to two directors, when the number of directors last elected by shareholders was 15 or fewer, and by up to four directors, when the number of directors last elected by shareholders was 16 or more.

Section 3.3. Term of Office. Directors shall hold offices until the next annual meeting of shareholders and until their successors are duly elected and qualified.

Section 3.4. Organization Meeting. The secretary, upon determining the result of any election, shall notify the directors-elect of their election and request that the Board convene for the purpose of organizing the new Board and electing officers of the Association for the succeeding year. Such meeting shall be held on the day of the election or as soon thereafter as practicable, and, in any event, within thirty days thereof. If, at the time fixed for such meeting, there shall not be a quorum, the directors present may adjourn the meeting, from time to time, until a quorum is obtained.

Section 3.5 Qualifying Shares. Each director shall own common or preferred stock of the Association or of a holding company, directly or indirectly, owning the Association, with an aggregate par, fair market, or equity value of \$1,000. Determination of these values may be based as of either (i) the date of purchase, or (ii) the date the person became a director, whichever value is greater. Any combination of common or preferred stock of the Association or holding company may be used.

Section 3.6. Regular Meetings. The regular meetings of the Board may be held at such places either within or without the State of California and at such times as the Board may, from time to time, determine. Each member of the Board shall be given notice stating the time and place by telephone, letter, facsimile, electronic means, or in person.

Notice of meeting need not be given to any director who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any director at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting of the lack of notice of such meeting, shall constitute a waiver of notice by such director.

Section 3.7. Special Meetings. Special meetings of the Board may be called by the Chairman or the President of the Association, or upon the written request of any two Directors. Each member of the Board shall be given notice stating the time and place by telephone, letter, facsimile, electronic means, or in person. Special meetings may be held either within or without the State of California as determined by the Board.

Notice of meeting need not be given to any director who submits a signed waiver of notice, in person or by proxy, whether before or after the meeting. The attendance of any director at a meeting, in person or by proxy, without protesting prior to the conclusion of the meeting of the lack of notice of such meeting, shall constitute a waiver of notice by such director.

Section 3.8. Quorum. A majority of the entire Board then in office shall constitute a quorum at any meeting, but a lesser number may adjourn any meeting, from time to time, and the meeting may be held, as adjourned, without further notice. If the number of directors present at the meeting is reduced below the number that would constitute a quorum, no business may be transacted.

Section 3.9. Removal. Any one or more of the directors may be removed for cause by action of the Board. Any or all of the directors may be removed with or without cause by vote of the shareholders.

Section 3.10. Vacancies. When any vacancy occurs among the Directors, the remaining members of the Board, in accordance with the laws of the United States, may appoint a director to fill such vacancy at any regular meeting of the Board, or at a special meeting of the Board, or by Unanimous Written Consent of the remaining members of the Board or by the shareholders at a special meeting called for that purpose or by written consent of a majority of all shares held and entitled to vote.

A vacancy that will occur at a specific later date (by reason of a resignation effective at a later date) may be filled before the vacancy occurs, but the new director may not take office until the vacancy occurs.

Section 3.11. Compensation. Members of the Board, except members who are officers of the Association or any of its affiliates, shall be entitled to receive such compensation and such fees for attendance as the Board shall fix from time to time.

Section 3.12. Telephonic Participation. Directors may participate in a meeting of the Board or any committee designated by the Board by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation by such means shall constitute presence in person at a meeting.

Section 3.13. Action Without a Meeting. Any action required to be taken at a meeting of the Board or any action which may be taken at a meeting of the Board or a committee thereof, may be taken without a meeting if a consent in writing, setting forth the action so to be taken, signed by all of the Directors, or all the members of the committee, as the case may be, is filed in the minutes of the proceedings of the Board or of the committee. Such consent shall have the same effect as a unanimous vote.

Section 3.14. Committees of the Board. The Board has power over and is solely responsible for the management, supervision, and administration of the Association. The Board may delegate its power, but none of its responsibilities, to such persons or committees as the Board may determine.
