PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 14. Other Expenses of Issuance and Distribution.

The expenses relating to the registration of the securities will be borne by the registrant. Such expenses (excluding underwriting discounts and commissions) are estimated to be as follows:

Accounting Fees and Expenses		*
Legal Fees		*

Total	\$	*

To be determined. The Registrant is deferring payment of the registration fee in reliance on Rule 456(b) and 457(r).

* As the types and amounts of securities to be issued and distributed pursuant to this registration statement may vary, the fees and expenses of such issuances and distributions cannot be reasonably determined or estimated at this time.

Item 15. Indemnification of Directors and Officers.

The Registrant is organized as a corporation under Delaware law and is subject to the provisions of the General Corporation Law of the State of Delaware (the "DGCL"). The following description is intended only as a summary and is qualified in its entirety by reference to the Restated Certificate of Incorporation of the Registrant, the Bylaws of the Registrant and the DGCL.

Pursuant to the DGCL, a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation in such capacity for another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of such corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The DGCL also permits indemnification by a corporation under similar circumstances for expenses (including attorneys' fees) actually and reasonably incurred by such persons in connection with the defense or settlement of an action by or in the right of such corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to such corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

To the extent that a present or former director or officer is successful in the defense of such an action, suit or proceeding (or of any claim, issue or matter therein), the corporation is required by the DGCL to indemnify such person for actual and reasonable expenses (including attorneys' fees) incurred thereby.

Expenses (including attorneys' fees) incurred by a director or officer in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid (on terms and conditions satisfactory to the corporation) in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that such person is not entitled to be so indemnified.

The DGCL provides that the indemnification and advancement of expenses described above shall not be deemed exclusive of other indemnification or advancement of expenses that may be granted by a corporation pursuant to its Bylaws, a disinterested director vote, a stockholder vote, an agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability as described above.

Accordingly, the Bylaws of the Registrant, to the fullest extent permitted by applicable law, indemnify and hold harmless each person (each, a "Covered Person") who is or was a director, officer or employee of the Registrant or, while a director, officer or employee of the Registrant, is or was serving at the request of the Registrant as a director, officer or employee or agent of another corporation, or of a partnership, joint venture, trust, enterprise or non-profit entity, including service with respect to employee benefit plans. However, the Registrant shall be required to indemnify any person seeking indemnification in connection with a proceeding initiated by such person only if such proceeding was authorized by the Board of Directors or is a proceeding to enforce such person's claim to indemnification pursuant to the rights granted by the Bylaws or otherwise by the Registrant. The Registrant may also enter into one or more agreements with any person which provide for indemnification greater or different than that provided in the Registrant's Restated Certificate of Incorporation.

The Bylaws of the Registrant also provide that the Registrant shall, to the fullest extent not prohibited by applicable law, pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by such Covered Person to repay all amounts advanced if it should be ultimately determined that such Covered Person is not entitled to be indemnified.

The Bylaws of the Registrant also provide that the Registrant's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other corporation, partnership, joint venture, trust, enterprise or non-profit entity.

Furthermore, pursuant to the Restated Certificate of Incorporation of the Registrant, as permitted under the DGCL, a director of the Registrant shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of such person's fiduciary duty as a director, except for liability (1) for any breach of such person's duty of loyalty to the Registrant or its stockholders, (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) under Section 174 of the DGCL or (4) for any transaction from which he or she derived an improper personal benefit.

The DGCL permits, and the Registrant has, liability insurance for the benefit of its directors and officers.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report, pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Section 2: EX-5.2 (EX-5.2)

EXHIBIT 5.2

February 10, 2020

Hecla Mining Company
6500 North Mineral Drive
Suite 200
Coeur d'Alene, Idaho 83815-9408

Hecla Mining Company

Post-Effective Amendment No. 1 to Registration Statement on Form S-3

Ladies and Gentlemen:

I have acted as securities counsel to Hecla Mining Company, a Delaware corporation (the "Company") and certain of its subsidiaries and affiliates listed on Annex A hereto (the "Guarantors"), with respect to the issuance from time to time in the future of such indeterminate number or amount of (a) additional 6.875% Senior Notes due May 1, 2021 ("2021 Notes"), (b) other debt securities, including senior debt securities ("Senior Debt Securities") and subordinated debt securities ("Subordinated Debt Securities" and, together with the Senior Debt Securities, the "Registered Debt"), which may be convertible into other securities of the Company, (c) guarantees of the 2021 Notes and the Registered Debt by the Guarantors (the "Guarantees"), (d) common stock, \$0.25 par value per share, (e) preferred stock, \$0.25 par value per share (the "Preferred Shares"), (f) warrants (the "Warrants") to purchase securities of the Company, and (g) securities as may be issued upon conversion or exchange for any 2021 Notes and the Registered Debt, Preferred Stock, or Warrants (collectively, the "Securities"), which Securities the Company has registered in such number or amount as is authorized and reserved by resolutions of the Board of Directors of the Company, as they may be amended from time to time, under the Securities Act of 1933, as amended (the "Act"), pursuant to the Company's Registration Statement on Form S-3 (File No. 333-229803), as filed by the Company with the Securities

and Exchange Commission (the “Commission”) on February 22, 2019, as amended from time to time (the “Registration Statement”), including as amended by Post-Effective Amendment No. 1, as filed by the Company with the Commission on or about the date hereof (“Amendment No. 1). Amendment No. 1 is being filed by the Company with the Commission to add Hecla Quebec Inc., a federal Canadian corporation and a subsidiary of the Company (“Hecla Quebec”), as a Guarantor, and this opinion is being filed as an exhibit to Amendment No. 1 with respect to Guarantees that may be issued by Hecla Quebec.

The 2021 Notes are to be issued under an indenture, dated as of April 12, 2013, entered into among the Company, the Guarantors and The Bank of New York Mellon, as indenture trustee, as supplemented (the “2013 Senior Indenture”). The Registered Debt is to be issued under an indenture to be entered into among the Company, the Guarantors and a financial institution to be named at the time such indenture is executed, as indenture trustee (the “Indenture”).

For the purpose of this opinion, I have examined originals, or copies certified or otherwise identified to my satisfaction as being true and complete copies of the originals, of the 2013 Senior Indenture, the form of the Indenture, forms of the 2021 Notes and Registered Debt and Guarantees and such other documents, corporate records, certificates of officers of the Company, the Guarantors and of public officials and other instruments as I have deemed necessary or advisable to enable me to render these opinions.

In connection with this opinion, I have assumed that (i) all information contained in all documents reviewed by me is true and correct; (ii) all signatures on all documents examined by me are genuine; (iii) all documents submitted to me as originals are authentic and all documents submitted to me as copies conform to the originals of those documents; (iv) each natural person signing any document reviewed by me had the legal capacity to do so; (v) each person signing in a representative capacity any document reviewed by me had authority to sign in such capacity; (vi) any amendments to the Registration Statement (including Amendment No. 1 and any other post-effective amendments), relating to the Securities will have become effective under the Act, and no order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose are pending before or contemplated by the Commission; (vii) the Securities have been or will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement; (viii) a definitive purchase, underwriting, sales agency or similar agreement with respect to the Securities has been or will have been duly authorized and validly executed and delivered by the Company and the other parties thereto; and (ix) a prospectus supplement will, if required, have been prepared and filed with the Commission describing the Securities offered thereby.

Based upon the foregoing, I am of the opinion that:

1. When (i) the terms of the 2021 Notes and related Guarantees and of their issuance and sale have been duly established in conformity with the 2013 Indenture so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or governmental body having jurisdiction over the Company or the Guarantors; and (ii) the 2021 Notes and related Guarantees have been duly executed and authenticated in accordance with the 2013 Indenture (as supplemented from time to time) and issued and sold as contemplated in the Registration Statement, the 2021 Notes will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, and the Guarantees of such 2021 Notes will constitute valid and legally binding obligations of the Guarantors obligated thereon, enforceable against such Guarantors in accordance with their respective terms, in each case subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

2. When (i) the terms of the Registered Debt and related Guarantees and of their issuance and sale have been duly established in conformity with the Indenture, or similar agreement so as not to violate any applicable law or result in a default under or breach of any agreement or instrument binding upon the Company or the Guarantors, including the Certificate of Incorporation, and so as to comply with any requirement or restriction imposed by any court or

governmental body having jurisdiction over the Company or the Guarantors; and (ii) the Registered Debt and related Guarantees have been duly executed and authenticated in accordance with the Indenture or similar agreement (as supplemented from time to time) and issued and sold as contemplated in the Registration Statement, the Registered Debt will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, and the Guarantees of the Registered Debt will constitute valid and legally binding obligations of the Guarantors obligated thereon, enforceable against such Guarantors in accordance with their respective terms, in each case subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

The opinion and other matters in this letter are qualified in their entirety by, and subject to, the following:

i. I express no opinion as to the laws of any jurisdiction other than the Included Laws. For purposes of this opinion, the term "Included Laws" means the Laws of the State of Delaware that are, in my experience, normally applicable to the matters covered by my opinion, including the General Corporation Law of the State of Delaware, any applicable provisions of the Constitution of the State of Delaware, and applicable judicial decisions. I do not express any opinions as to any other laws or the laws of any other jurisdiction.

ii. The foregoing opinion is qualified to the extent that the enforceability of any document, instrument or security may be limited by or subject to bankruptcy, insolvency, fraudulent transfer or conveyance, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally, and general equitable or public policy principles.

iii. This letter and the matters addressed herein are as of the date hereof, and I undertake no, and hereby disclaim any, obligation to advise you of any change in any matter set forth herein, whether based on a change in the law, a change in any fact relating to the Company or any other person or entity, including governmental authorities (each such person or entity being a "Person"), or any other circumstance. This opinion letter is limited to the matters expressly stated herein and no opinions are to be inferred or may be implied beyond the opinions expressly set forth herein.

I consent to the filing of this opinion with the Commission as an exhibit to Amendment No. 1 and to the references made to me under the caption "Legal Matters" in the prospectus forming a part of the Registration Statement. In giving this consent, I do not admit that I am within the category of persons whose consent is required by Section 7 of the Act. Without my prior consent, this letter may not be quoted in whole or in part or otherwise referred to in any other document and may not be otherwise furnished or disclosed to or used by any other Person.

Very truly yours,

/s/ David C. Sienko
